10 1. Upon expiration or termination of this Supplemental Agreement, the
11 CITY shall transfer to the COUNTY any CDBG funds on hand at the time of expiration of the
12 Supplemental Agreement as well as any accounts receivable held by CITY which are attributable to the
13 use of CDBG funds awarded pursuant to this Supplemental Agreement.

14 2. Any real property under the CITY'S control that was acquired or improved
15 in whole or in part with CDBG funds (including CDBG funds provided to the CITY in the form of a
16 loan) in excess of \$25,000 is either:

17 (i) Used to meet one of the National Objectives pursuant to 24 CFR
18 570.208 until five years after expiration of this agreement, or for such longer period of time as determined
19 to be appropriate by the COUNTY; or

20 (ii) Not used in accordance with Clause (i) above, in which event the
21 CITY shall pay the COUNTY an amount equal to the current market value of the property less any
22 portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or
23 improvement to, the property.

24 21. PUBLICITY. Any publicity generated by CITY for the Projects funded pursuant to this
25 Supplemental Agreement will make reference to the contribution of the COUNTY, the Department of
26 Housing, and Workforce Solutions, and the Community Development Block Grant Program in making
27 the project possible.

28 22. PROGRAM MONITORING AND EVALUATION. CITY and its subcontractors shall
be monitored and evaluated in terms of its effectiveness and timely compliance with the provisions of

1 this Supplemental Agreement and the effective and efficient achievement of the CDBG National
2 Objectives as set forth in Exhibit(s)A, and B, attached hereto. Quarterly reports shall be due on the last
3 day of the month immediately following the end of the quarter being reported. The quarterly written
4 reports shall include, but shall not be limited to, the following data elements:

5 A. Title of program, listing of components, description of activities/operations.

6 B. The projected goals, indicated numerically, and also the goals achieved (for each
7 report period). In addition, identify by percentage and description, the progress achieved towards
8 meeting the specified goals and identify any problems encountered in meeting goals.

9 C. If the CDBG-funded activity meets a National Objective under 24 CFR 570.208
10 (a)(2)(i), CITY will report the following:

11 1) Total number of direct beneficiaries (clientele served) with household
12 incomes at:

- 13 • Above 80% MHI
- 14 • Between 50% and 80% MHI (Low-Income)
- 15 • Between 30% and 50% MHI (Very Low-Income)
- 16 • Less than 30% MHI (Extremely Low-Income)

17 2) Total number and percent (%) of the clientele served that have household
18 incomes at or below 80% MHI

19 3) Racial ethnicity of clientele

20 4) Number of Female-Headed Households

21 D. CITY shall report, in writing, and cause its subcontractors to report, in writing,
22 beneficiary statistics monthly to Housing and Workforce Solutions (HWS) on the pre-approved *Direct*
23 *Benefit Form* and *Self-Certification Form* (certifying income, family size, and racial ethnicity) as
24 required by HUD. Updated forms are to be provided to CITY by HWS should HUD implement changes
25 during the term of this Supplemental Agreement. CITY and subcontractors will collect and provide all
26 necessary data required by HUD pertaining to the Specific Outcome Indicators as identified in HUD's
27 Community Planning and Development (CPD) Outcome Performance Measurement System.

28 23. PRIOR AUTHORIZATION. CITY shall obtain COUNTY's written approval from
HWS prior to implementing the following "high risk" activities funded with CDBG assistance:

- A. Construction of public facilities (project plans and specifications);
- B. Acquisition of real property;
- C. Historic Preservation;
- D. Relocation; and
- F. Economic Development

24. PRIOR COUNTY APPROVAL (CONSTRUCTION ACTIVITIES). CITY shall obtain COUNTY's written approval, through its HWS, of the project plans, specifications, and construction documents prior to CITY'S construction of same for all projects consisting of CDBG-funded construction activities . The COUNTY neither undertakes nor assumes nor will have any responsibility or duty to CITY or to any third party to review, inspect, supervise, pass judgment upon or inform CITY or any third party of any matter in connection with the development or construction of the improvements, whether regarding the quality, adequacy or suitability of the plans, any labor, service, equipment or material furnished to the property, any person furnishing the same, or otherwise. CITY and all third parties shall rely upon its or their own judgment regarding such matters, and any review, inspection, supervision, exercise of judgment or information supplied to CITY or to any third party by the COUNTY in connection with such matter is for the public purpose of assisting with a community development and housing activity pursuant to the Act, and neither CITY (except for the purposes set forth in this Agreement) nor any third party is entitled to rely thereon. The COUNTY shall not be responsible for any of the work of construction, improvement, or development of the property.

It is the responsibility of CITY, without cost to COUNTY, to ensure that all applicable local jurisdiction land use requirements will permit development of the property and construction of the improvements and the use, operation, and maintenance of such Improvements in accordance with the provisions of this Agreement. Nothing contained herein shall be deemed to entitle Sponsor to any local jurisdiction or County permit or other local jurisdiction or County approval necessary for the development of the Property, or waive any applicable local jurisdiction or County requirements relating thereto. This Agreement does not (a) grant any land use entitlement to CITY, (b) supersede, nullify, or amend any condition which may be imposed by the local jurisdiction in connection with approval of the development described herein, (c) guarantee to CITY or any other party any profits

1 from the development of the Property, or (d) amend any local jurisdiction or County laws, codes or
2 rules.

3 25. PRIOR COUNTY APPROVAL (AQUISITION ACTIVITIES). CITY shall obtain
4 COUNTY's written approval and authorization to proceed, through HWS, of all CDBG-funded real
5 property acquisition activities.

6 26. REAL PROPERTY ACQUIRED OR PUBLIC FACILITY CONSTRUCTED WITH
7 CDBG FUNDS. When CDBG funds are used, in whole or in part, by CITY to acquire real property or
8 to construct a public facility, CITY will comply with the Uniform Administrative Requirements, Cost
9 Principles, and Audit Requirements for Federal Awards (2 CFR Section 200.311); National
10 Environmental Policy Act of 1969 (42 U.S.C.A. §4321, et seq.); the California Environmental Quality
11 Act (Cal. Pub. Resources Code §21000, et seq.); the Uniform Relocation Assistance and Real Property
12 Acquisition Policies Act of 1970, as amended (42 U.S.C.A. §4630, et seq.); and the COUNTY's Five
13 Year Consolidated Plan. In addition, the following is to occur:

14 a. Title to the real property shall vest in CITY;

15 b. The real property will be held by CITY, or the constructed facility will be
16 maintained by the CITY, for a minimum period of five (5) years from the date the CDBG-funded
17 activity is closed-out and reported as complete by the COUNTY through the Comprehensive Annual
18 Performance and Evaluation Report (CAPER);

19 c. While held by CITY, the real property or the constructed facility is to be used
20 exclusively for the purposes for which acquisition or construction was originally approved by
21 COUNTY;

22 d. Written approval from COUNTY must be secured if the property or the facility is
23 to be put to an alternate use that is consistent with the COUNTY'S Five Year Consolidated Plan or the
24 applicable federal regulations governing CDBG funds;

25 e. Should CITY desire to use the real property or the constructed facility, prior to
26 the completion of the mandatory five-year period, for a purpose not consistent with applicable federal
27 regulations governing CDBG funds or to sell the real property or facility, then:
28

1 (1) If CITY desires to retain title, CITY will reimburse COUNTY the amount
2 that represents the percentage of current fair market value that is identical to the percentage that CDBG
3 funds initially comprised of monies paid to acquire the property or construct the facility; or

4 (2) If CITY sells the property or facility or is required to sell the property or
5 facility, CITY shall reimburse COUNTY the amount that represents the percentage of proceeds
6 realized by the sale that is identical to the percentage that CDBG funds initially comprised of monies
7 paid to acquire the property or construct the facility. This percentage amount will be calculated after
8 deducting all actual and reasonable cost of sale from the sale proceeds.

9 27. ENTIRE AGREEMENT. This Supplemental Agreement, including any attachments or
10 exhibits hereto constitutes the entire Supplemental Agreement of the parties with respect to its subject
11 matter and supersedes all prior and contemporaneous representations, proposals, discussions and
12 communications, whether oral or in writing. No oral understanding or agreement not incorporated herein
13 shall be binding on any of the parties hereto. Each of the attachments and exhibits attached hereto is
14 incorporated herein by this reference.

15 28. SEVERABILITY. Each section, paragraph and provision of this Supplemental
16 Agreement is severable from each other provision, and if any provision or part thereof is declared invalid,
17 the remaining provisions shall remain in full force and effect.

18 29. EMPLOYMENT OPPORTUNITIES TO BE CAUSED BY PROJECT. CITY agrees to
19 notify in writing, and to cause any subcontractor implementing CDBG-funded Projects to notify, in
20 writing, the Riverside County Workforce Development Center of any and all job openings that are caused
21 by the CDBG-funded Projects under this Supplemental Agreement.

22 30. MINISTERIAL ACTS. The Director of Housing and Workforce Solutions or designee(s)
23 are authorized to take such ministerial actions as may be necessary or appropriate to implement the terms,
24 provisions, and conditions of this Supplemental Agreement as it may be amended from time-to-time by
25 COUNTY.

26 31. PROJECT ELIGIBILITY. As to CITY or its claimants, COUNTY shall bear no liability
27 for any later determination by the United States Government, the U.S. Department of Housing and Urban
28 Development, or any other person or entity that CITY is or is not eligible under 24 CFR Part 570 to

1 receive CDBG entitlement funds from the COUNTY.

2 32. SOURCE OF FUNDING. CITY acknowledges that the source of funding pursuant to this
3 Supplemental Agreement is Community Development Block Grant funds (CFDA 14.218), and the Grant
4 Award Number is B-23-UC-06-0506.

5 33. ASSIGNMENT. The CITY shall not make any assignment or transfer in any form with
6 respect to this Supplemental Agreement, without prior written approval of the COUNTY.

7 34. INTERPRETATION AND GOVERNING LAW. This Supplemental Agreement and any
8 dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State
9 of California. This Supplemental Agreement shall be construed as a whole according to its fair language
10 and common meaning to achieve the objectives and purposes of the parties hereto, and the rule of
11 construction to the effect that ambiguities are to be resolved against the drafting party shall not be
12 employed in interpreting this Supplemental Agreement, all parties having been represented by counsel
13 in the negotiation and preparation hereof.

14 35. WAIVER. Failure by a party to insist upon the strict performance of any of the
15 provisions of this Supplemental Agreement by the other party, or the failure by a party to exercise its
16 rights upon the default of the other party, shall not constitute a waiver of such party's rights to insist and
17 demand strict compliance by the other party with the terms of this Supplemental Agreement thereafter.

18 36. JURISDICTION AND VENUE: Any action at law or in equity arising under this
19 Supplemental Agreement or brought by a party hereto for the purpose of enforcing, construing or
20 determining the validity of any provision of this Supplemental Agreement shall be filed only in the
21 Superior Court of the State of California, located in Riverside, California, and the parties hereto waive
22 all provisions of law providing for the filing, removal or change of venue to any other court or jurisdiction

23 37. USE OF PROPERTY. Whenever federal CDBG funds or program income are used, in
24 whole or in part, for the purchase of equipment or personal property, the property shall not be transferred
25 from its originally funded use, by CITY or the CITY'S subcontractor implementing the CDBG-funded
26 activity, for a period of five (5) years from the close-out date of the grant from which CDBG assistance
27 was provided. The CITY shall maintain a current inventory for COUNTY monitoring and review.

28 38. AUTHORITY TO EXECUTE. The persons executing this Supplemental Agreement or
exhibits attached hereto on behalf of the parties to this Supplemental Agreement hereby warrant and

1 represent that they have the authority to execute this Supplemental Agreement and warrant and represent
2 that they have the authority to bind the respective parties to this Supplemental Agreement to the
3 performance of its obligations hereunder.

4 39. EFFECTIVE DATE. The effective date of this Supplemental Agreement is the date the
5 parties sign the Supplemental Agreement. If the parties sign the Supplemental Agreement on more than
6 one date, then the last date the Supplemental Agreement is signed by a party shall be the effective date.

7 40. COUNTERPARTS. This Supplemental Agreement may be signed by the different
8 parties hereto in counterparts, each of which shall be an original but all of which together shall constitute
9 one and the same agreement.

10 41. FORCE MAJEURE.

11 A. Performance by either party hereunder shall not be deemed to be in default where
12 delays or defaults are due to war, insurrection, strikes, lock-outs, riots, floods, earthquakes, fires,
13 casualties, acts of God, acts of the public enemy, epidemics, pandemic, quarantine restrictions, freight
14 embargoes, lack of transportation, governmental restrictions or priority, litigation, unusually severe
15 weather, inability to secure necessary labor, material or tools, delays of any contractor, sub-contractor
16 or supplier, acts of the other party, acts or failure to act of a public or governmental agency or entity, or
17 any causes beyond the control or without the fault of the party claiming an extension of time to perform.

18 B. An extension of time for any such cause (a "Force Majeure Delay") shall be for
19 the period of the enforced delay and shall commence to run from the time of the commencement of the
20 cause, if notice by the party claiming such extension is sent to the other party within thirty (30) calendar
21 days of knowledge of the commencement of the cause. Notwithstanding the foregoing, none of the
22 foregoing events shall constitute a Force Majeure Delay unless and until the party claiming such delay
23 and interference delivers to the other party written notice describing the event, its cause, when and how
24 such party obtained knowledge, the date the event commenced, and the estimated delay resulting
25 therefrom. Any party claiming a Force Majeure Delay shall deliver such written notice within thirty (30)
26 calendar days after it obtains knowledge of the event.

27 42. MODIFICATION OF AGREEMENT. This Supplemental Agreement may be modified
28 or amended only by a writing signed by the duly authorized and empowered representative of COUNTY
and CITY respectively.

EXHIBIT "R"

24 C.F.R. § 5.109

**Equal participation of faith-based organizations in
HUD programs and activities.**

Effective: May 4, 2016

(a) Purpose.

Consistent with [Executive Order 13279](#) (issued on December 12, 2002, [67 FR 77141](#)), entitled “Equal Protection of the Laws for Faith-Based and Community Organizations,” as amended by [Executive Order 13559](#) (issued on November 17, 2010, [75 FR 71319](#)), entitled “Fundamental Principles and Policymaking Criteria for Partnerships With Faith-Based and Other Neighborhood Organizations,” and further amended by Executive Order 13831 (issued on May 3, 2018, 83 FR 20715) entitled “Establishment of a White House Faith and Opportunity Initiative,” this section describes requirements for ensuring the equal participation of faith-based organizations in HUD programs and activities. These requirements apply to all HUD programs and activities, including all of HUD’s Native American Programs, except as may be otherwise noted in the respective program regulations in title 24 of the Code of Federal Regulations (CFR), or unless inconsistent with certain HUD program authorizing statutes.

b) Definitions. The following definitions apply to this section:

Direct Federal financial assistance means Federal financial assistance provided when a Federal Government agency or an intermediary, as defined in this section, selects the provider and either purchases services from that provider (i.e., via a contract) or awards funds to that provider to carry out an activity (e.g., via grant, sub-grant, sub-award, or cooperative agreement). The recipients of sub-grants or sub-awards that receive Federal financial assistance through State-administered programs (e.g., flow-through programs) are considered recipients of direct Federal financial assistance. In general, Federal financial assistance shall be treated as direct, unless it meets the definition of indirect Federal financial assistance.

Federal financial assistance means assistance that non-Federal entities receive or administer in the forms of grants, contracts, loans, loan guarantees, property, cooperative agreements, food commodities, direct appropriations, or other assistance, but does not include a tax credit, deduction, or exemption.

Indirect Federal financial assistance means Federal financial assistance provided when the choice of the provider is placed in the hands of the beneficiary, and the cost of that service is paid through a voucher, certificate, or other similar means of Government-funded payment. Federal financial assistance provided to an organization is considered indirect when the Government program through which the beneficiary receives the voucher, certificate, or other similar means of Government-funded payment is neutral toward religion meaning that it is [available](#) to providers without regard to the religious or non-religious nature of the institution and there are no program incentives that deliberately skew for or against religious or secular providers; and the organization receives the assistance as a result of a genuine, independent choice of the beneficiary.

Intermediary means an entity, including a nongovernmental organization, acting under a contract, grant, or other agreement with the Federal Government or with a State, tribal or local government that accepts Federal financial assistance and distributes that assistance to other entities that, in turn, carry out activities under HUD programs.

(c) Equal participation of faith-based organizations in HUD programs and activities.

1 Faith-based organizations are eligible, on the same basis as any other organization, to participate in any HUD
2 program or activity, considering any permissible accommodations, particularly under the Religious Freedom
3 Restoration Act. Neither the Federal Government, nor a State, tribal or local government, nor any other entity that
4 administers any HUD program or activity, shall discriminate against an organization on the basis of the
5 organization's religious character, affiliation, or lack thereof, or on the basis of the organization's religious
6 exercise. For purposes of this part, to discriminate against an organization on the basis of the organization's
7 religious exercise means to disfavor an organization, including by failing to select an organization, disqualifying
8 an organization, or imposing any condition or selection criterion that otherwise disfavors or penalizes an
9 organization in the selection process or has such an effect:

- 6 (1) Because of conduct that would not be considered grounds to disfavor a secular organization;
7 (2) Because of conduct that must or could be granted an appropriate accommodation in a manner consistent with
8 RFRA ([42 U.S.C. 2000bb](#) through [2000bb-4](#)) or the Religion Clauses of the [First Amendment](#) to the Constitution;
9 or
10 (3) Because of the actual or suspected religious motivation of the organization's religious exercise.
11 (4) In addition, decisions about awards of [Federal financial assistance](#) must be free from political interference or
12 even the appearance of such interference and must be made on the basis of merit, not based on the organization's
13 religious character, affiliation, or lack thereof, or based on the organization's religious exercise. Notices of funding
14 availability, grant agreements, and cooperative agreements shall include language substantially similar to that in
15 appendix A to this subpart, where faith-based organizations are eligible for such opportunities.

12 (d) Independence and identity of faith-based organizations.

13 (1) A faith-based organization that applies for, or participates in, a HUD program or activity supported with
14 Federal financial assistance retains its autonomy, right of expression, religious character, authority over its
15 governance, and independence, and may continue to carry out its mission, including the definition, development,
16 practice, and expression of its religious beliefs. A faith-based organization that receives Federal financial
17 assistance from HUD does not lose the protections of law.

17 (2) A faith-based organization that receives direct Federal financial assistance may use space (including a
18 sanctuary, chapel, prayer hall, or other space) in its facilities (including a temple, synagogue, church, mosque, or
19 other place of worship) to carry out activities under a HUD program without concealing, altering, or removing
20 religious art, icons, scriptures, or other religious symbols. In addition, a faith-based organization participating in
21 a HUD program or activity retains its authority over its internal governance, and may retain religious terms in its
22 organization's name, select its board members and employees on the basis of their acceptance of or adherence to
23 the religious tenets of the organization consistent with paragraph (i) of this section), and include religious
24 references in its organization's mission statements and other governing documents.

22 (e) Explicitly religious activities.

23 If an organization engages in explicitly religious activities (including activities that involve overt religious content
24 such as worship, religious instruction, or proselytization), the explicitly religious activities must be offered
25 separately, in time or location, from the programs or activities supported by direct Federal financial assistance and
26 participation must be voluntary for the beneficiaries of the programs or activities that receive direct Federal
27 financial assistance. The use of indirect Federal financial assistance is not subject to this restriction. Nothing in
28 this part restricts HUD's authority under applicable Federal law to fund activities, that can be directly funded by
the Government consistent with the Establishment Clause of the U.S. Constitution.

(f) Intermediary responsibilities to ensure equal participation of faith-based organizations in HUD programs.

If an intermediary - acting under a contract, grant, or other agreement with the Federal Government or with a
State, tribal or local government that is administering a program supported by Federal financial assistance - is

1 given the authority to select a nongovernmental organization to receive Federal financial assistance under a
2 contract, grant, sub-grant, sub-award, or cooperative agreement, the intermediary must ensure that such
3 organization complies with the requirements of this section. If the intermediary is a nongovernmental
4 organization, it retains all other rights of a nongovernmental organization under the program's statutory and
5 regulatory provisions.

6 (g) Nondiscrimination requirements.

7 Any organization that receives [Federal financial assistance](#) under a [HUD](#) program or activity shall not, in
8 providing services with such assistance or carrying out activities with such assistance, discriminate against a
9 beneficiary or prospective beneficiary on the basis of religion, religious belief, a refusal to hold a religious
10 belief, or a refusal to attend or participate in a religious practice. However, an organization that participates in a
11 program funded by indirect Federal financial assistance need not modify its program or activities to
12 accommodate a beneficiary who chooses to expend the indirect aid on the organization's program and may
13 require attendance at all activities that are fundamental to the program.

14 (h) No additional assurances from faith-based organizations.

15 A faith-based organization is not rendered ineligible by its religious nature to access and participate
16 in [HUD](#) programs. Absent regulatory or statutory authority, no notice of funding availability, grant agreement,
17 cooperative agreement, covenant, memorandum of understanding, policy, or regulation that is used by [HUD](#) or a
18 recipient or [intermediary](#) in administering [Federal financial assistance](#) from [HUD](#) shall require otherwise eligible
19 faith-based organizations to provide assurances or notices where they are not required of similarly situated secular
20 organizations. All organizations that participate in [HUD](#) programs or activities, including organizations with
21 religious character or affiliations, must carry out eligible activities in accordance with all program requirements,
22 subject to any required or appropriate accommodation, particularly under the Religious Freedom Restoration [Act](#),
23 and other applicable requirements governing the conduct of [HUD](#)-funded activities, including those prohibiting
24 the use of direct financial assistance to engage in explicitly religious activities. No notice of funding availability,
25 grant agreement, cooperative agreement, covenant, memorandum of understanding, policy, or regulation that is
26 used by [HUD](#) or a recipient or [intermediary](#) in administering financial assistance from [HUD](#) shall disqualify
27 otherwise eligible faith-based organizations from participating in [HUD](#)'s programs or activities because such
28 organization is motivated or influenced by religious faith to provide such programs and activities, or because of
its religious character or affiliation, or on grounds that discriminate against an organization on the basis of the
organization's religious exercise, as defined in this part.

(i) Exemption from Title VII employment discrimination requirements.

A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of
religion, set forth in section 702(a) of the Civil Rights Act of 1964 ([42 U.S.C. 2000e-1](#)), is not forfeited when the
organization participates in a HUD program. Some HUD programs, however, contain independent statutory
provisions that impose certain nondiscrimination requirements on all grantees. Accordingly, grantees should
consult with the appropriate HUD program office to determine the scope of applicable requirements.

(j) Acquisition, construction, and rehabilitation of structures.

Direct Federal financial assistance may be used for the acquisition, construction, or rehabilitation of structures
only to the extent that those structures are used for conducting eligible activities under a HUD program or activity.
Where a structure is used for both eligible and explicitly religious activities (including activities that involve overt
religious content such as worship, religious instruction, or proselytization), direct Federal financial assistance may
not exceed the cost of the share of acquisition, construction, or rehabilitation attributable to eligible activities in
accordance with the cost accounting requirements applicable to the HUD program or activity. However,

1 acquisition, construction, or rehabilitation of sanctuaries, chapels, or other rooms that a HUD-funded faith-based
2 organization uses as its principal place of worship, may not be paid with direct Federal financial assistance.
3 Disposition of real property by a faith-based organization after its use for an authorized purpose, or any change in
4 use of the property from an authorized purpose, is subject to Government-wide regulations governing real property
5 disposition (2 CFR part 200, subpart D) and the HUD program regulations, as directed by HUD.

6 (k) Commingling of Federal and State, tribal, and local funds.

7 If a State, tribal, or local government voluntarily contributes its own funds to supplement direct Federal financial
8 assistance for an activity, the State, tribal or local government has the option to segregate those funds or
9 commingle them with the direct Federal financial assistance. However, if the funds are commingled, the
10 requirements of this section apply to all of the commingled funds. Further, if a State, tribal, or local government
11 is required to contribute matching funds to supplement direct Federal financial assistance for an activity, the
12 matching funds are considered commingled with the direct Federal financial assistance and, therefore, subject to
13 the requirements of this section. Some HUD programs' requirements govern any activity assisted under those
14 programs. Accordingly, recipients should consult with the appropriate HUD program office to determine the scope
15 of applicable requirements.

16 (l) Tax exempt organizations.

17 In general, [HUD](#) does not require that a recipient, including a faith-based organization, obtain tax-exempt status
18 under section 501(c)(3) of the [Internal Revenue Code](#) to be eligible for funding under [HUD](#) programs. Many grant
19 programs, however, do require an organization to be a nonprofit organization in order to be eligible for funding.
20 Notices of funding availability that require organizations to have nonprofit status will specifically so indicate in
21 the eligibility section of the notice of funding availability. In addition, if any notice of funding availability requires
22 an organization to maintain tax-exempt status, it will expressly [state](#) the statutory authority for requiring such
23 status. [Applicants](#) should consult with the appropriate [HUD](#) program office to determine the scope of any
24 applicable requirements. In [HUD](#) programs in which an [applicant](#) must show that it is a nonprofit organization but
25 this is not statutorily defined, the [applicant](#) may do so by any of the following means:

26 (1) Proof that the Internal Revenue Service currently recognizes the [applicant](#) as an organization to which
27 contributions are tax deductible under section 501(c)(3) of the [Internal Revenue Code](#);

28 (2) A statement from a [State](#) or other governmental taxing body or the [State secretary](#) of [State](#) certifying that -

(i) The organization is a nonprofit organization operating within the [State](#); and

(ii) No part of its net earnings may benefit any private shareholder or individual;

(3) A certified copy of the [applicant](#)'s certificate of incorporation or similar document that clearly establishes the
nonprofit status of the [applicant](#);

(4) Any item described in paragraphs (1)(1) through (3) of this section, if that item applies to a State of national
parents organization, together with a statement by the State of parent organization that the applicant is a local
nonprofit affiliate; or

(5) For an entity that holds a sincerely held religious belief that it cannot apply for a determination as an entity
that is tax-exempt under section 501(c)(3) of the Internal Revenue Code, evidence sufficient to establish that the
entity would otherwise qualify as a nonprofit organization under paragraphs (1)(1) through (4) of this section.

(m) Rule of construction.

Neither [HUD](#) nor any recipient or other [intermediary](#) receiving funds under any [HUD](#) program or activity shall
construe these provisions in such a way as to advantage or disadvantage faith-based organizations [affiliated](#) with
historic or well-established religions or sects in comparison with other religions or sects.

**Economic Opportunities for Low- and Very Low-Income Persons
CONTRACT REQUIREMENTS
24 CFR Part 75**

RIVERSIDE COUNTY

Section 75.1 Purpose

This part establishes the requirements to be followed to ensure the objectives of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Section 3) are met. The purpose of Section 3 is to ensure that economic opportunities, most importantly employment, generated by certain HUD financial assistance shall be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing or residents of the community in which the Federal assistance is spent.

Section 75.3 Applicability

(a) General applicability. Section 3 applies to public housing financial assistance and Section 3 projects, as follows:

(1) Public housing financial assistance. Public housing financial assistance means:

(i) Development assistance provided pursuant to section 5 of the United States Housing Act of 1937 (the 1937 Act);

(ii) Operations and management assistance provided pursuant to section 9(e) of the 1937 Act;

(iii) Development, modernization, and management assistance provided pursuant to section 9(d) of the 1937 Act; and

(iv) The entirety of a mixed-finance development project as described in 24 CFR 905.604, regardless of whether the project is fully or partially assisted with public housing financial assistance as defined in paragraphs (a)(1)(i) through (iii) of this section.

(2) Section 3 projects. (i) Section 3 projects means housing rehabilitation, housing construction, and other public construction projects assisted under HUD programs that provide housing and community development financial assistance when the total amount of assistance to the project exceeds a threshold of \$200,000. The threshold is \$100,000 where the assistance is from the Lead Hazard Control and Healthy Homes programs, as authorized by Sections 501 or 502 of the Housing and Urban Development Act of 1970 (12 U.S.C. 1701z-1 or 1701z-2), the Lead-Based Paint Poisoning Prevention Act (42 U.S.C 4801 et seq.); and the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851 et seq.). The project is the site or sites together with any building(s) and improvements located on the site(s) that are under common ownership, management, and financing.

1 (ii) The Secretary must update the thresholds provided in paragraph (a)(2)(i) of this section not
2 less than once every 5 years based on a national construction cost inflation factor through Federal
3 Register notice not subject to public comment. When the Secretary finds it is warranted to ensure
4 compliance with Section 3, the Secretary may adjust, regardless of the national construction cost
5 factor, such thresholds through Federal Register notice, subject to public comment.

6 (iii) The requirements in this part apply to an entire Section 3 project, regardless of whether the
7 project is fully or partially assisted under HUD programs that provide housing and community
8 development financial assistance.

9 (b) Contracts for materials. Section 3 requirements do not apply to material supply contracts.

10 (c) Indian and Tribal preferences. Contracts, subcontracts, grants, or subgrants subject to Section
11 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5307(b)) or
12 subject to tribal preference requirements as authorized under 101(k) of the Native American
13 Housing Assistance and Self-Determination Act (25 U.S.C. 4111(k)) must provide preferences
14 in employment, training, and business opportunities to Indians and Indian organizations, and are
15 therefore not subject to the requirements of this part.

16 (d) Other HUD assistance and other Federal assistance. Recipients that are not subject to Section
17 3 are encouraged to consider ways to support the purpose of Section 3.

27 (a) *Employment and training.* (1) To the greatest extent feasible, and consistent with existing
28 Federal, state, and local laws and regulations, recipients covered by this subpart shall ensure that
employment and training opportunities arising in connection with Section 3 projects are provided to
Section 3 workers within the metropolitan area (or nonmetropolitan county) in which the project is
located.

(2) Where feasible, priority for opportunities and training described in paragraph (a)(1) of this
section should be given to:

1 (i) Section 3 workers residing within the service area or the neighborhood of the project, and

2 (ii) Participants in YouthBuild programs.

3 (b) *Contracting.* (1) To the greatest extent feasible, and consistent with existing Federal, state, and
4 local laws and regulations, recipients covered by this subpart shall ensure contracts for work awarded
5 in connection with Section 3 projects are provided to business concerns that provide economic
6 opportunities to Section 3 workers residing within the metropolitan area (or nonmetropolitan county)
7 in which the project is located.

8 (2) Where feasible, priority for contracting opportunities described in paragraph (b)(1) of this
9 section should be given to:

10 (i) Section 3 business concerns that provide economic opportunities to Section 3 workers residing
11 within the service area or the neighborhood of the project, and

12 (ii) YouthBuild programs.

13 **§75.21 Targeted Section 3 worker for housing and community development financial assistance.**

14 (a) *Targeted Section 3 worker.* A Targeted Section 3 worker for housing and community
15 development financial assistance means a Section 3 worker who is:

16 (1) A worker employed by a Section 3 business concern; or

17 (2) A worker who currently fits or when hired fit at least one of the following categories, as

20 (ii) A YouthBuild participant.

21 (b) [Reserved]

22 **§75.23 Section 3 safe harbor.**

23 (a) *General.* Recipients will be considered to have complied with requirements in this part, in the
24 absence of evidence to the contrary if they:

25 (1) Certify that they have followed the prioritization of effort in §75.19; and

26 (2) Meet or exceed the applicable Section 3 benchmark as described in paragraph (b) of this
27 section.

28 (b) *Establishing benchmarks.* (1) HUD will establish Section 3 benchmarks for Section 3 workers
or Targeted Section 3 workers or both through a document published in the FEDERAL REGISTER. HUD
may establish a single nationwide benchmark for Section 3 workers and a single nationwide

1 benchmark for Targeted Section 3 workers, or may establish multiple benchmarks based on geography,
2 the nature of the Section 3 project, or other variables. HUD will update the benchmarks through a
3 document published in the FEDERAL REGISTER, subject to public comment, not less frequently than
4 once every 3 years. Such notice shall include aggregate data on labor hours and the proportion of
recipients meeting benchmarks, as well as other metrics reported pursuant to §75.25 as deemed
appropriate by HUD, for the 3 most recent reporting years.

5 (2) In establishing the Section 3 benchmarks, HUD may consider the industry averages for labor
6 hours worked by specific categories of workers or in different localities or regions; averages for labor
7 hours worked by Section 3 workers and Targeted Section 3 workers as reported by recipients pursuant
8 to this section; and any other factors HUD deems important. In establishing the Section 3 benchmarks,
HUD will exclude professional services from the total number of labor hours as such hours are
excluded from the total number of labor hours to be reported per §75.25(a)(4).

9 (3) Section 3 benchmarks will consist of the following two ratios:

10 (i) The number of labor hours worked by Section 3 workers divided by the total number of labor
11 hours worked by all workers on a Section 3 project in the recipient's program year.

12 (ii) The number of labor hours worked by Targeted Section 3 workers as defined in §75.21(a),
13 divided by the total number of labor hours worked by all workers on a Section 3 project in the
14 recipient's program year.

15 **§75.25 Reporting.**

16 (a) *Reporting of labor hours.* (1) For Section 3 projects, recipients must report in a manner
17 prescribed by HUD:

18 (i) The total number of labor hours worked;

19 (ii) The total number of labor hours worked by Section 3 workers; and

20 (iii) The total number of labor hours worked by Targeted Section 3 workers.

21 (2) Section 3 workers' and Targeted Section 3 workers' labor hours may be counted for five years
22 from when their status as a Section 3 worker or Targeted Section 3 worker is established pursuant to
23 §75.31.

24 (3) The labor hours reported under paragraph (a)(1) of this section must include the total number
25 of labor hours worked on a Section 3 project, including labor hours worked by any subrecipients,
26 contractors and subcontractors that the recipient is required, or elects pursuant to paragraph (a)(4) of
this section, to report.

27 (4) Recipients reporting under this section, as well as subrecipients, contractors and
28 subcontractors who report to recipients, may report labor hours by Section 3 workers, under paragraph
(a)(1)(ii) of this section, and labor hours by Targeted Section 3 workers, under paragraph (a)(1)(iii) of
this section, from professional services without including labor hours from professional services in the

1 total number of labor hours worked under paragraph (a)(1)(i) of this section. If a contract covers both
2 professional services and other work and the recipient or contractor or subcontractor chooses not to
3 report labor hours from professional services, the labor hours under the contract that are not from
4 professional services must still be reported.

5 (5) Recipients may report their own labor hours or that of a subrecipient, contractor, or
6 subcontractor based on the employer's good faith assessment of the labor hours of a full-time or part-
7 time employee informed by the employer's existing salary or time and attendance based payroll
8 systems, unless the project or activity is otherwise subject to requirements specifying time and
9 attendance reporting.

10 (b) *Additional reporting if Section 3 benchmarks are not met.* If the recipient's reporting under
11 paragraph (a) of this section indicates that the recipient has not met the Section 3 benchmarks
12 described in §75.23, the recipient must report in a form prescribed by HUD on the qualitative nature of
13 its activities and those its contractors and subcontractors pursued. Such qualitative efforts may, for
14 example, include but are not limited to the following:

15 (1) Engaged in outreach efforts to generate job applicants who are Targeted Section 3 workers.

16 (2) Provided training or apprenticeship opportunities.

17 (3) Provided technical assistance to help Section 3 workers compete for jobs (*e.g.*, resume
18 assistance, coaching).

19 (4) Provided or connected Section 3 workers with assistance in seeking employment including:
20 drafting resumes, preparing for interviews, and finding job opportunities connecting residents to job
21 placement services.

22 (5) Held one or more job fairs.

23 (6) Provided or referred Section 3 workers to services supporting work readiness and retention
24 (*e.g.*, work readiness activities, interview clothing, test fees, transportation, child care).

25 (7) Provided assistance to apply for/or attend community college, a four-year educational
26 institution, or vocational/technical training.

27 (8) Assisted Section 3 workers to obtain financial literacy training and/or coaching.

28 (9) Engaged in outreach efforts to identify and secure bids from Section 3 business concerns.

(10) Provided technical assistance to help Section 3 business concerns understand and bid on
contracts.

(11) Divided contracts into smaller jobs to facilitate participation by Section 3 business concerns.

(12) Provided bonding assistance, guaranties, or other efforts to support viable bids from Section
3 business concerns.

1 (13) Promoted use of business registries designed to create opportunities for disadvantaged and
2 small businesses.

3 (14) Outreach, engagement, or referrals with the state one-stop system as defined in Section
4 121(e)(2) of the Workforce Innovation and Opportunity Act.

5 (c) *Reporting frequency.* Unless otherwise provided, recipients must report annually to HUD
6 under paragraph (a) of this section, and, where required, under paragraph (b) of this section, on all
7 projects completed within the reporting year in a manner consistent with reporting requirements for the
8 applicable HUD program.

9 **§75.27 Contract provisions.**

10 (a) Recipients must include language applying Section 3 requirements in any subrecipient
11 agreement or contract for a Section 3 project.

12 (b) Recipients of Section 3 funding must require subrecipients, contractors, and subcontractors to
13 meet the requirements of §75.19, regardless of whether Section 3 language is included in recipient or
14 subrecipient agreements, program regulatory agreements, or contracts.

15 **Subpart D—Provisions for Multiple Funding Sources, Recordkeeping, and 16 Compliance**

17 **§75.29 Multiple funding sources.**

18 (a) If a housing rehabilitation, housing construction or other public construction project is subject
19 to Section 3 pursuant to §75.3(a)(1) and (2), the recipient must follow subpart B of this part for the
20 public housing financial assistance and may follow either subpart B or C of this part for the housing
21 and community development financial assistance. For such a project, the following applies:

22 (1) For housing and community development financial assistance, a Targeted Section 3 worker is
23 any worker who meets the definition of a Targeted Section 3 worker in either subpart B or C of this
24 part; and

25 (2) The recipients of both sources of funding shall report on the housing rehabilitation, housing
26 construction, or other public construction project as a whole and shall identify the multiple associated
27 recipients. PHAs and other recipients must report the following information:

28 (i) The total number of labor hours worked on the project;

(ii) The total number of labor hours worked by Section 3 workers on the project; and

(iii) The total number of labor hours worked by Targeted Section 3 workers on the project.

(b) If a housing rehabilitation, housing construction, or other public construction project is subject
to Section 3 because the project is assisted with funding from multiple sources of housing and
community development assistance that exceed the thresholds in §75.3(a)(2), the recipient or recipients

1 must follow subpart C of this part, and must report to the applicable HUD program office, as
2 prescribed by HUD.

3 **§75.31 Recordkeeping.**

4 (a) HUD shall have access to all records, reports, and other documents or items of the recipient
5 that are maintained to demonstrate compliance with the requirements of this part, or that are
6 maintained in accordance with the regulations governing the specific HUD program by which the
7 Section 3 project is governed, or the public housing financial assistance is provided or otherwise made
8 available to the recipient, subrecipient, contractor, or subcontractor.

9 (b) Recipients must maintain documentation, or ensure that a subrecipient, contractor, or
10 subcontractor that employs the worker maintains documentation, to ensure that workers meet the
11 definition of a Section 3 worker or Targeted Section 3 worker, at the time of hire or the first reporting
12 period, as follows:

13 (1) For a worker to qualify as a Section 3 worker, one of the following must be maintained:

14 (i) A worker's self-certification that their income is below the income limit from the prior calendar
15 year;

18 (iii) Certification from a PHA, or the owner or property manager of project-based Section 8-
19 assisted housing, or the administrator of tenant-based Section 8-assisted housing that the worker is a
20 participant in one of their programs;

21 (iv) An employer's certification that the worker's income from that employer is below the income
22 limit when based on an employer's calculation of what the worker's wage rate would translate to if
23 annualized on a full-time basis; or

24 (v) An employer's certification that the worker is employed by a Section 3 business concern.

25 (2) For a worker to qualify as a Targeted Section 3 worker, one of the following must be
26 maintained:

28 (A) A worker's self-certification of participation in public housing or Section 8-assisted housing

assisted housing, or the administrator of tenant-based Section 8-assisted housing that the worker is a
participant in one of their programs;

(C) An employer's certification that the worker is employed by a Section 3 business concern; or

1 (D) A worker's certification that the worker is a YouthBuild participant.

2 (ii) For a worker to qualify as a Targeted Section 3 worker under subpart C of this part:

3 (A) An employer's confirmation that a worker's residence is within one mile of the work site or, if
4 fewer than 5,000 people live within one mile of a work site, within a circle centered on the work site
5 that is sufficient to encompass a population of 5,000 people according to the most recent U.S. Census;

6 (B) An employer's certification that the worker is employed by a Section 3 business concern; or

7 (C) A worker's self-certification that the worker is a YouthBuild participant.

8 (c) The documentation described in paragraph (b) of this section must be maintained for the time
9 period required for record retentions in accordance with applicable program regulations or, in the
10 absence of applicable program regulations, in accordance with 2 CFR part 200.

11 (d) A PHA or recipient may report on Section 3 workers and Targeted Section 3 workers for five
12 years from when their certification as a Section 3 worker or Targeted Section 3 worker is established.

12 **§75.33 Compliance.**

13 (a) *Records of compliance.* Each recipient shall maintain adequate records demonstrating
14 compliance with this part, consistent with other recordkeeping requirements in 2 CFR part 200.

15 (b) *Complaints.* Complaints alleging failure of compliance with this part may be reported to the
16 HUD program office responsible for the public housing financial assistance or the Section 3 project, or
