Subject: Atlantis Pumping, LLC weekly service quote

Hello Lieutenant Ramos, it was a pleasure speaking with you.

We can set up a weekly pumping service for each of the two holding modulars planned for installation.

Each modular is 250 gallons for a total of 500 gallons of wastewater to be pumped weekly.

Our current rate for this service weekly:
\$350.00

I look forward to hearing from you soon. Have a great evening and Happy New Year.

Corey Mendoza

Designer Portable Restrooms Trailer for Wineries, Event Venues, and Hospitality

Provide your guests with a taste of the Sea! The 8 Station Portable Restrooms Trailer Coastal Series is built to impress, with a 2-tone Gray and White Nautical interior and soft ambient lighting. Coordinating vanity countertops with an ornate Starlight Wave mosaic tile backsplash sets the tone for a fun and functional setting. This restroom trailer is completely self-contained, with a 200-gallon onboard fresh water tank and 750-gallon waste tank. A clean, fresh exterior greets each guest with heavy-duty fold-up aluminum steps and rails for easy access.

Your guests are sure to enjoy the comfort of a fully climate-controlled environment maintained by air conditioning and heat strips, as well as a 4 Season package for cooler temperatures. This 8 Station Portable Restrooms Trailer is also upgraded to include a water heater so your guests can enjoy a hot water hand wash.

Smarter Restrooms App - An interactive tool allowing portable restroom rentals fleet owners to monitor operational systems for their trailer(s) from any smartphone, tablet, or computer. You can easily maintain systems operations with the ability to monitor waste and fresh water tank levels, power, and interior climate control.

Financing available with deposit and approved credit.
