AND MEDICAL EMERGENCY SERVICES FOR THE CITY OF BEAUMONT**

THIS AGREEMENT (“Agreement”), made and entered into this ____ day of _____, 2024, by and between the County of Riverside, a political subdivision of the State of California, on behalf of the Fire Department (hereinafter referred to as “COUNTY”) and the City of Beaumont, a municipal corporation (hereinafter referred to as “CITY”), whereby it is agreed as follows:

SECTION I: PURPOSE

The purpose of this Agreement is to arrange for COUNTY, through its Cooperative Fire Programs Fire Protection Reimbursement Agreement (“CAL FIRE Agreement”) with the California Department of Forestry and Fire Protection (“CAL FIRE”) to provide CITY with fire protection, hazardous materials mitigation, technical rescue response, fire marshal, medical emergency services, and public service assists (hereinafter called “Fire Services”). This Agreement is entered into pursuant to the authority granted by Government Code section 55600 et seq., and will provide a unified, integrated, cooperative, regional fire protection system. COUNTY’s ability to perform under this Agreement is subject to the terms and conditions of the CAL FIRE Agreement.

SECTION II: DESIGNATION OF FIRE CHIEF

A. The County Fire Chief appointed by the County Board of Supervisors, or his/her designee (hereinafter referred to as “Chief”), shall represent COUNTY and CITY during the period of this Agreement, and Chief shall, under the supervision and direction of the County Board of Supervisors, have charge of the organization described in Exhibit “A,” attached hereto and made a part hereof, for the purpose of providing Fire Services as deemed necessary to satisfy the needs of both the COUNTY and CITY, except upon those lands wherein other agencies of government have responsibility for the same or similar Fire Services.

B. The COUNTY will assign an existing Chief Officer as the Fire Department Liaison (“Fire Liaison”). The Chief may delegate certain authority to the Fire Liaison, as the Chief’s duly authorized designee and the Fire Liaison shall be responsible for directing the Fire Services provided to CITY as set forth in Exhibit “A.”

C. The Chief Deputy County Fire shall be the COUNTY Contract Administrator and is the liaison for the administration of this agreement.

D. COUNTY will be allowed flexibility in the assignment of available personnel and equipment in order to provide the Fire Services as agreed upon herein. This flexibility shall include staffing challenges. The CITY shall be notified of any changes in classifications provided that differ from the Exhibit “A”

SECTION III: PAYMENT FOR SERVICES

A. CITY shall annually appropriate a fiscal year budget to support the Fire Services designated at a level of service mutually agreed upon by both parties and as set forth in Exhibit "A" for the term of this Agreement. This Exhibit may be amended in writing by mutual agreement by both parties or when a CITY requested increase or reduction in services is approved by COUNTY.

B. COUNTY provides fire personnel and services through its CAL FIRE Agreement. In the event CITY desires an increase or decrease in CAL FIRE or COUNTY civil service employees or services assigned to CITY as provided for in Exhibit "A," CITY shall provide one hundred twenty (120) days' written notice of the proposed requested increase or decrease. Proper notification shall include the following: (1) The total amount of increase or decrease; (2) The effective date of the increase or decrease; (3) The number of employees, by classification, affected by the proposed increase or decrease; and (4) the date the Notice is sent to COUNTY. If such notice is not provided, CITY shall reimburse COUNTY for relocation costs incurred by COUNTY because of the increase or decrease, in addition to any other remedies available resulting from the increase or decrease in services. COUNTY is under no obligation to approve any requested increase or decrease, and it is expressly understood by the parties that in no event will COUNTY authorize or approve CITY's request to reduce services below the COUNTY Board of Supervisors approved staffing level for any fire station, or to reduce services to the extent that the services provided under this Agreement are borne by other jurisdictions. COUNTY shall render a written decision on whether to allow or deny the increase or decrease within thirty (30) days of the notice provided pursuant to this section.

C. CITY shall pay COUNTY actual costs for Fire Services pursuant to this Agreement. COUNTY shall make a claim to CITY for the actual cost of contracted services, pursuant to Exhibit "A," on a quarterly basis. The COUNTY is mandated per Government Code section 51350 for full cost recovery. CITY shall pay each claim, in full, within thirty (30) days after receipt thereof.

D. Any changes to the salaries or expenses set forth in Exhibit "A" made necessary by action of the Legislature, CAL FIRE, or any other public agency with authority to direct changes in the level of salaries or expenses, shall be paid from the funds represented as set forth in Exhibit "A." The CITY is obligated to expend or appropriate any sum in excess of Exhibit "A" increased by action of the Legislature, CAL FIRE, or any other public agency with authority to direct changes. If within thirty (30) days after notice, in writing, from COUNTY to CITY that the actual cost of maintaining the services specified in Exhibit "A" as a result of action by the Legislature, CAL FIRE, or other public agency will exceed the total amount specified therein, and CITY has not agreed to make available the necessary additional funds, COUNTY shall have the right to unilaterally reduce the services furnished under this Agreement by an appropriate amount and shall promptly notify CITY, in writing, specifying the services to be reduced. Any COUNTY or CAL FIRE personnel reduction resulting solely due to an increase in employee salaries or expenses occurring after signing this Agreement and set forth in

Exhibit "A" that CITY does not agree to fund, as described above, shall not be subject to relocation expense reimbursement by CITY. If CITY desires to add funds to the total included herein to cover the cost of increased salaries or services necessitated by actions described in this paragraph, such increase shall be accomplished by an additional appropriation by the City Council of CITY, and an amendment to Exhibits "A" and "C" approved by the parties hereto.

E. Chief Deputy County Fire, as the COUNTY Contract Administrator, may be authorized to negotiate and execute any amendments to Exhibit "A" or Exhibit "C" of this Agreement on behalf of COUNTY as authorized by the Board of Supervisors. CITY shall designate a "Contract Administrator" who shall, under the supervision and direction of CITY, be authorized to execute amendments to Exhibit "A" or "C" on behalf of CITY.

Any services not provided for under Ordinance No. 671 will be at a cost to the CITY based upon the COUNTY-approved productive hourly rate for cost recovery.

B. CITY shall have an option, in its sole discretion, to extend this Agreement for a one-year term ending June 30, 2026. In the event CITY elects to exercise this option to extend the term of this Agreement by one year, it shall provide COUNTY written notice 120 days prior to June 30, 2025.

SECTION V: TERMINATION

When using CITY equipment and personnel under the terms of this Agreement, COUNTY may bring such actions for collection of costs incurred by CITY and the COUNTY. In such a case CITY appoints and designates COUNTY as its agent in said collection proceedings. In the event of recovery, COUNTY shall apportion the recovered amount via the annual Cost Allocation Plan. This recovery does not include CITY resources outside of this Cooperative Agreement. Those resources would require the CITY to obtain cost recovery directly.

In all such instances, COUNTY shall give timely notice of the possible application of Health and Safety Code section 13009 to the officer designated by CITY.

SECTION IX: PROPERTY ACCOUNTING

FIRE ENGINE USE AGREEMENT**

Station 66

Engine E66 , RCO No. 16-848 (VIN: 4S7CT2D95HC081448)

The Fire Engine Use Agreement is utilized in the event that a fire engine(s) which was initially purchased by the CITY, and then the CITY elects to have the COUNTY take responsibility of said fire engine(s). The Fire Engine Use Agreement guarantees the CITY the use of this fire engine(s), the COUNTY network of equipment, and resources of the COUNTY.

This fire engine(s) shall be used as an integrated unit for Fire Services as set forth in this Cooperative Agreement between the COUNTY and CITY and shall be stationed primarily in the CITY. The change in ownership of the fire engine does not waive or supersede any responsibilities of the CITY pursuant to this agreement. This exhibit is strictly to further detail for the CITY, the responsibilities and costs associated within the Cooperative Agreement between the COUNTY and CITY; therefore, the Fire Engine Use Agreement is inseparable.

The CITY will have the option of transferring title of said fire engine(s) to the COUNTY. If the CITY transfers title of said fire engine(s) to the County, the County will take ownership of the said fire engine(s), and the County will maintain insurance on said fire engine(s). If the CITY opts to maintain ownership and title of said fire engine(s), the CITY will maintain insurance on said fire engine(s). Proof of Insurance is to be provided to the COUNTY.

The COUNTY will ensure a working fire engine(s) is available for the CITY at all times under this agreement. All capital improvements and/or betterments to the fire engine(s) listed above, will be the responsibility and paid for by the owner of said fire engine(s). All other maintenance and repairs to the fire engine(s) listed above, will be the responsibility and paid for by the COUNTY under this Agreement.

When the Riverside County Fire Department Fleet personnel determine the fire engine(s) listed above is due for replacement, the COUNTY will purchase a new fire engine(s); and, the owner of the old fire engine(s) may survey said fire engine(s) or reallocate as a second roll response fire engine.

The annual cost for this service is calculated at 1/20 of the replacement cost. The current replacement cost is \$725,000. If this Agreement is entered into mid-year, the annual cost will be prorated accordingly. Replacement cost is subject to change based on current Type I Fire Engine cost. See each respective fiscal year's Exhibit "A" for current Fire Engine Use Agreement costs.

The CITY may opt out of this Agreement at any time in writing and the costs will be prorated accordingly by fiscal year. No refunds will be provided for any prior payments. If the fire engine(s) have been titled to the COUNTY and the fire engine(s) are still within their useful life cycle, the ownership will not revert back to the CITY unless the entire Cooperative Agreement is terminated.
