

Staff Report

TO: City Council
FROM: Carole Kendrick, Interim Community Development Director
DATE: August 20, 2024
SUBJECT: Public Hearing and Consideration of Proposed Amendments to the Beaumont Municipal Code Chapter 9.03 “Regulations of Special Events”, “Definitions” Section 9.03.020.I. (PLAN2024-0064)

Description Recommended amendments to the Beaumont Municipal Code Section 9.03.020.I.1 and 9.03.020.I.2 related to definitions for major and minor special events to be consistent with the current fee schedule.

Background and Analysis:

At the July 16, 2024, City Council meeting, the proposed item was continued to the August 20, 2024, City Council date to allow for further research into the fee schedule in relation to special events. During this period, staff determined that necessary changes would need to be made to the City’s adopted Development Fee schedule.

Annual fee adjustments will be made to the fee schedule utilizing the current consumer price index (CPI), per the March 7, 2023, City Council staff report that considered the updated fee study. Staff is requesting to incorporate the special event fee modifications with the CPI update and bring an updated Zoning Ordinance Amendment concurrently.

Fiscal Impact:

The cost to prepare this staff is approximately \$250.

Recommended Action:

Continue the public hearing to a future date to allow staff additional time to propose CPI adjustments to the fee schedule.
