SUBJECT: Second Reading of Specific Plan Amendment (SP2023-0011) - a City Initiated Request to Amend the Oak Valley SCPGA Specific Plan to Be in Conformance with the General Plan Land Use Designation

Description A City initiated request to amend the Oak Valley SCPGA Specific Plan to be in conformance with the General Plan land use designation

Background and Analysis:

The Oak Valley SCPGA Specific Plan #318 encompassing 1,747.9 acres was adopted by the County of Riverside on August 14, 2001. The property was annexed into the City of Beaumont on April 9, 2003, by the Local Agency Formation Commission (LAFCO) by LAFCO 2002-43-5. The Oak Valley SCPGA Specific Plan includes the developments commonly referred to as Fairway Canyon and Tournament Hills.

On October 11, 2023, Planning staff brought forward a proposal to amend the Land Use Map identified as Figure 3.5 in the 2040 General Plan to bring the General Plan into conformance with the Land Use and Community Design Implementation Action LUCD1 that requires Specific Plan Consistency. LUCD1 states that following the adoption of the General Plan, review of the existing, adopted Specific Plans and make changes to ensure consistency with the General Plan.

During the public hearings with the Planning Commission and the City Council on October 17, 2023, the City Council directed staff to prepare a Specific Plan Amendment to correct a discrepancy in the Oak Valley SCPGA Specific Plan, also known as Fairway Canyon, that shows one of the parcels, being Nicklaus Park (413-790-047) is currently designated in the General Plan as open space. Nicklaus Park is a developed City Park, and the previous recommendations were based on the underlying Specific Plan land use designations that were identified as commercial for Planning area No. 9.

Pending the resolution of this application and SP2023-0010, this action item (LUCD1) will be completed.

Zoning Consistency

The update as proposed would bring the General Plan land use designation map into conformity with the land use designations previously established in the Oak Valley SCPGA Specific Plan for Planning Area No. 9.

CEQA:

From the standpoint of the California Environmental Quality Act (CEQA), an Environmental Impact Report (EIR) was prepared and certified in 2001 for the Oak Valley SCPGA Specific Plan (Specific Plan No. 318) (SCH# 2000051126), with latest Addendum of the EIR was approved by council in 2014 (13-EIR-03), assessing the environmental impacts of the overall project and subsequent implementation steps, including subdivision of the site. The EIR and the findings made by the City Council remain pertinent and adequate for use for the project. Execution of this amendment will not have any impact on the project that was not previously analyzed, and the overall project continues to be required to adhere to the mitigation monitoring program established for the project.

Planning Commission Authority:

The Beaumont Municipal Code Section 17.02.090.E authorizes the Planning Commission to recommend to the City Council approval, approval with modifications, or denial of the proposed application. A majority vote of the entire Planning Commission is required to recommend approval or approval with modifications. At the hearing, the City Council shall review the Commission's recommendation and receive evidence as to how or why the proposed General Plan amendment is consistent with the objectives of this Zoning Ordinance, the balance of the General Plan, and development policies of the City.

The Beaumont Municipal Code Section 17.02.090.G states that the City Council shall act to approve or deny the application. A majority vote of the entire Council is required to amend the General Plan.
