Pricing Notes:

1. The budgetary planning pricing included above provided by Nokia of America Corporation is indicative only, solely to inform County of Riverside of Nokia of America Corporation's current estimate of prices for the relevant item(s) to enable County of Riverside to evaluate its potential interest.
2. The terms and conditions, including planning pricing, of the items provided under this Proposal or subsequent agreements are subject to future negotiations and future agreement on the terms and conditions which would any sale. *There are no penalties, liquidated damages or other remedies associated with changes to the pricing.*
3. Prices are valid for 60 days.
4. This pricing is valid only for the equipment, equipment features, and services explicitly described within this proposal. *Any equipment item, equipment feature, installation item, or service not explicitly described in this bid is not included in this pricing, and any addition of such will require a revised proposal with modified pricing. Additional information obtained by, but not limited to, Path and Site Surveys could require changes to the scope and content of this proposal. Please review all sections of this bid carefully for details as to what this proposal includes, and what assumptions have been made.*
5. Pricing is based on attached Scope Of Work, Assumptions, Detailed Equipment List and/or Design Configurations.
6. Transportation, ancillary material, travel and living expenses are excluded.
7. Typical equipment lead time is approximately 8 weeks or sooner After Receipt of Purchase Order with valid frequencies based on equipment availability. Lead time can be confirmed After Receipt of Purchase Order and order scheduling.
8. Software quoted is latest version available. If previous versions are desired, contact Nokia prior to shipping.
