To whom it may concern,

This letter is meant to affirm that PWT Chemicals is the sole source of SpectraGuard™ 360. It is a proprietary product manufactured and sold by PWT Chemicals and its approved distributors. It is intended for use as an online antiscalant in membrane-based water treatment systems.

SpectraGuard™ 360 is a unique blend of components which offer superior protection against a wide variety of scale forming salts. Due to this unique formulation no alternative suppliers exist for this product. PWT Chemicals has over 20 years of experience providing water treatment chemicals ensuring stable and sustained performance of our customer's systems.

Sincerely,

Amit Sankhe
