

Staff Report

TO: City Council
FROM: Elizabeth Gibbs, City Manager
DATE October 1, 2024
SUBJECT: Presentation and Discussion of City-owned Properties

Description City Council requested an item be brought forward to discuss current City-owned properties and their use.

Background and Analysis:

At the August 20, 2024, City Council meeting, the Mayor requested that staff bring forth an item for presentation and discussion on City-owned properties. Specifically, the request included what the City currently owns and what is the usage; what properties are not being used at this time but may have a proposed use; and identification of unused or vacant land. The map will be presented during the meeting.

Fiscal Impact:

Staff estimates the cost to prepare this staff report is approximately \$187. There is no fiscal impact as this is a discussion item only.

Recommended Action:

Discuss and provide staff to direction.
