The Bonds and any Parity Bonds are not a legal or equitable pledge, charge, lien, or encumbrance upon any of the District’s property, or upon any of

its income, receipts or revenues, except the Net Taxes and other amounts in the Special Tax Fund (exclusive of the Administrative Expense Account) which are, under the terms of this Indenture and the Act, set aside for the payment of the Bonds, any Parity Bonds and interest thereon, and neither the members of the legislative body of the District or the members of the City Council nor any persons executing the Bonds or any Parity Bonds are liable personally on the Bonds or any Parity Bonds, by reason of their issuance.

Notwithstanding anything to the contrary contained in this Indenture, the District shall not be required to advance any money derived from any source of income other than the Net Taxes for the payment of the interest on or the principal of the Bonds or any Parity Bonds, or for the performance of any covenants contained herein. The District may, however, advance funds for any such purpose, provided that such funds are derived from a source legally available for such purpose.

Section 2.3. Equality of Bonds and Parity Bonds and Pledge of Net Taxes. Pursuant to the Act and this Indenture, the Bonds and any Parity Bonds shall be equally payable from and secured by a first pledge of and lien on the Net Taxes and other amounts in the Special Tax Fund (exclusive of the Administrative Expense Account), without priority for number, date of the Bonds or Parity Bonds, date of sale, date of execution, or date of delivery, and the payment of the interest on and principal of the Bonds and any Parity Bonds and any premiums upon the redemption thereof, shall be exclusively paid from the Net Taxes and other amounts in the Special Tax Fund (exclusive of the Administrative Expense Account) which are hereby set aside for the payment of the Bonds and any Parity Bonds; provided that any delinquent Special Tax sold to an independent third-party or to the City for 100% of the delinquent amount shall no longer be pledged hereunder to the payment of the Bonds or Parity Bonds. Amounts in the Special Tax Fund (other than the Administrative Expense Account therein) shall constitute a trust fund held for the benefit of the Owners to be applied to the payment of the interest on and principal of the Bonds and any Parity Bonds and, so long as any of the Bonds and any Parity Bonds or interest thereon remain Outstanding, shall not be used for any other purpose, except as permitted by this Indenture or any Supplemental Indenture. Notwithstanding any provision contained in this Indenture to the contrary, Net Taxes deposited in the Rebate Fund and the Surplus Fund shall no longer be considered to be pledged to the Bonds or any Parity Bonds, and none of the Rebate Fund, the Surplus Fund, the Acquisition and Construction Fund or the Administrative Expense Account of the Special Tax Fund shall be construed as a trust fund held for the benefit of the Owners.

Nothing in this Indenture or any Supplemental Indenture shall preclude: (i) subject to the limitations contained hereunder, the redemption prior to maturity of any Bonds or Parity Bonds subject to call and redemption and payment of said Bonds or Parity Bonds from proceeds of refunding bonds issued under the Act as the same now exists or as hereafter amended, or under any other law of the State of California; or (ii) the issuance, subject to the limitations contained herein, of Parity Bonds which shall be payable from Net Taxes.

Section 2.4. Description of Bonds; Interest Rates. The Bonds and any Parity Bonds shall be issued in fully registered form in denominations of \$5,000 or any integral multiple thereof. The Bonds and any Parity Bonds of each issue shall be numbered as desired by the Trustee.

The Bonds shall be designated “City of Beaumont Community Facilities District No. 93-1 (Improvement Area No. 17D) Special Tax Bonds, Series 2024.” The Bonds shall be dated as of their Delivery Date and shall mature and be payable on September 1 in the years and in the aggregate

principal amounts and shall be subject to and shall bear interest at the rates set forth in the table below payable on March 1, 2025 and each Interest Payment Date thereafter:

<i>Maturity Date</i> <i>September 1</i>	<i>Principal</i> <i>Amount</i>	<i>Interest</i> <i>Rate</i>
--	-----------------------------------	--------------------------------

^T Term Bonds.

Interest shall be payable on each Bond and Parity Bond from the date established in accordance with Section 2.5 below on each Interest Payment Date thereafter until the principal sum of such Bond or Parity Bond has been paid; provided, however, that if at the maturity date of any Bond or Parity Bond (or if the same is redeemable and shall be duly called for redemption, then at the date fixed for redemption) funds are available for the payment or redemption thereof in full, in accordance with the terms of this Indenture, such Bonds and Parity Bonds shall then cease to bear interest. Interest due on the Bonds and Parity Bonds shall be calculated on the basis of a 360-day year comprised of twelve 30-day months.

Section 2.5. Place and Form of Payment. The Bonds and Parity Bonds shall be payable both as to principal and interest, and as to any premiums upon the redemption thereof, in lawful money of the United States of America. The principal of the Bonds and Parity Bonds and any premiums due upon the redemption thereof shall be payable upon presentation and surrender thereof at the Principal Office of the Trustee, or at the designated office of any successor Trustee. If the Nominee of the Bonds or Parity Bonds is registered to Cede & Co., payment of principal and any premiums shall be made without presentment. Interest on any Bond or Parity Bond shall be payable from the Interest Payment Date next preceding the date of authentication of such Bond or Parity Bond, unless: (i) such date of authentication is an Interest Payment Date, in which event interest shall be payable from such date of authentication; (ii) the date of authentication is after a Record Date but prior to the immediately succeeding Interest Payment Date, in which event interest shall be payable from the Interest Payment Date immediately succeeding the date of authentication; or (iii) the date of authentication is prior to the close of business on the first Record Date occurring after the issuance of such Bond or Parity Bond, in which event interest shall be payable from the dated date of such Bond or Parity Bond, as applicable; provided, however, that if at the time of authentication of such Bond or Parity Bond, interest is in default, interest on such Bond or Parity Bond shall be payable from the last Interest Payment Date to which the interest has been paid or made available for payment or, if no interest has been paid or made available for payment on such Bond or Parity Bond, interest on such

Bond or Parity Bond shall be payable from its dated date. Interest on any Bond or Parity Bond shall be paid to the person whose name shall appear in the Bond Register as the Owner of such Bond or Parity Bond as of the close of business on the Record Date. Such interest shall be paid by check of the Trustee mailed by first class mail, postage prepaid, to such Owner at his or her address as it appears on the Bond Register. In addition, upon a request in writing received by the Trustee on or before the applicable Record Date from an Owner of \$1,000,000 or more in principal amount of the Bonds or of any issue of Parity Bonds, payment shall be made on the Interest Payment Date by wire transfer in immediately available funds to an account within the United States of America designated by such Owner.

Section 2.6. Form of Bonds and Parity Bonds. The definitive Bonds may be printed from steel engraved or lithographic plates or may be typewritten. The Bonds and the certificate of authentication shall be substantially in the form attached hereto as Exhibit A, which form is hereby approved and adopted as the form of such Bonds and of the certificate of authentication. Each issue of Parity Bonds and the certificate of authentication therefor shall be in the form provided in the Supplemental Indenture for such issue of Parity Bonds.

Until definitive Bonds or Parity Bonds, as applicable, shall be prepared, the District may cause to be executed and delivered in lieu of such definitive Bonds or Parity Bonds temporary bonds in typed, printed, lithographed or engraved form and in fully registered form, subject to the same provisions, limitations and conditions as are applicable in the case of definitive Bonds or Parity Bonds, except that they may be in any denominations authorized by the District. Until exchanged for definitive Bonds or Parity Bonds, as applicable, any temporary bond shall be entitled and subject to the same benefits and provisions of this Indenture as definitive Bonds and Parity Bonds. If the District issues temporary Bonds or Parity Bonds, it shall execute and furnish definitive Bonds or Parity Bonds, as applicable, without unnecessary delay and thereupon any temporary Bond or Parity Bond may be surrendered to the Trustee at its office, without expense to the Owner, in exchange for a definitive Bond or Parity Bond of the same issue, maturity, interest rate and principal amount in any authorized denomination. All temporary Bonds or Parity Bonds so surrendered shall be cancelled by the Trustee and shall not be reissued.

Section 2.7. Execution and Authentication. The Bonds and Parity Bonds shall be signed on behalf of the District by the manual or facsimile signature of the Mayor of the City and countersigned by the manual or facsimile signature of the City Clerk, or any duly appointed Deputy Clerk, in their capacity as officers of the District, and the seal of the City or the District (or a facsimile thereof) may be impressed, imprinted, engraved or otherwise reproduced thereon, and attested by the signature of the City Clerk. In case any one or more of the officers who shall have signed or sealed any of the Bonds or Parity Bonds shall cease to be such officer before the Bonds or Parity Bonds so signed and sealed have been authenticated and delivered by the Trustee (including new Bonds or Parity Bonds delivered pursuant to the provisions hereof with reference to the transfer and exchange of Bonds or Parity Bonds or lost, stolen, destroyed or mutilated Bonds or Parity Bonds), such Bonds and Parity Bonds shall nevertheless be valid and may be authenticated and delivered as herein provided, and may be issued as if the person who signed or sealed such Bonds or Parity Bonds had not ceased to hold such office.

Only the Bonds as shall bear thereon such certificate of authentication in the form set forth in Exhibit A attached hereto shall be entitled to any right or benefit under this Indenture, and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee.

Section 2.8. Bond Register. The Trustee will keep or cause to be kept, at its office, sufficient books for the registration and transfer of the Bonds and any Parity Bonds which shall upon reasonable prior notice be open to inspection by the District during all regular business hours, and, subject to the limitations set forth in Section 2.9 below, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be transferred on said Bond Register, Bonds and any Parity Bonds as herein provided.

The District and the Trustee may treat the Owner of any Bond or Parity Bond whose name appears on the Bond Register as the absolute Owner of that Bond or Parity Bond for any and all purposes and the District and the Trustee shall not be affected by any notice to the contrary. The District and the Trustee may rely on the address of the Owner as it appears in the Bond Register for any and all purposes. It shall be the duty of the Owner to give written notice to the Trustee of any change in the Owner's address so that the Bond Register may be revised accordingly.

Section 2.9. Registration of Exchange or Transfer. Subject to the limitations set forth in the following paragraph, the registration of any Bond or Parity Bond may, in accordance with its terms, be transferred upon the Bond Register by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Bond or Parity Bond for cancellation at the office of the Trustee, accompanied by delivery of written instrument of transfer in a form acceptable to the Trustee and duly executed by the Owner or his or her duly authorized attorney.

Bonds or Parity Bonds may be exchanged at the office of the Trustee for a like aggregate principal amount of Bonds or Parity Bonds for other authorized denominations of the same maturity and issue. The Trustee shall not collect from the Owner any charge for any new Bond or Parity Bond issued upon any exchange or transfer, but shall require the Owner requesting such exchange or transfer to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer. Whenever any Bonds or Parity Bonds shall be surrendered for registration of transfer or exchange, the District shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds or a new Parity Bond or Parity Bonds, as applicable, of the same issue and maturity, for a like aggregate principal amount; provided that the Trustee shall not be required to register transfers or make exchanges of: (i) Bonds or Parity Bonds for a period of 15 days next preceding any selection of the Bonds or Parity Bonds to be redeemed; or (ii) any Bonds or Parity Bonds chosen for redemption.

Section 2.10. Mutilated, Lost, Destroyed or Stolen Bonds or Parity Bonds. If any Bond or Parity Bond shall become mutilated, the District shall execute, and the Trustee shall authenticate and deliver, a new Bond or Parity Bond of like tenor, date, issue and maturity in exchange and substitution for the Bond or Parity Bond so mutilated, but only upon surrender to the Trustee of the Bond or Parity Bond so mutilated. Every mutilated Bond or Parity Bond so surrendered to the Trustee shall be cancelled by the Trustee pursuant to Section 10.1 hereof. If any Bond or Parity Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence is satisfactory to the Trustee and, if any indemnity satisfactory to the Trustee shall be given, the District shall execute and the Trustee shall authenticate and deliver a new Bond or Parity Bond, as applicable, of like tenor, maturity and issue, numbered and dated as the Trustee shall determine in lieu of and in substitution for the Bond or Parity Bond so lost, destroyed or stolen. Any Bond or Parity Bond issued in lieu of any Bond or Parity Bond alleged to be mutilated, lost, destroyed or stolen shall be equally and proportionately entitled to the benefits hereof with all other Bonds and Parity Bonds issued hereunder. The Trustee shall not treat both the original Bond or

Parity Bond and any replacement Bond or Parity Bond as being Outstanding for the purpose of determining the principal amount of Bonds or Parity Bonds which may be executed, authenticated and delivered hereunder or for the purpose of determining any percentage of Bonds or Parity Bonds Outstanding hereunder, but both the original and replacement Bond or Parity Bond shall be treated as one and the same. Notwithstanding any other provision of this Section, in lieu of delivering a new Bond or Parity Bond which has been mutilated, lost, destroyed or stolen, and which has matured, the Trustee may make payment with respect to such Bonds or Parity Bonds.

Section 2.11. Validity of Bonds and Parity Bonds. The validity of the authorization and issuance of the Bonds and any Parity Bonds shall not be affected in any way by any defect in any proceedings taken by the District for the financing of the Project, or by the invalidity, in whole or in part, of any contracts made by the District in connection therewith, and shall not be dependent upon the completion of the financing of the Project or upon the performance by any Person of his obligation with respect to the Project, and the recital contained in the Bonds or any Parity Bonds that the same are issued pursuant to the Act and other applicable laws of the State shall be conclusive evidence of their validity and of the regularity of their issuance.

Section 2.12. Book-Entry System. The Bonds shall be initially delivered in the form of a separate single fully registered Bond (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the ownership of each such Bond shall be registered in the registration books kept by the Trustee in the name of the Nominee as nominee of the Depository. Except as provided in Section 2.14 hereof, all of the Outstanding Bonds shall be registered in the registration books kept by the Trustee in the name of the Nominee. At the election of the District, any Parity Bonds may also be issued as book-entry bonds registered in the name of the Nominee as provided herein, in which case the references in Sections 2.12 through 2.15 to “Bonds” shall be applicable to such Parity Bonds.

With respect to Bonds registered in the registration books kept by the Trustee in the name of the Nominee, the District and the Trustee shall have no responsibility or obligation to any such Participant or to any Person on behalf of which such a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Trustee shall have no responsibility or obligation with respect to: (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in the Bonds; (ii) the delivery to any Participant or any other Person, other than an Owner as shown in the registration books kept by the Trustee, of any notice with respect to the Bonds, including any notice of redemption; (iii) the selection by the Depository and its Participants of the beneficial interests in the Bonds to be redeemed in the event that the Bonds are redeemed in part; or (iv) the payment to any Participant or any other Person, other than an Owner as shown in the registration books kept by the Trustee, of any amount with respect to principal of, premium, if any, or interest due with respect to the Bonds. The District and the Trustee may treat and consider the Person in whose name each Bond is registered in the registration books kept by the Trustee as the holder and absolute owner of such Bond for the purpose of payment of the principal of, premium, if any, and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond and for all other purposes whatsoever. The Trustee shall pay all principal of, premium, if any, and interest due on the Bonds only to or upon the order of the respective Owner, as shown in the registration books kept by the Trustee, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to satisfy and discharge fully the District’s obligations with respect to payment of the principal, premium, if any, and interest due on the Bonds to the extent of the sum or sums so paid. No Person other than an

Owner, as shown in the registration books kept by the Trustee, shall receive a Bond evidencing the obligation of the District to make payments of principal, premium, if any, and interest pursuant to this Indenture. Upon delivery by the Depository to the Trustee and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Indenture shall refer to such new nominee of the Depository.

Section 2.13. Representation Letter. In order to qualify the Bonds and any Parity Bonds which the District elects to register in the name of the Nominee for the Depository's book-entry system, an Authorized Representative of the District is hereby authorized to execute from time to time and deliver to such Depository the Representation Letter. The execution and delivery of the Representation Letter shall not in any way limit the provisions of Section 2.12 or in any other way impose upon the District or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Owners, as shown on the registration books kept by the Trustee. The District agrees to take all action necessary to continuously comply with all representations made by it in the Representation Letter. In addition to the execution and delivery of the Representation Letter, the Authorized Representatives of the District are hereby authorized to take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

Section 2.14. Transfers Outside Book-Entry System. In the event that: (i) the Depository determines not to continue to act as securities depository for the Bonds; or (ii) the District determines that the Depository shall no longer so act, then the District will discontinue the book-entry system with the Depository. If the District fails to identify another qualified securities depository to replace the Depository then the Bonds so designated shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of the Nominee, but shall be registered in whatever name or names Persons transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 2.9 hereof.

Section 2.15. Payments to the Nominee. Notwithstanding any other provisions of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal, premium, if any, and interest due with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

Section 2.16. Initial Depository and Nominee. The initial Depository under this Indenture shall be The Depository Trust Company, New York, New York. The initial Nominee shall be Cede & Co., as Nominee of The Depository Trust Company, New York, New York.

ARTICLE III

Section 3.1. Creation of Funds; Application of Proceeds.

(a) There are hereby created and established and shall be maintained by the Trustee the following funds and accounts:

(1) The City of Beaumont Community Facilities District No. 93-1 (Improvement Area No. 17D) Special Tax Fund (the "Special Tax Fund") (in which there shall be established and

created an Interest Account, a Principal Account, a Redemption Account, a Reserve Account, and an Administrative Expense Account).

(2) The City of Beaumont Community Facilities District No. 93-1 (Improvement Area No. 17D) Rebate Fund (the “Rebate Fund”) (in which there shall be established a Rebate Account and an Alternate Penalty Account).

(3) The City of Beaumont Community Facilities District No. 93-1 (Improvement Area No. 17D) Acquisition and Construction Fund (the “Acquisition and Construction Fund”) (in which there shall be established a Costs of Issuance Account).

(4) The City of Beaumont Community Facilities District No. 93-1 (Improvement Area No. 17D) Surplus Fund (the “Surplus Fund”).

The amounts on deposit in the foregoing funds, accounts and subaccounts shall be held by the Trustee. The Trustee shall invest and disburse the amounts in such funds, accounts and subaccounts in accordance with the provisions of this Article III and shall disburse investment earnings thereon in accordance with the provisions of Section 3.10 hereof.

In connection with the issuance of any Parity Bonds, which may be issued only for the purpose of refunding the Bonds as described in Section 9.2, the Trustee, at the direction of an Authorized Representative of the District, may create new funds, accounts or subaccounts, or may create additional accounts and subaccounts within any of the foregoing funds and accounts for the purpose of separately accounting for the proceeds of the Bonds and any Parity Bonds.

(b) The proceeds of the sale of the Bonds shall be received by the Trustee on behalf of the District and deposited and transferred as follows:

(1) \$_____ shall be transferred to the Costs of Issuance Account of the Acquisition and Construction Fund to pay the Costs of Issuance of the Bonds;

(2) \$_____ shall be transferred to the Reserve Account of the Special Tax Fund to fund the Reserve Requirement; and

(3) \$_____ shall be transferred to the Acquisition and Construction Fund.

The Trustee may, in its discretion, establish temporary funds or accounts in its books and records to facilitate such transfers.

Section 3.2. Deposits to and Disbursements from Special Tax Fund.

(a) Except for Prepayments, which shall be deposited to the Redemption Account of the Special Tax Fund, the Trustee shall, on each date on which the Special Taxes are received from the District, deposit the Special Taxes in the Special Tax Fund to be held in trust for the Owners. The Trustee shall transfer the Special Taxes on deposit in the Special Tax Fund on the dates and in the amounts set forth in the following Sections, in the following order of priority, to:

(1) the Administrative Expense Account of the Special Tax Fund up to the Administrative Expenses Cap;

- (2) the Interest Account of the Special Tax Fund;
- (3) the Principal Account of the Special Tax Fund;
- (4) the Redemption Account of the Special Tax Fund;
- (5) the Reserve Account of the Special Tax Fund;
- (6) the Administrative Expense Account of the Special Tax Fund to the extent that Administrative Expenses exceed or are expected to exceed the Administrative Expense Cap;
- (7) the Rebate Fund; and
- (8) the Surplus Fund.

(b) At maturity of all of the Bonds and Parity Bonds and, after all principal and interest then due on the Bonds and Parity Bonds then Outstanding have been paid or provided for and any amounts owed to the Trustee have been paid in full, moneys in the Special Tax Fund and any accounts therein may be used by the District for any lawful purpose.

Section 3.3. Administrative Expense Account of the Special Tax Fund. The Trustee shall transfer from the Special Tax Fund and deposit in the Administrative Expense Account of the Special Tax Fund from time to time amounts necessary to make timely payment of Administrative Expenses as set forth in a Certificate of an Authorized Representative of the District; provided, however, that, except as set forth in the following sentence, the total amount transferred with respect to a Bond Year shall not exceed the Administrative Expenses Cap until such time as there has been deposited to the Interest Account and the Principal Account an amount, together with any amounts already on deposit therein, that is sufficient to pay the interest and principal on all Bonds and Parity Bonds due in such Bond Year and to restore the Reserve Account to the Reserve Requirement. Notwithstanding the foregoing, amounts in excess of the Administrative Expenses Cap may be transferred to the Administrative Expense Account to the extent necessary to collect delinquent Special Taxes. Moneys in the Administrative Expense Account of the Special Tax Fund may be invested in any Authorized Investments as directed in writing by an Authorized Representative of the District and shall be disbursed as directed in a Certificate of an Authorized Representative.

Section 3.4. Interest Account and Principal Account of the Special Tax Fund. The principal of and interest due on the Bonds and any Parity Bonds until maturity, other than principal due upon redemption, shall be paid by the Trustee from the Principal Account and the Interest Account of the Special Tax Fund, respectively.

For the purpose of assuring that the payment of principal of and interest on the Bonds and any Parity Bonds will be made when due, after making the transfer required by Section 3.3, at least one Business Day prior to each March 1 and September 1, the Trustee shall make the following transfers from the Special Tax Fund first to the Interest Account and then to the Principal Account; provided, however, that to the extent that deposits have been made in the Interest Account or the Principal Account from the proceeds of the sale of an issue of the Bonds or any Parity Bonds, or otherwise, the transfer from the Special Tax Fund need not be made; and provided, further, that, if amounts in the Special Tax Fund (exclusive of the Reserve Account and the Administrative Expense

Account) are inadequate to make the foregoing transfers, then any deficiency shall be made up by transfers from the Reserve Account:

(a) To the Interest Account, an amount such that the balance in the Interest Account one Business Day prior to each Interest Payment Date shall be equal to the installment of interest due on the Bonds and any Parity Bonds on said Interest Payment Date and any installment of interest due on a previous Interest Payment Date which remains unpaid. Moneys in the Interest Account shall be used for the payment of interest on the Bonds and any Parity Bonds as the same become due.

(b) To the Principal Account, an amount such that the balance in the Principal Account one Business Day prior to September 1 of each year, commencing September 1, 2025, shall equal the principal payment due on the Bonds and any Parity Bonds maturing on such September 1 and any principal payment due on a previous September 1 which remains unpaid. Moneys in the Principal Account shall be used for the payment of the principal of such Bonds and any Parity Bonds as the same become due at maturity.

Section 3.5. Redemption Account of the Special Tax Fund.

(a) With respect to each September 1 on which a Sinking Fund Payment is due, after the deposits have been made to the Administrative Expense Account, the Interest Account and the Principal Account of the Special Tax Fund as required by Sections 3.3 and 3.4 hereof, the Trustee shall next transfer into the Redemption Account of the Special Tax Fund from the Special Tax Fund the amount needed to make the balance in the Redemption Account one Business Day prior to each September 1 on which a Sinking Fund Payment is due equal to the Sinking Fund Payment due on any Outstanding Bonds and Parity Bonds on such September 1; provided, however, that, if amounts in the Special Tax Fund are inadequate to make the foregoing transfers, then any deficiency shall be made up by an immediate transfer from the Reserve Account, if funded, pursuant to Section 3.6 below. Moneys so deposited in the Redemption Account shall be used and applied by the Trustee to call and redeem Term Bonds in accordance with the Sinking Fund Payment schedules set forth in Section 4.1(b) hereof, and to redeem Parity Bonds in accordance with any Sinking Fund Payment schedule in the Supplemental Indenture for such Parity Bonds.

(b) After making the deposits to the Administrative Expense Account, the Interest Account and the Principal Account of the Special Tax Fund pursuant to Sections 3.3 and 3.4 above and to the Redemption Account for Sinking Fund Payments then due pursuant to subparagraph (a) of this Section, and in accordance with the District's election to call Bonds for optional redemption as set forth in Section 4.1(a) hereof, or to call Parity Bonds for optional redemption as set forth in any Supplemental Indenture for Parity Bonds, the Trustee shall transfer from the Special Tax Fund and deposit in the Redemption Account moneys available for the purpose and sufficient to pay the principal and the premiums, if any, payable on the Bonds or Parity Bonds called for optional redemption; provided, however, that amounts in the Special Tax Fund (other than the Administrative Expense Account therein) may be applied to optionally redeem Bonds and Parity Bonds only if immediately following such redemption the amount in the Reserve Account will equal the Reserve Requirement.

(c) Prepayments deposited to the Redemption Account shall be applied on the redemption date established pursuant to Section 4.1(c) hereof to the payment of the principal of, premium, if any, and interest on the Bonds and Parity Bonds to be redeemed with such Prepayments.

(d) Moneys set aside in the Redemption Account shall be used solely for the purpose of redeeming Bonds and Parity Bonds and shall be applied on or after the redemption date to the payment of principal of and premium, if any, on the Bonds or Parity Bonds to be redeemed upon presentation and surrender of such Bonds or Parity Bonds, and, in the case of an optional redemption or a special mandatory redemption from Prepayments, to pay the interest thereon; provided, however, that in lieu or partially in lieu of such call and redemption, moneys deposited in the Redemption Account may be used to purchase Outstanding Bonds or Parity Bonds in the manner hereinafter provided. Purchases of Outstanding Bonds or Parity Bonds may be made by the District at public or private sale as and when and at such prices as the District may in its discretion determine but only at prices (including brokerage or other expenses) not more than par plus accrued interest, plus, in the case of moneys set aside for an optional redemption or a special mandatory redemption, the premium applicable at the next following call date according to the premium schedule established pursuant to Section 4.1(a) or 4.1(c) hereof, as applicable, or in the case of Parity Bonds the premium established in any Supplemental Indenture. Any accrued interest payable upon the purchase of Bonds or Parity Bonds may be paid from the amount reserved in the Interest Account of the Special Tax Fund for the payment of interest on the next following Interest Payment Date.

Section 3.6. Reserve Account of the Special Tax Fund. There shall be maintained in the Reserve Account of the Special Tax Fund an amount equal to the Reserve Requirement. The Reserve Requirement may be satisfied in whole or in part by cash, a Reserve Policy, or a combination thereof. The amounts in the Reserve Account shall be applied as follows:

(a) Moneys in the Reserve Account shall be used solely for the purpose of paying the principal of, including Sinking Fund Payments, and interest on the Bonds and any Parity Bonds when due in the event that the moneys in the Interest Account and the Principal Account of the Special Tax Fund are insufficient therefor or moneys in the Redemption Account of the Special Tax Fund are insufficient to make a Sinking Fund Payment when due and for the purpose of making any required transfer to the Rebate Fund pursuant to Section 3.7 hereof upon written direction from the District. If the amounts in the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund are insufficient to pay the principal of, including Sinking Fund Payments, or interest on any Parity Bonds when due, or amounts in the Special Tax Fund are insufficient to make transfers to the Rebate Fund when required, the Trustee shall withdraw from the Reserve Account, first from the cash on deposit therein, and second from a draw on the Reserve Policy, if any, for deposit in the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund or the Rebate Fund, as applicable, moneys necessary for such purposes.

(b) Whenever moneys are withdrawn from the Reserve Account, after making the required transfers referred to in Sections 3.3, 3.4 and 3.5 above, the Trustee shall transfer to the Reserve Account from available moneys in the Special Tax Fund, or from any other legally available funds which the District elects to apply to such purpose, the amount needed to restore the amount of such Reserve Account to the Reserve Requirement by first, repaying any amounts due under the Reserve Policy, and second to fund the Reserve Account to the Reserve Requirement. Moneys in the Special Tax Fund shall be deemed available for transfer to the Reserve Account only if the Trustee determines that such amounts will not be needed to make the deposits required to be made to the Administrative Expense Account, the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund on or before the next September 1. If amounts in the Special Tax Fund together with any other amounts transferred to replenish the Reserve Account are inadequate to restore the Reserve Account to the Reserve Requirement, including any amounts necessary to pay costs related to the Reserve Policy, if any, then the District shall include the amount necessary to

restore the Reserve Account to the Reserve Requirement, in the next annual Special Tax levy to the extent of the maximum permitted Special Tax rates.

(c) In connection with a redemption of Bonds pursuant to Section 4.1(a) or 4.1(c) or Parity Bonds in accordance with any Supplemental Indenture, or a partial defeasance of Bonds or Parity Bonds in accordance with Section 9.1 hereof, amounts in the Reserve Account may be applied to such redemption or partial defeasance so long as the amount on deposit in the Reserve Account following such redemption or partial defeasance equals the Reserve Requirement. The District shall set forth in a Certificate of an Authorized Representative the amount in the Reserve Account to be transferred to the Redemption Account on a redemption date or to be transferred pursuant to this Indenture to partially defease Bonds or Parity Bonds, and the Trustee shall make such transfer on the applicable redemption or defeasance date, subject to the limitation in the preceding sentence.

(d) To the extent that the Reserve Account is at the Reserve Requirement as of the first day of the final Bond Year for the Bonds or an issue of Parity Bonds, amounts in the Reserve Account may be applied to pay the principal of and interest due on the Bonds and Parity Bonds, as applicable, in the final Bond Year for such issue. Moneys in the Reserve Account in excess of the Reserve Requirement not transferred in accordance with the preceding provisions of this Section shall be withdrawn from the Reserve Account on the Business Day before each March 1 and September 1 and shall be transferred to the Acquisition and Construction Fund or an Account therein, as directed by an Authorized Representative of the District, until all amounts have been disbursed from the Acquisition and Construction Fund (or such fund is closed) and thereafter to the Interest Account of the Special Tax Fund.

Section 3.7. Rebate Fund.

(a) The Trustee shall establish and maintain a fund separate from any other fund established and maintained hereunder designated as the Rebate Fund and shall establish a separate Rebate Account and Alternate Penalty Account therein. All money at any time deposited in the Rebate Account or the Alternate Penalty Account of the Rebate Fund shall be held by the Trustee in trust, for payment to the United States Treasury. A separate subaccount of the Rebate Account and the Alternate Penalty Account shall be established for the Bonds and each issue of Parity Bonds the interest on which is excluded from gross income for federal income tax purposes. All amounts on deposit in the Rebate Fund with respect to the Bonds or an issue of Parity Bonds shall be governed by this Section 3.7 and the Tax Certificate for such issue, unless the District obtains an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest payments on the Bonds and Parity Bonds will not be adversely affected if such requirements are not satisfied.

(1) Rebate Account. The following requirements shall be satisfied with respect to each subaccount of the Rebate Account:

(i) Annual Computation. Within 55 days of the end of each Bond Year, the District shall calculate or cause to be calculated the amount of rebatable arbitrage for the Bonds and each issue of Parity Bonds to which this Section 3.7 is applicable, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Rebate Regulations (taking into account any applicable exceptions with respect to the computation of the rebatable arbitrage described in the Tax Certificate for each issue (e.g., the temporary investments exceptions of Section 148(f)(4)(B) and (C) of the Code), and taking into account whether the election pursuant to Section 148(f)(4)(C)(vii) of

the Code (the “1½% Penalty”) has been made), for this purpose treating the last day of the applicable Bond Year as a computation date, within the meaning of Section 1.148-1(b) of the Rebate Regulations (the “Rebatable Arbitrage”). The District shall obtain expert advice as to the amount of the Rebatable Arbitrage to comply with this Section.

(ii) Annual Transfer. Within 55 days of the end of each Bond Year for which Rebatable Arbitrage must be calculated as required by the Tax Certificate for each issue, upon the written direction of an Authorized Representative of the District, an amount shall be deposited to each subaccount of the Rebate Account by the Trustee from any funds so designated by the District if and to the extent required, so that the balance in the Rebate Account shall equal the amount of Rebatable Arbitrage so calculated by or on behalf of the District in accordance with clause (i) of this subsection (a)(1) with respect to the Bonds and each issue of Parity Bonds to which this Section 3.7 is applicable. In the event that immediately following any transfer required by the previous sentence, or the date on which the District determines that no transfer is required for such Bond Year, the amount then on deposit to the credit of the applicable subaccount of the Rebate Account exceeds the amount required to be on deposit therein, upon written instructions from an Authorized Representative of the District, the Trustee shall withdraw the excess from the appropriate subaccount of the Rebate Account and then credit the excess to the Special Tax Fund.

(iii) Payment to the Treasury. The Trustee shall pay, as directed in writing by an Authorized Representative of the District, to the United States Treasury, out of amounts in each subaccount of the Rebate Account:

(X) not later than 60 days after the end of: (A) the fifth Bond Year for the Bonds and each issue of Parity Bonds to which this Section 3.7 is applicable; and (B) each applicable fifth Bond Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Bond Year for the Bonds and each issue of Parity Bonds, as applicable; and

(Y) not later than 60 days after the payment or redemption of all of the Bonds or an issue of Parity Bonds, as applicable, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Bond Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code.

In the event that, prior to the time of any payment required to be made from the Rebate Account, the amount in the Rebate Account is not sufficient to make such payment when such payment is due, the District shall calculate or cause to be calculated the amount of such deficiency and deposit an amount received from any legally available source equal to such deficiency prior to the time such payment is due. Each payment required to be made pursuant to this subsection (a)(1) shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, or shall be made in such other manner as provided under the Code.

(2) Alternate Penalty Account.

(i) Six-Month Computation. If the 1½% Penalty has been elected for the Bonds or an issue of Parity Bonds, within 85 days of each particular Six-Month Period, the District shall determine or cause to be determined whether the 1½% Penalty is payable (and the amount of

such penalty) as of the close of the applicable Six-Month Period. The District shall obtain expert advice in making such determinations.

(ii) Six-Month Transfer. Within 85 days of the close of each Six-Month Period, the Trustee, at the written direction of an Authorized Representative of the District, shall deposit an amount in the appropriate subaccounts of the Alternate Penalty Account from any source of funds held by the Trustee pursuant to this Indenture and designated by the District in such written directions or provided to it by the District, if and to the extent required, so that the balance in each subaccount of the Alternate Penalty Account equals the amount of 1½% Penalty due and payable to the United States Treasury determined as provided in subsection (a)(2)(i) above. In the event that immediately following any transfer provided for in the previous sentence, or the date on which the District determines that no transfer is required for such Bond Year, the amount then on deposit in a subaccount of the Alternate Penalty Account exceeds the amount required to be on deposit therein to make the payments required by subsection (iii) below, the Trustee, at the written direction of an Authorized Representative of the District, may withdraw the excess from the applicable subaccount of the Alternate Penalty Account and credit the excess to the Special Tax Fund.

(iii) Payment to the Treasury. The Trustee shall pay, as directed in writing by an Authorized Representative of the District, to the United States Treasury, out of amounts in a subaccount of the Alternate Penalty Account, not later than 90 days after the close of each Six-Month Period the 1½% Penalty, if applicable and payable, computed with respect to the Bonds and any issue of Parity Bonds in accordance with Section 148(f)(4) of the Code. In the event that, prior to the time of any payment required to be made from a subaccount of the Alternate Penalty Account, the amount in such subaccount is not sufficient to make such payment when such payment is due, the District shall calculate the amount of such deficiency and direct the Trustee, in writing, to deposit an amount equal to such deficiency into such subaccount of the Alternate Penalty Account from any funds held by the Trustee pursuant to this Indenture and designated by the District in such written directions prior to the time such payment is due. Each payment required to be made pursuant to this subsection (a)(2) shall be made to the Internal Revenue Service, Ogden, Utah 84201 on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T or shall be made in such other manner as provided under the Code.

(b) Disposition of Unexpended Funds. Any funds remaining in the Accounts of the Rebate Fund with respect to the Bonds or an issue of Parity Bonds after redemption and payment of such issue and after making the payments described in subsections (a)(1)(iii) or (a)(2)(iii) (whichever is applicable), may be withdrawn by the Trustee at the written direction of the District and utilized in any manner by the District.

(c) Survival of Defeasance and Final Payment. Notwithstanding anything in this Section or this Indenture to the contrary, the obligation to comply with the requirements of this Section shall survive the defeasance and final payment of the Bonds and any Parity Bonds with respect to which an Account has been created in the Rebate Fund.

(d) Amendment Without Consent of Owners. This Section 3.7 may be deleted or amended in any manner without the consent of the Owners, provided that prior to such event there is delivered to the District an opinion of Bond Counsel to the effect that such deletion or amendment will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds and any issue of Parity Bonds issued on a tax-exempt basis.

(e) Trustee. The Trustee shall have no responsibility to monitor or calculate any amounts payable to the U.S. Treasury pursuant to this Section and shall be deemed constructively to have complied with its obligations hereunder if it follows the written instructions of the District given pursuant to this Section.

Section 3.8. Surplus Fund. After making the transfers required by Sections 3.3, 3.4, 3.5, 3.6 and 3.7 hereof, as soon as practicable after each September 1, the Trustee shall transfer all remaining amounts in the Special Tax Fund to the Surplus Fund, unless on or prior to such date, it has received a Certificate of an Authorized Representative directing that certain amounts be retained in the Special Tax Fund because the District has included such amounts as being available in the Special Tax Fund in calculating the amount of the levy of Special Taxes for such Fiscal Year pursuant to Section 5.2(b) hereof. Moneys deposited in the Surplus Fund will be transferred by the Trustee at the direction of an Authorized Representative of the District: (i) to the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund to pay the principal of, including Sinking Fund Payments, premium, if any, and interest on the Bonds and any Parity Bonds when due in the event that moneys in the Special Tax Fund and the Reserve Account of the Special Tax Fund are insufficient therefor; (ii) to the Reserve Account in order to replenish the Reserve Account to the Reserve Requirement; (iii) to the Administrative Expense Account of the Special Tax Fund to pay Administrative Expenses to the extent that the amounts on deposit in the Administrative Expense Account of the Special Tax Fund are insufficient to pay Administrative Expenses; (iv) to the Acquisition and Construction Fund to pay Project Costs; or (v) after all Project Costs have been paid, to the District, for any other lawful purpose of the District.

The amounts in the Surplus Fund are not pledged to the repayment of the Bonds or the Parity Bonds and may be used by the District for any lawful purpose. In the event that the District reasonably expects to use any portion of the moneys in the Surplus Fund to pay debt service on any Outstanding Bonds or Parity Bonds, the District shall notify the Trustee in a Certificate of an Authorized Representative and the Trustee shall segregate such amount into a separate subaccount and the moneys on deposit in such subaccount of the Surplus Fund shall be invested at the written direction of the District in Authorized Investments the interest on which is excludable from gross income under Section 103 of the Code (other than bonds the interest on which is a tax preference item for purposes of computing the alternative minimum tax of individuals under the Code) or in Authorized Investments at a yield not in excess of the yield on the issue of Bonds or Parity Bonds to which such amounts are to be applied, unless, in the opinion of Bond Counsel, investment at a higher yield will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or any Parity Bonds which were issued on a tax-exempt basis for federal income tax purposes. Such amounts shall be disbursed as directed by an Authorized Representative of the District.

Section 3.9. Acquisition and Construction Fund.

(a) The moneys in the Costs of Issuance Account shall be disbursed by the Trustee pursuant to a Certificate of an Authorized Representative of the District, and any balance remaining therein after 180 days shall be transferred by the Trustee to the Acquisition and Construction Fund, and if such fund is closed, as directed in writing by an Authorized Representative of the District. Following such transfer to the Acquisition and Construction Fund, the Costs of Issuance Account shall be closed.

(b) The moneys in the Acquisition and Construction Fund (other than the Costs of Issuance Account) shall be applied exclusively to pay the Project Costs. Amounts for Project Costs shall be disbursed by the Trustee from the Acquisition and Construction Fund (other than the Costs of Issuance Account), as specified in a Request for Disbursement of Project Costs, substantially in the form of Exhibit B-1 attached hereto. A properly executed Request for Disbursement of Project Costs must be submitted in connection with each requested disbursement and the Trustee may rely thereon without investigating the accuracy thereof.

(c) Upon receipt of a Certificate of an Authorized Representative of the District stating that all or a specified portion of the amount remaining in the Acquisition and Construction Fund (other than the Costs of Issuance Account) is no longer needed to pay Project Costs, the Trustee shall: (i) transfer all or such specified portion, as applicable, of the moneys remaining on deposit in the Acquisition and Construction Fund (other than the Costs of Issuance Account) to the Interest Account, the Principal Account or Redemption Account of the Special Tax Fund, to the Costs of Issuance Account or to the Surplus Fund, as directed in such certificate, provided that in connection with any direction to transfer amounts to the Surplus Fund there shall have been delivered to the Trustee with such certificate an opinion of Bond Counsel to the effect that such transfer to the Surplus Fund will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or any Parity Bonds which were issued on a tax-exempt basis for federal income tax purposes; and (ii) thereafter, close the Acquisition and Construction Fund.

Section 3.10. Investments. Moneys held in any of the Funds, Accounts and Subaccounts under this Indenture shall be invested at the written direction of the District upon at least two (2) Business Days' notice in accordance with the limitations set forth below only in Authorized Investments which shall be deemed at all times to be a part of such Funds, Accounts and Subaccounts. Any loss resulting from such Authorized Investments shall be credited or charged to the Fund, Account or Subaccount from which such investment was made, and any investment earnings on a Fund, Account or Subaccount shall be applied as follows: (i) investment earnings on all amounts deposited in the Acquisition and Construction Fund (including the Accounts therein), the Special Tax Fund, the Surplus Fund and the Rebate Fund and each Account therein (other than the Reserve Account of the Special Tax Fund) shall be deposited in those respective Funds, Accounts and Subaccounts; and (ii) investment earnings on all amounts deposited in the Reserve Account shall be deposited therein to be applied as set forth in Section 3.6. Moneys in the Funds, Accounts and Subaccounts held under this Indenture may be invested by the Trustee as directed in writing by the District, from time to time, in Authorized Investments subject to the following restrictions (provided that the Trustee is not required to verify compliance with such restrictions and may rely on the District's written instructions as evidence of such compliance):

(a) Moneys in the Acquisition and Construction Fund and the Accounts therein shall be invested in Authorized Investments which will by their terms mature, or in the case of an Investment Agreement are available without penalty, as close as practicable to the date the District estimates the moneys represented by the particular investment will be needed for withdrawal from the Acquisition and Construction Fund or the Accounts therein. Notwithstanding anything herein to the contrary, amounts in the Acquisition and Construction Fund or the Accounts therein three years after the Delivery Date for the Bonds and the proceeds of each issue of Parity Bonds issued on a tax-exempt basis which are remaining on deposit in the Acquisition and Construction Fund on the date which is three years following the date of issuance of such issue of Parity Bonds shall be invested by the District only in Authorized Investments the interest on which is excluded from gross income under Section 103 of the Code (other than bonds the interest on which is a tax preference item for purposes

of computing the alternative minimum tax of individuals under the Code) or in Authorized Investments at a yield not in excess of the yield on the issue of Bonds or Parity Bonds from which such proceeds were derived, unless in the opinion of Bond Counsel such restriction is not necessary to prevent interest on the Bonds or any Parity Bonds which were issued on a tax-exempt basis for federal income tax purposes from being included in gross income for federal income tax purposes.

(b) Moneys in the Interest Account, the Principal Account, and the Redemption Account of the Special Tax Fund shall be invested only in Authorized Investments which will by their terms mature, or in the case of an Investment Agreement are available for withdrawal without penalty, on such dates so as to ensure the payment of principal of, premium, if any, and interest on the Bonds and any Parity Bonds as the same become due.

(c) Moneys in the Reserve Account of the Special Tax Fund may be invested only in Authorized Investments (other than the Authorized Investment described in clause (2)(i) of the definition thereof) which, taken together, have a weighted average maturity not in excess of five years; provided that such amounts may be invested in an Investment Agreement to the later of the final maturity of the Bonds or any Parity Bonds so long as such amounts may be withdrawn at any time, without penalty, for application in accordance with Section 3.6 hereof; and provided that no such Authorized Investment of amounts in the Reserve Account allocable to the Bonds or an issue of Parity Bonds shall mature later than the respective final maturity date of the Bonds or the issue of Parity Bonds, as applicable.

(d) Moneys in the Rebate Fund shall be invested only in Authorized Investments of the type described in clause (1) of the definition thereof which by their terms will mature, as nearly as practicable, on the dates such amounts are needed to be paid to the United States Government pursuant to Section 3.7 hereof or in Authorized Investments of the type described in clause (2)(e) of the definition thereof.

(e) In the absence of written investment directions from the District, the Trustee shall hold the funds uninvested.

The Trustee shall sell, or present for redemption, any Authorized Investment whenever it may be necessary to do so in order to provide moneys to meet any payment or transfer to such funds and accounts or from such funds and accounts. Notwithstanding anything in this Indenture to the contrary, the Trustee shall not be responsible for any loss from investments, sales or transfers undertaken in accordance with the provisions of this Indenture. Any Authorized Investments that are registrable securities shall be registered in the name of the Trustee.

The Trustee may act as principal or agent in the making or disposing of any investment and shall be entitled to its customary fee for making such investment. The Trustee may sell at the best market price obtainable, or present for redemption, any Authorized Investment so purchased whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund or account to which such Authorized Investment is credited, and, subject to the provisions of Section 7.4, the Trustee shall not be liable or responsible for any loss resulting from such investment. For investment purposes, the Trustee may commingle the funds and accounts established hereunder, but shall account for each separately. The Trustee is hereby authorized, in making or disposing of any investment permitted by this Section, to deal with itself (in its individual capacity) or which any one or more of its affiliates, whether it or such affiliate is acting as an agent of the Trustee or for any third person or dealing as principal for its own account. The

parties acknowledge that the Trustee is not providing investment supervision, recommendations, or advice.

The District acknowledges that, to the extent that regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive brokerage confirmations of security transactions as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements which include detail for all investment transactions made by the Trustee hereunder.

ARTICLE IV

REDEMPTION OF BONDS AND PARITY BONDS

Section 4.1. Redemption of Bonds.

(a) Optional Redemption. The Bonds may be redeemed at the option of the District from any source of funds on any Interest Payment Date on or after September 1, 20__, in whole or in part, from such maturities as are selected by the District and by lot within a maturity, at the following redemption prices, expressed as a percentage of the principal amount to be redeemed, together with accrued interest to the date of redemption:

<i>Redemption Date</i>	<i>Redemption Price</i>
	103%
	102
	101
	100

In the event that the District elects to redeem Bonds as provided above, the District shall give written notice to the Trustee of its election to so redeem, the redemption date and the principal amount of the Bonds of each maturity to be redeemed. The notice to the Trustee shall be given at least 45 but no more than 60 calendar days prior to the redemption date, or by such later date as is acceptable to the Trustee.

(b) Mandatory Sinking Fund Redemption. The Bonds maturing on September 1, 20__ (the "20__ Term Bonds") shall be called before maturity and redeemed, from the Sinking Fund Payments that have been deposited into the Redemption Account established hereunder, on September 1, 20__ and on each September 1 thereafter prior to maturity in accordance with the schedule of Sinking Fund Payments set forth below. The 20__ Term Bonds so called for redemption shall be selected by the Trustee by lot and shall be redeemed at a redemption price for each redeemed 20__ Term Bond equal to the principal amount thereof, plus accrued interest to the redemption date, without premium, as follows:

The Bonds maturing on September 1, 20__ (the “20__ Term Bonds”) shall be called before maturity and redeemed, from the Sinking Fund Payments that have been deposited into the Redemption Account established hereunder, on September 1, 20__ and on each September 1 thereafter prior to maturity in accordance with the schedule of Sinking Fund Payments set forth below. The 20__ Term Bonds so called for redemption shall be selected by the Trustee by lot and shall be redeemed at a redemption price for each redeemed 20__ Term Bond equal to the principal amount thereof, plus accrued interest to the redemption date, without premium, as follows:

If the District purchases Term Bonds during the Fiscal Year immediately preceding one of the sinking fund redemption dates specified above, the District shall notify the Trustee at least 45 days prior to the redemption date as to the principal amount purchased, and the amount purchased shall be credited at the time of purchase to the next Sinking Fund Payment for the Term Bond so purchased, to the extent of the full principal amount of the purchase. All Bonds purchased pursuant to this subsection shall be cancelled pursuant to Section 10.1 hereof.

In the event of a partial optional redemption or special mandatory redemption of the Term Bonds, each of the remaining Sinking Fund Payments for such Term Bonds shall be reduced, as nearly as practicable, on a pro rata basis and the District will provide a new schedule of Sinking Fund Payments to the Trustee.

(c) Special Mandatory Redemption. The Bonds are subject to special mandatory redemption as a whole or in part on a pro rata basis among maturities and by lot within a maturity, on any Interest Payment Date on or after March 1, 2025, and shall be redeemed by the Trustee, from Prepayments deposited to the Redemption Account pursuant to Section 3.2, plus amounts transferred from the Reserve Account pursuant to Section 3.6(c), at the following redemption prices, expressed

as a percentage of the principal amount to be redeemed, together with accrued interest to the redemption date:

<i>Redemption Date</i>	<i>Redemption Price</i>
	103%
	102

Prepayments and amounts released from the Reserve Account in connection with Prepayments will be allocated to the payment at maturity and redemption of Bonds and any Parity Bonds as nearly as practicable on a proportionate basis based on the outstanding principal amount of the Bonds and any Parity Bonds and such amounts shall be applied to redeem Bonds and Parity Bonds as nearly as practicable on a pro rata basis among maturities in increments of \$5,000; provided, however, that, for Prepayments of less than \$50,000, the District may specify in a Certificate of an Authorized Representative that Prepayments be applied to one or more maturities of the Bonds or Parity Bonds so long as there is delivered to the Trustee a Certificate of the Independent Financial Consultant that, following such application of the Prepayments, the maximum Special Taxes that may be levied in each Fiscal Year on Taxable Property is not less than 110% of Annual Debt Service in the Bond Year that begins in such Fiscal Year.

(d) The redemption provisions for Parity Bonds shall be set forth in a Supplemental Indenture.

Section 4.2. Selection of Bonds and Parity Bonds for Redemption. If less than all of the Bonds or Parity Bonds Outstanding are to be redeemed, the portion of any Bond or Parity Bond of a denomination of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or an integral multiple thereof. In selecting portions of such Bonds or Parity Bonds for redemption, the Trustee shall treat such Bonds or Parity Bonds, as applicable, as representing that number of Bonds or Parity Bonds of \$5,000 denominations which is obtained by dividing the principal amount of such Bonds or Parity Bonds to be redeemed in part by \$5,000. The procedure for the selection of Parity Bonds for redemption may be modified as set forth in the Supplemental Indenture for such Parity Bonds. The Trustee shall promptly notify the District in writing of the Bonds or Parity Bonds, or portions thereof, selected for redemption.

Section 4.3. Notice of Redemption. When Bonds or Parity Bonds are due for redemption under Section 4.1 above or under another redemption provision set forth in a Supplemental Indenture relating to any Parity Bonds, the Trustee shall give notice, in the name of the District, of the redemption of such Bonds or Parity Bonds. Such notice of redemption shall: (i) specify the CUSIP numbers (if any), the bond numbers and the maturity date or dates of the Bonds or Parity Bonds selected for redemption, except that where all of the Bonds or all of an issue of Parity Bonds are subject to redemption, or all of the Bonds or Parity Bonds of one maturity are to be redeemed, the bond numbers of such issue need not be specified; (ii) state the date fixed for redemption and surrender of the Bonds or Parity Bonds to be redeemed; (iii) state the redemption price; (iv) state the place or places where the Bonds or Parity Bonds are to be redeemed; (v) in the case of Bonds or Parity Bonds to be redeemed only in part, state the portion of such Bond or Parity Bond which is to be redeemed; (vi) state the date of issue of the Bonds or Parity Bonds as originally issued; (vii) state the rate of interest borne by each Bond or Parity Bond being redeemed; and (viii) state any other

descriptive information needed to identify accurately the Bonds or Parity Bonds being redeemed as shall be specified by the Trustee. Such notice shall further state that on the date fixed for redemption, there shall become due and payable on each Bond, Parity Bond or portion thereof called for redemption, the principal thereof, together with any premium, and interest accrued to the redemption date, and that from and after such date, interest thereon shall cease to accrue and be payable. At least 30 days but no more than 45 days prior to the redemption date, the Trustee shall mail a copy of such notice of redemption, by first class mail, postage prepaid, to the respective Owners thereof at their addresses appearing on the Bond Register, and to the original purchaser of any Bonds or Parity Bonds; provided, however, so long as the Bonds and Parity Bonds are registered in the name of the Nominee, such notice shall be given in such manner as complies with the requirements of the Depository. The actual receipt by the Owner of any Bond or Parity Bond of notice of such redemption shall not be a condition precedent to redemption, and neither the failure to receive nor any defect in such notice shall affect the validity of the proceedings for the redemption of such Bonds or Parity Bonds, or the cessation of interest on the redemption date. A certificate by the Trustee that notice of such redemption has been given as herein provided shall be conclusive as against all parties and the Owner shall not be entitled to show that he or she failed to receive notice of such redemption.

In addition to the foregoing notice, further notice shall be given by the Trustee as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Each further notice of redemption shall be sent not later than the date that notice of redemption is given to the Owners pursuant to the first paragraph of this Section by first class mail or facsimile to the Depository and to any other registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and Parity Bonds as determined by the Trustee and to one or more of the national information services that the Trustee determines are in the business of disseminating notice of redemption of obligations such as the Bonds and Parity Bonds.

Upon the payment of the redemption price of any Bonds and Parity Bonds being redeemed, each check or other transfer of funds issued for such purpose shall to the extent practicable bear the CUSIP number identifying, by issue and maturity, the Bonds and Parity Bonds being redeemed with the proceeds of such check or other transfer.

With respect to any notice of optional redemption of Bonds or Parity Bonds, such notice may state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, premium, if any, and interest on such Bonds or Parity Bonds to be redeemed and that, if the District determines that such moneys will not be received on the redemption date, said notice shall be of no force and effect and the Trustee shall not be required to redeem such Bonds or Parity Bonds. In the event that such notice of redemption contains such a condition and the District determines that such moneys will not be received, the redemption shall not be made, and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

Section 4.4. Partial Redemption of Bonds or Parity Bonds. Upon surrender of any Bond or Parity Bond to be redeemed in part only, the District shall execute and the Trustee shall

authenticate and deliver to the Owner, at the expense of the District, a new Bond or Bonds or a new Parity Bond or Parity Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bonds surrendered, with the same interest rate and the same maturity or, in the case of surrender of a Parity Bond, a new Parity Bond or Parity Bonds subject to the foregoing limitations.

Section 4.5. Effect of Notice and Availability of Redemption Money. Notice of redemption having been duly given, as provided in Section 4.3 hereof, and the amount necessary for the redemption having been made available for that purpose and being available therefor on the date fixed for such redemption:

(a) the Bonds and Parity Bonds, or portions thereof, designated for redemption shall, on the date fixed for redemption, become due and payable at the redemption price thereof as provided in this Indenture or in any Supplemental Indenture with respect to any Parity Bonds, anything in this Indenture or in the Bonds or the Parity Bonds to the contrary notwithstanding;

(b) upon presentation and surrender thereof at the office of the Trustee (except as provided in Section 4.1(b)), the redemption price of such Bonds and Parity Bonds shall be paid to the Owners thereof;

(c) as of the redemption date the Bonds or the Parity Bonds, or portions thereof so designated for redemption shall be deemed to be no longer Outstanding and such Bonds or Parity Bonds, or portions thereof, shall cease to bear further interest; and

(d) as of the date fixed for redemption no Owner of any of the Bonds, Parity Bonds or portions thereof so designated for redemption shall be entitled to any of the benefits of this Indenture or any Supplemental Indenture, or to any other rights, except with respect to payment of the redemption price and interest accrued to the redemption date from the amounts so made available.

ARTICLE V

COVENANTS AND WARRANTY

Section 5.1. Warranty. The District shall preserve and protect the security pledged hereunder to the Bonds and any Parity Bonds against all claims and demands of all persons.

Section 5.2. Covenants. So long as any of the Bonds or Parity Bonds issued hereunder are Outstanding and unpaid, the District makes the following covenants with the Owners under the provisions of the Act and this Indenture (to be performed by the District or its proper officers, agents or employees), which covenants are necessary and desirable to secure the Bonds and Parity Bonds and tend to make them more marketable; provided, however, that said covenants do not require the District to expend any funds or moneys other than the Special Taxes and other amounts deposited to the Special Tax Fund:

(a) Punctual Payment; Against Encumbrances. The District covenants that it will receive all Special Taxes in trust for the Owners and will deposit all Special Taxes with the Trustee immediately upon their apportionment to the District, and the District shall have no beneficial right or interest in the amounts so deposited except as provided by this Indenture. All such Special Taxes shall be disbursed, allocated and applied solely to the uses and purposes set forth herein, and shall be

accounted for separately and apart from all other money, funds, accounts or other resources of the District.

The District covenants that it will duly and punctually pay or cause to be paid the principal of and interest on every Bond and Parity Bond issued hereunder, together with the premium, if any, thereon on the date, at the place and in the manner set forth in the Bonds and the Parity Bonds and in accordance with this Indenture to the extent that Net Taxes and other amounts pledged hereunder are available therefor, and that the payments into the Funds and Accounts created hereunder will be made, all in strict conformity with the terms of the Bonds, any Parity Bonds, and this Indenture, and that it will faithfully observe and perform all of the conditions, covenants and requirements of this Indenture and all Supplemental Indentures and of the Bonds and any Parity Bonds issued hereunder.

The District will not mortgage or otherwise encumber, pledge or place any charge upon any of the Net Taxes except as provided in this Indenture, and will not issue any obligation or security having a lien or charge upon the Net Taxes superior to or on a parity with the Bonds, other than Parity Bonds. Nothing herein shall prevent the District from issuing or incurring indebtedness which is payable from a pledge of Net Taxes which is subordinate in all respects to the pledge of Net Taxes to repay the Bonds and the Parity Bonds, subject to compliance with the Improvement Area's bonded indebtedness limit.

(b) Levy of Special Tax. Beginning in Fiscal Year 2024-25 and so long as any Bonds or Parity Bonds issued under this Indenture are Outstanding, the District covenants to levy the Special Tax in an amount sufficient, together with other amounts on deposit in the Special Tax Fund, to pay: (1) the principal of and interest on the Bonds and any Parity Bonds when due; (2) the Administrative Expenses; and (3) any amounts required to replenish the Reserve Account of the Special Tax Fund to the Reserve Requirement, including any amounts to pay costs related to the Reserve Policy, if any. The District further covenants that it will take no actions that would discontinue or cause the discontinuance of the Special Tax levy or the District's authority to levy the Special Tax for so long as the Bonds and any Parity Bonds are Outstanding.

(c) Commence Foreclosure Proceedings. The District hereby covenants with and for the benefit of the Owners of the Bonds and the landowners of the Improvement Area securing such Bonds that it will review the public records of the County of Riverside, California, in connection with the collection of the Special Tax not later than July 1 of each year to determine the amount of Special Tax collected in the prior Fiscal Year; and with respect to individual delinquencies within the Improvement Area, if the District determines that any single property owner subject to the Special Tax is delinquent in the payment of Special Taxes in the aggregate of \$2,500 or more or as to any single parcel the delinquent Special Taxes represent more than 5% of the aggregate Special Taxes within the Improvement Area, then the District will send or cause to be sent a notice of delinquency (and a demand for immediate payment thereof) to the property owner within 45 days of such determination, and (if the delinquency remains uncured) the District will cause judicial foreclosure proceedings to be filed in the Superior Court within ninety (90) days of such determination against all properties for which the Special Taxes remain delinquent.

The District covenants that it will deposit the net proceeds of any foreclosure in the Special Tax Fund and will apply such proceeds remaining after the payment of Administrative Expenses to make current payments of principal and interest on the Bonds and any Parity Bonds, to bring the amount on deposit in the Reserve Account up to the Reserve Requirement and to pay any delinquent installments of principal or interest due on the Bonds and any Parity Bonds.

The City Attorney is hereby authorized to employ counsel to conduct any such foreclosure proceedings. The fees and expenses of any such counsel and costs and expenses of the City Attorney (including a charge for City or District staff time) in conducting foreclosure proceedings shall be an Administrative Expense hereunder

(d) Payment of Claims. The District will pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Net Taxes or other funds in the Special Tax Fund (other than the Administrative Expense Account therein), or which might impair the security of the Bonds or any Parity Bonds then Outstanding; provided, however, that nothing herein contained shall require the District to make any such payments so long as the District in good faith shall contest the validity of any such claims.

(e) Books and Accounts. The District will keep proper books of records and accounts, separate from all other records and accounts of the District, in which complete and correct entries shall be made of all transactions relating to the Project, the levy of the Special Tax and the deposits to the Special Tax Fund. Such books of records and accounts shall at all times during business hours be subject to the inspection of the Trustee or of the Owners or the Owners of any issue of Parity Bonds then Outstanding or their representatives authorized in writing.

(f) Federal Tax Covenants. Notwithstanding any other provision of this Indenture, absent an opinion of Bond Counsel that the exclusion from gross income of interest on the Bonds and any Parity Bonds issued on a tax-exempt basis for federal income tax purposes will not be adversely affected for federal income tax purposes, the District covenants to comply with all applicable requirements of the Code necessary to preserve such exclusion from gross income and specifically covenants, without limiting the generality of the foregoing, as follows:

(1) Private Activity. The District will take no action or refrain from taking any action or make any use of the proceeds of the Bonds or any Parity Bonds or of any other monies or property which would cause the Bonds or any Parity Bonds issued on a tax-exempt basis for federal income tax purposes to be “private activity bonds” within the meaning of Section 141 of the Code.

(2) Arbitrage. The District will make no use of the proceeds of the Bonds or any Parity Bonds or of any other amounts or property, regardless of the source, or take any action or refrain from taking any action which will cause the Bonds or any Parity Bonds issued on a tax-exempt basis for federal income tax purposes to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(3) Federal Guaranty. The District will make no use of the proceeds of the Bonds or any Parity Bonds or take or omit to take any action that would cause the Bonds or any Parity Bonds issued on a tax-exempt basis for federal income tax purposes to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

(4) Information Reporting. The District will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code.

(5) Hedge Bonds. The District will make no use of the proceeds of the Bonds or any Parity Bonds or any other amounts or property, regardless of the source, or take any action or refrain from taking any action that would cause the Bonds or any Parity Bonds issued on a

tax-exempt basis for federal income tax purposes to be considered “hedge bonds” within the meaning of Section 149(g) of the Code unless the District takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds and any applicable Parity Bonds.

(6) Miscellaneous. The District will take no action or refrain from taking any action inconsistent with its expectations stated in the Tax Certificate executed on the Delivery Date by the District in connection with the Bonds and any issue of Parity Bonds and will comply with the covenants and requirements stated therein and incorporated by reference herein.

(7) Other Tax-Exempt Issues. The District will not use proceeds of other tax-exempt securities to redeem any Bonds or Parity Bonds without first obtaining the written opinion of Bond Counsel that doing so will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds and any Parity Bonds issued on a tax-exempt basis.

(8) Subsequent Opinions. If the District obtains a subsequent opinion of Bond Counsel other than Stradling Yocca Carlson & Rauth LLP, where such opinion is required in connection with a change or amendment to this Indenture or the procedures set forth in the Tax Certificate, it will obtain an opinion substantially to the effect originally delivered by Stradling Yocca Carlson & Rauth LLP, that interest on the Bonds is excluded from gross income for federal income tax purposes.

(g) Reduction of Maximum Special Taxes. The District hereby finds and determines that, historically, delinquencies in the payment of special taxes authorized pursuant to the Act in community facilities districts in Southern California have from time to time been at levels requiring the levy of special taxes at the maximum authorized rates in order to make timely payment of principal of and interest on the outstanding indebtedness of such community facilities districts. For this reason, the District hereby determines that a reduction in the maximum Special Tax rates authorized to be levied on parcels in the Improvement Area below the levels provided in this Section 5.2(g) would interfere with the timely retirement of the Bonds and Parity Bonds. The District determines it to be necessary in order to preserve the security for the Bonds and Parity Bonds to covenant, and, to the maximum extent that the law permits it to do so, the District hereby does covenant, that it shall not initiate proceedings to reduce the maximum Special Tax rates for the Improvement Area, unless, in connection therewith, the District receives a certificate from one or more Independent Financial Consultants which, when taken together, certify that: (i) such changes do not reduce the maximum Special Taxes that may be levied in each year on property within the Improvement Area to an amount which is less than the Administrative Expense Cap plus 110% of the Annual Debt Service due in each corresponding future Bond Year with respect to the Bonds and Parity Bonds Outstanding as of the date of such proposed reduction; and (ii) the District is not delinquent in the payment of the principal of or interest on the Bonds or any Parity Bonds.

(h) Covenants to Defend. The District covenants that, in the event that any initiative is adopted by the qualified electors in the Improvement Area which purports to reduce the maximum Special Tax below the levels specified in Section 5.2(g) above or to limit the power of the District to levy the Special Taxes for the purposes set forth in Section 5.2(b) above, it will commence and pursue legal action in order to preserve its ability to comply with such covenants.

(i) Limitation on Right to Tender Bonds. The District hereby covenants that it will not adopt any policy pursuant to Section 53344.1 of the Act permitting the tender of Bonds or Parity

Bonds in full payment or partial payment of any Special Taxes unless the District shall have first received a certificate from an Independent Financial Consultant that the acceptance of such a tender will not result in the District having insufficient Net Taxes to pay the principal of and interest on the Bonds and Parity Bonds when due.

(j) Continuing Disclosure. The District covenants to comply with the terms of the Continuing Disclosure Certificate and with the terms of any agreement executed by the District with respect to any Parity Bonds to assist the Underwriter in complying with Rule 15c2-12 adopted by the Securities and Exchange Commission; provided, however, that a failure to comply shall not be considered an event of default hereunder and the Owners shall be limited to enforcing the terms thereof in accordance with the terms of the Continuing Disclosure Certificate.

(k) Further Assurances. The District shall make, execute and deliver any and all such further agreements, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture and for the better assuring and confirming unto the Owners of the Bonds and any Parity Bonds of the rights and benefits provided in this Indenture.

ARTICLE VI

AMENDMENTS TO INDENTURE

Section 6.1. Supplemental Indentures or Orders Not Requiring Owner Consent. The District may from time to time, and at any time, without notice to or consent of any of the Owners, adopt Supplemental Indentures for any of the following purposes:

(a) to cure any ambiguity, to correct or supplement any provisions herein which may be inconsistent with any other provision herein, or to make any other provision with respect to matters or questions arising under this Indenture or in any additional resolution or order, provided that such action is not materially adverse to the interests of the Owners;

(b) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Indenture other covenants, agreements, limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Indenture as theretofore in effect or which further secure Bond or Parity Bond payments;

(c) to provide for the issuance of any Parity Bonds, and to provide the terms and conditions under which such Parity Bonds may be issued, subject to and in accordance with the provisions of this Indenture;

(d) to modify, amend or supplement this Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, or to comply with the Code or regulations issued thereunder, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute, and which shall not materially adversely affect the interests of the Owners of the Bonds or any Parity Bonds then Outstanding;

(e) to modify, alter or amend the RMA in any manner, so long as the Trustee receives a certificate of an Independent Financial Consultant stating that: (i) such changes do not reduce the

maximum Special Taxes that may be levied in each year on property within the Improvement Area to an amount which is less than the Administrative Expense Cap plus 110% of the Annual Debt Service due in each corresponding future Bond Year with respect to the Bonds and Parity Bonds Outstanding as of the date of such amendment; and (ii) based on the current development plan for parcels within the Improvement Area, do not reduce the maximum Special Taxes which could be levied upon Taxable Property within the Improvement Area to an amount which is less than the Administrative Expense Cap plus 110% of the Annual Debt Service due in each corresponding future Bond Year with respect to the Bonds and Parity Bonds Outstanding as of the date of such amendment;

(f) to modify, alter, amend or supplement this Indenture in any other respect which is not materially adverse to the Owners; or

(g) to modify, alter, amend or supplement this Indenture in any other respect, as may be required to fund all or a portion of the Reserve Requirement with a Reserve Policy.

Section 6.2. Supplemental Indentures or Orders Requiring Owner Consent.

Exclusive of the Supplemental Indentures described in Section 6.1, the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding shall have the right to consent to and approve the adoption by the District of such Supplemental Indentures as shall be deemed necessary or desirable by the District for the purpose of waiving, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture; provided, however, that nothing herein shall permit, or be construed as permitting: (a) an extension of the maturity date of the principal, or the payment date of interest on, any Bond or Parity Bond; (b) a reduction in the principal amount of, or redemption premium on, any Bond or Parity Bond or the rate of interest thereon; (c) a preference or priority of any Bond or Parity Bond over any other Bond or Parity Bond; or (d) a reduction in the aggregate principal amount of the Bonds and Parity Bonds the Owners of which are required to consent to such Supplemental Indenture, without the consent of the Owners of all Bonds and Parity Bonds then Outstanding.

If at any time the District shall desire to adopt a Supplemental Indenture, which pursuant to the terms of this Section shall require the consent of the Owners, the District shall so notify the Trustee and shall deliver to the Trustee a copy of the proposed Supplemental Indenture. The Trustee shall, at the expense of the District, cause notice of the proposed Supplemental Indenture to be mailed, by first class mail, postage prepaid, to all Owners at their addresses as they appear in the Bond Register. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that a copy thereof is on file at the office of the Trustee for inspection by all Owners. The failure of any Owners to receive such notice shall not affect the validity of such Supplemental Indenture when consented to and approved by the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding as required by this Section. Whenever at any time within one year after the date of the first mailing of such notice, the Trustee shall receive an instrument or instruments purporting to be executed by the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture described in such notice, and shall specifically consent to and approve the adoption thereof by the District substantially in the form of the copy referred to in such notice as on file with the Trustee, such proposed Supplemental Indenture, when duly adopted by the District, shall thereafter become a part of the proceedings for the issuance of the Bonds and any Parity Bonds. In determining whether the Owners of a majority of the aggregate principal amount of the Bonds and Parity Bonds have consented to the adoption of any Supplemental Indenture, Bonds or Parity Bonds which are owned by the District or by any person

directly or indirectly controlling or controlled by or under the direct or indirect common control with the District, shall be disregarded and shall be treated as though they were not Outstanding for the purpose of any such determination.

Upon the adoption of any Supplemental Indenture and the receipt of consent to any such Supplemental Indenture from the Owners of not less than a majority in aggregate principal amount of the Outstanding Bonds and Parity Bonds in instances where such consent is required pursuant to the provisions of this Section, this Indenture shall be, and shall be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the District and all Owners of Outstanding Bonds and Parity Bonds shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

Section 6.3. Notation of Bonds or Parity Bonds; Delivery of Amended Bonds or Parity Bonds. After the effective date of any action taken as hereinabove provided, the District may determine that the Bonds or any Parity Bonds may bear a notation, by endorsement in form approved by the District, as to such action, and in that case upon demand of the Owner of any Outstanding Bond or Parity Bond at such effective date and presentation of such Owner's Bond or Parity Bond for the purpose at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation as to such action shall be made on such Bonds or Parity Bonds. If the District shall so determine, new Bonds or Parity Bonds so modified as, in the opinion of the District, shall be necessary to conform to such action shall be prepared and executed, and in that case upon demand of the Owner of any Outstanding Bond or Parity Bond at such effective date such new Bonds or Parity Bonds shall be exchanged at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, without cost to each Owner of Outstanding Bonds or Parity Bonds, upon surrender of such Outstanding Bonds or Parity Bonds.

The Trustee shall have the right to require such opinions of counsel as it deems necessary concerning: (i) the lack of material adverse effect of the amendment on Owners; and (ii) the fact that the amendment will not affect the tax status of interest with respect to the Bonds.

ARTICLE VII

TRUSTEE

Section 7.1. Trustee. Zions Bancorporation, National Association shall be the Trustee for the Bonds and any Parity Bonds unless and until another Trustee is appointed by the District hereunder. The Trustee represents that it has (or is a member of a bank holding company system whose bank holding company has) a combined capital (exclusive of borrowed capital) and surplus of at least \$100,000,000. The District may, at any time, appoint a successor Trustee satisfying the requirements of Section 7.2 below for the purpose of receiving all money which the District is required to deposit with the Trustee hereunder and to allocate, use and apply the same as provided in this Indenture.

The Trustee is hereby authorized to and shall mail by first class mail, postage prepaid, or wire transfer in accordance with Section 2.5 above, interest payments to the Owners, to select Bonds and Parity Bonds for redemption, and to maintain the Bond Register. The Trustee is hereby authorized to pay the principal of and premium, if any, on the Bonds and Parity Bonds when the same are duly presented to it for payment at maturity or on call and redemption, to provide for the registration of transfer and exchange of Bonds and Parity Bonds presented to it for such purposes, to provide for the

cancellation of Bonds and Parity Bonds all as provided in this Indenture, and to provide for the authentication of Bonds and Parity Bonds, and shall perform all other duties assigned to or imposed on it as provided in this Indenture. The Trustee shall keep accurate records of all funds administered by it and all Bonds and Parity Bonds paid, discharged and cancelled by it.

The Trustee is hereby authorized to pay and redeem the Bonds and Parity Bonds when duly presented for payment at maturity, or on redemption prior to maturity. The Trustee shall cancel all Bonds and Parity Bonds upon payment thereof in accordance with the provisions of Section 10.1 hereof.

The District shall from time to time, subject to any agreement between the District and the Trustee then in force, timely pay to the Trustee following demand therefor compensation for its services, reimburse the Trustee for all its advances and expenditures, including, but not limited to, advances to and fees, costs and expenses of independent accountants or counsel employed by it in the exercise and performance of its powers and duties hereunder, and indemnify and save the Trustee, its officers, directors, employees and agents, harmless against costs, claims, expenses and liabilities, including, without limitation, fees, costs and expenses of its attorneys (not arising from its own gross negligence or willful misconduct) which it may incur in the exercise and performance of its powers and duties hereunder. The foregoing obligation of the District to indemnify the Trustee shall survive the removal or resignation of the Trustee or the discharge of the Bonds and Parity Bonds.

Section 7.2. Removal of Trustee. The District may at any time at its sole discretion, upon 30 days' notice, remove the Trustee initially appointed, and any successor thereto, by delivering to the Trustee a written notice of its decision to remove the Trustee and may appoint a successor or successors thereto; provided that any such successor shall be a bank or trust company having (or whose parent bank holding company has) a combined capital (exclusive of borrowed capital) and surplus of at least \$100,000,000, and subject to supervision or examination by federal or state authority. Any removal shall become effective only upon acceptance of appointment by the successor Trustee. If any bank or trust company appointed as a successor publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Any removal of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee and notice of the successor Trustee's identity and address being sent by the successor Trustee to the Owners.

Section 7.3. Resignation of Trustee. The Trustee may at any time resign and be discharged from its duties and obligations hereunder by giving written notice to the District. Upon receiving such notice of resignation, the District shall promptly appoint a successor Trustee satisfying the criteria in Section 7.2 above by an instrument in writing. Any resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed by the District within thirty (30) days of giving such notice or removal or resignation, then the Trustee, or any Owner may petition, at the sole expense of the District, a court of competent jurisdiction for the appointment of a successor Trustee and other appropriate relief, and such court may thereupon, after such notice (if any) as it may deem proper, appoint a successor Trustee under this Indenture.

Section 7.4. Liability of Trustee. The recitals of fact and all promises, covenants and agreements contained herein and in the Bonds and any Parity Bonds shall be taken as statements, promises, covenants and agreements of the District, and the Trustee assumes no responsibility or liability for the correctness of the same and makes no representations whatsoever as to the validity or sufficiency of this Indenture, the Bonds or any Parity Bonds, and shall incur no responsibility or liability in respect thereof, other than in connection with its express duties or obligations specifically set forth herein, in the Bonds and any Parity Bonds, or in the certificate of authentication assigned to or imposed upon the Trustee. The Trustee shall not have nor be under any responsibility or duty with respect to the issuance of the Bonds or any Parity Bonds for value. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own gross negligence or willful misconduct. The Trustee shall not be liable for any action taken or omitted by it or any of its officers, employees or agents in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture. The Trustee shall not be liable for any actions taken or omitted to be taken, or any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts.

The Trustee shall be entitled to request and receive written instructions from the District and/or Owners and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Trustee in accordance with the written direction of any such party. The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the written direction of the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of an Owner and/or the District, pursuant to the provisions of this Indenture, unless such party shall have offered to the Trustee security or indemnity (satisfactory to the Trustee in its sole and absolute discretion) against the costs, expenses and liabilities which may be incurred by it in compliance with such request or direction.

Neither the Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the District or any of its directors, members, officers, agents, affiliates or employees, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Trustee may assume performance by all such persons of their respective obligations. The Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other person. The Trustee shall be conclusively protected in acting upon any notice, resolution, request, consent, order, judgement, decree, certificate, report, Bond, Parity Bond or other paper or document signed or presented by the proper party or parties as provided hereunder, not only as to due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained therein. The Trustee may, at the expense of the District, request, rely on and act in accordance with officer's certificates and/or opinions of counsel, and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance with such officer's certificates and opinions of counsel.

The Trustee shall not be bound to recognize any person as the Owner of a Bond or Parity Bond unless and until such Bond or Parity Bond is submitted for inspection, if required, and his title thereto is satisfactorily established to the Trustee, if disputed.

Whenever in the administration of its express obligations under this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, the Trustee may, at the expense of the District, request, rely on and act in accordance with officer's certificates and/or opinions of counsel (unless other evidence in respect thereof be herein specifically prescribed), and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance with such officer's certificates and opinions of counsel, but in its discretion the Trustee may but shall not be obligated to accept other evidence of such matter or may require such additional evidence as to it may seem reasonable. It is understood and agreed that no such act shall broaden or imply the Trustee's acceptance of a broadening of the scope of the Trustee's duties and obligations hereunder unless the Trustee shall provide written acceptance thereof.

The Trustee shall have no duty or obligation whatsoever to enforce the collection of Special Taxes or other funds to be deposited with it hereunder, or as to the correctness of any amounts received, but its liability shall be limited to the proper accounting for such funds as it actually receives. No provision in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of its rights or powers.

The Trustee shall not be deemed to have knowledge of any default or event of default under this Indenture until an officer at the Trustee's corporate trust office responsible for the administration of its duties hereunder shall have actual knowledge thereof or the Trustee shall have received written notice thereof at its corporate trust office.

The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds and any Parity Bonds.

Before taking any action under Article VIII hereof the Trustee may require that indemnity and security satisfactory to the Trustee in its sole and exclusive discretion be furnished to it for and from any expenses and liabilities and to protect it against any liability it may incur hereunder.

The immunities extended to the Trustee also extend to its directors, officers, employees and agents (including its counsel).

The Trustee shall not be liable for any action taken or not taken by it in accordance with the direction of the Owners of 25% (or other percentage provided for herein) in aggregate principal amount of Bonds and Parity Bonds Outstanding relating to the exercise of any right, power or remedy available to the Trustee. In the event of conflicting instructions hereunder, the Trustee shall have the right to decide the appropriate course of action and will be protected in so doing.

The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty or in any way expand or impliedly expand the scope of the Trustee's duties hereunder, and, with respect to such permissive rights, the Trustee shall not be answerable for other than its gross negligence or willful misconduct.

The Trustee may execute any of the trusts or powers hereof and perform any of its duties through attorneys, agents and receivers and shall not be answerable for the conduct of the same if appointed by it with reasonable care. The Trustee shall be entitled to rely on and shall not be liable for any action taken or omitted to be taken by the Trustee in accordance with the advice of counsel or other professionals retained or consulted by the Trustee.

The Trustee may become the Owner or pledgee of the Bonds and Parity Bonds with the same rights it would have if it were not Trustee.

The Trustee shall perform such duties and only such duties as are specifically set forth in this Indenture and no implied duties or obligations shall be read into this Indenture against the Trustee. These duties shall be deemed purely ministerial in nature, and the Trustee shall not be liable except for the performance of such duties.

If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person.

The District shall, to the extent permitted by law, indemnify and save the Trustee and its officers, directors, agents, and employees harmless from and against (whether or not litigated) all claims, losses, costs, expenses, liability and damages, including legal fees and expenses, arising out of: (i) the use, maintenance, condition or management of, or from any work or thing done on, the Project; (ii) any breach or default on the part of the District in the performance of any of its obligations under this Indenture and any other agreement made and entered into for purposes of the Bonds and Parity Bonds; (iii) any act of the City, the District or of any of its agents, contractors, servants, employees or licensees with respect to the Project; (iv) any act of any assignee of, or purchaser from, the City, the District or of any of its or their agents, contractors, servants, employees or licensees with respect to the Project; (v) the construction or acquisition of the Project or the expenditure of Project Costs; (vi) the exercise and performance by the Trustee of its powers and duties hereunder or any related document; (vii) the sale of the Bonds and Parity Bonds and the carrying out of any of the transactions contemplated by the Bonds and Parity Bonds or this Indenture; or (viii) any untrue statement or alleged untrue statement of any material fact or omission or alleged omission to state a material fact necessary to make the statements made in light of the circumstances in which they were made, not misleading in any official statement or other disclosure document utilized in connection with the sale or marketing of the Bonds and Parity Bonds. The indemnification set forth in this Section shall extend to the Trustee's officers, agents, employees, successors and assigns. No indemnification will be made under this Section or elsewhere in this Indenture or other agreements for willful misconduct or negligence by the Trustee, its officers, agents, employees, successors or assigns. The District's indemnification obligations hereunder shall remain valid and binding notwithstanding maturity and payment of the Bonds and Parity Bonds, or the resignation or removal of the Trustee.

In accepting the trust hereby created, the Trustee acts solely as Trustee for the Owners and not in its individual capacity, and all persons, including, without limitation, the Owners, the District and the City, having any claim against the Trustee arising from this Indenture shall look only to the funds and accounts held by the Trustee hereunder for payment, except as otherwise provided herein. Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bonds and any Parity Bonds.

THE TRUSTEE MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY THE DISTRICT OF THE PROJECT, OR ANY PORTION THEREOF. In no event shall the Trustee be liable for incidental, indirect, punitive, special or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), in connection with or arising out of the Project or this Indenture for the existence, furnishing, functioning or use and possession of the Project, irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of *force majeure*. The term “*force majeure*” means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. *Force majeure* shall include, but not limited to, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; quarantine restrictions; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, or other similar occurrences.

The Trustee shall be entitled to request and receive written instructions from the District or other parties and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Trustee in accordance with the written direction of the District or such other parties. The Trustee shall have the right to accept and act upon directions given pursuant to this Indenture and delivered using electronic notice; provided, however, that the District shall provide to the Trustee an incumbency certificate listing each Authorized Representative of the District with the authority to provide such directions and containing specimen signatures of such authorized officers, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the District elects to give the Trustee directions using electronic notice and the Trustee in its discretion elects to act upon such directions, the Trustee’s understanding of such directions shall be deemed controlling. The District understands and agrees that the Trustee cannot determine the identity of the actual sender of such directions and that the Trustee shall conclusively presume that directions that purport to have been sent by an authorized officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Representative of the District. The District shall be responsible for ensuring that only an Authorized Representative of the District shall transmit such directions to the Trustee and that each Authorized Representative of the District treat applicable user and authorization codes, passwords and/or authentication keys with extreme care. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and a compliance with such directions, notwithstanding such directions conflict or are inconsistent with a subsequent written direction. The District agrees (i) to assume all risks arising out of the use of electronic notice to submit directions to the Trustee, including, without limitation, the risk of the Trustee acting on unauthorized directions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting directions to the Trustee and that there may be more secure methods of transmitting directions than the method(s) selected by the District; and (iii) that the security procedures (if any) to be followed in connection with its transmission of directions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 7.5. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, shall be the successor to the Trustee without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding.

ARTICLE VIII

EVENTS OF DEFAULT; REMEDIES

Section 8.1. Events of Default. Any one or more of the following events shall constitute an “Event of Default”:

(a) default in the due and punctual payment of the principal of or redemption premium, if any, on any Bond or Parity Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) default in the due and punctual payment of the interest on any Bond or Parity Bond when and as the same shall become due and payable; or

(c) except as described in subsections (a) or (b), default by the District in the observance of any of the agreements, conditions or covenants on its part contained in this Indenture, the Bonds or any Parity Bonds, which default continues for a period of 30 days after the District has been given notice in writing of such default by the Trustee or the Owners of twenty-five percent (25%) in aggregate principal amount of the Outstanding Bonds and Parity Bonds.

The Trustee agrees to give notice to the Owners as soon as practicable upon the occurrence of an Event of Default under subsections (a) or (b) above and within 30 days of the Trustee’s actual knowledge of an Event of Default under subsection (c) above.

Section 8.2. Remedies of Owners. Upon the occurrence of an Event of Default, any Owner may pursue any available remedy at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Outstanding Bonds and Parity Bonds, and to enforce any rights of the Trustee under or with respect to this Indenture, including:

(a) by mandamus or other suit or proceeding at law or in equity to enforce his rights against the District and any of the members, officers and employees of the District, and to compel the District or any such members, officers or employees to perform and carry out their duties under the Act and their agreements with the Owners as provided in this Indenture;

(b) by suit in equity to enjoin any actions or things which are unlawful or violate the rights of the Owners; or

(c) by a suit in equity to require the District and its members, officers and employees to account as the trustee of an express trust.

If an Event of Default shall have occurred and be continuing and if requested and directed so to do by the Owners of at least twenty-five percent (25%) in aggregate principal amount of Outstanding Bonds and Parity Bonds and if indemnified to its satisfaction, the Trustee shall be

obligated to exercise such one or more of the rights and powers conferred by this Article VIII, as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Owners of the Bonds and Parity Bonds.

No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law.

Section 8.3. Application of Revenues and Other Funds After Default. All amounts received by the Trustee pursuant to any right given or action taken by the Owners under the provisions of this Indenture relating to the Bonds and Parity Bonds shall be applied by the Trustee in the following order upon presentation of the several Bonds and Parity Bonds:

First, to the payment of the costs, fees and expenses of the Trustee in declaring such Event of Default and in performing its duties and obligations hereunder, including reasonable compensation to its agents, attorneys and counsel;

Second, to the payment of the fees, costs and expenses of the Owners in declaring such Event of Default and in carrying out the provisions of this Article VIII, including reasonable compensation to its agents, attorneys and counsel, and to the payment of all other outstanding fees and expenses of the Trustee; and

Third, to the payment of the whole amount of interest on and principal of the Bonds and Parity Bonds then due and unpaid, with interest on overdue installments of principal and interest to the extent permitted by law at the net effective rate of interest then borne by the Outstanding Bonds and Parity Bonds; provided, however, that in the event that such amounts shall be insufficient to pay the full amount of such interest and principal, then such amounts shall be applied in the following order of priority:

(a) first to the payment of all installments of interest on the Bonds and Parity Bonds then due and unpaid on a pro rata basis based on the total amount then due and owing;

(b) second, to the payment of all installments of principal, including Sinking Fund Payments, of the Bonds and Parity Bonds then due and unpaid on a pro rata basis based on the total amount then due and owing; and

(c) third, to the payment of interest on overdue installments of principal and interest on the Bonds and Parity Bonds on a pro rata basis based on the total amount then due and owing.

Section 8.4. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its obligations hereunder, whether upon its own discretion or upon the request of the Owners of twenty-five percent (25%) in aggregate principal amount of the Bonds and Parity Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds and Parity Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw,

compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in aggregate principal amount of the Outstanding Bonds and Parity Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other such litigation. Any suit, action or proceeding which any Owner of Bonds or Parity Bonds shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners of Bonds and Parity Bonds similarly situated and the Trustee is hereby appointed (and the successive respective Owners of the Bonds and Parity Bonds issued hereunder, by taking and holding the same, shall be conclusively deemed so to have appointed it) the true and lawful attorney in fact of the respective Owners of the Bonds and Parity Bonds for the purposes of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners of the Bonds and Parity Bonds as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact.

Section 8.5. Appointment of Receivers. Upon the occurrence of an Event of Default hereunder, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights and of the Owners of the Bonds and Parity Bonds under this Indenture, the Trustee shall be entitled, as a matter of right to which the District expressly agrees, to the appointment of a receiver or receivers of the Net Taxes and other amounts pledged hereunder, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 8.6. Non-Waiver. Nothing in this Article VIII or in any other provision of this Indenture, or in the Bonds or the Parity Bonds, shall affect or impair the obligation of the District, which is absolute and unconditional, to pay the interest on and principal of the Bonds and Parity Bonds to the respective Owners of the Bonds and Parity Bonds at the respective dates of maturity, as herein provided, or to pay the Trustee its fees and expenses as provided in Section 8.3 hereof, out of the Net Taxes and other moneys herein pledged for such payment.

A waiver of any default or breach of duty or contract by the Trustee or any Owners shall not affect any subsequent default or breach of duty or contract, or impair any rights or remedies on any such subsequent default or breach. No delay or omission of the Trustee or any Owner of any of the Bonds or Parity Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy conferred upon the Trustee or the Owners by the Act or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee or the Owners, as the case may be.

Section 8.7. Limitations on Rights and Remedies of Owners. No Owner of any Bond or Parity Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless: (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds and Parity Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity and security reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity and security shall have been made to, the Trustee.

Such notification, request, tender of indemnity and security and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds and Parity Bonds of any remedy hereunder; it being understood and intended that no one or more Owners of Bonds and Parity Bonds shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds and Parity Bonds.

The right of any Owner of any Bond and Parity Bond to receive payment of the principal of and interest and premium (if any) on such Bond and Parity Bond as herein provided or to institute suit for the enforcement of any such payment, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.8. Termination of Proceedings. In case any Owner shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case, the District, the Trustee and the Owners shall be restored to their former positions and rights hereunder, respectively, with regard to the property subject to this Indenture, and all rights, remedies and powers of the Owners shall continue as if no such proceedings had been taken.

ARTICLE IX

DEFEASANCE AND PARITY BONDS

Section 9.1. Defeasance. If the District shall pay or cause to be paid, or there shall otherwise be paid, to the Owner of an Outstanding Bond or Parity Bond the interest due thereon and the principal thereof, at the times and in the manner stipulated in this Indenture or any Supplemental Indenture, then the Owner of such Bond or Parity Bond shall cease to be entitled to the pledge of Net Taxes, and, other than as set forth below, all covenants, agreements and other obligations of the District to the Owner of such Bond or Parity Bond under this Indenture and any Supplemental Indenture relating to such Parity Bond shall thereupon cease, terminate and become void and be discharged and satisfied. In the event of a defeasance of all Outstanding Bonds and Parity Bonds pursuant to this Section, the Trustee shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the District's general fund all money or securities held by it pursuant to this Indenture which are not required for the payment of the principal of, premium, if any, and interest due on such Bonds and Parity Bonds.

Any Outstanding Bond or Parity Bond shall be deemed to have been paid within the meaning expressed in the first paragraph of this Section if such Bond or Parity Bond is paid in any one or more of the following ways:

(a) by paying or causing to be paid the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same become due and payable;

(b) by depositing with the Trustee, in trust, at or before maturity, money which, together with the amounts then on deposit in the Special Tax Fund (exclusive of the Administrative Expense Account) and available for such purpose, is fully sufficient to pay the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same shall become due and payable; or

(c) by depositing with the Trustee or another escrow bank appointed by the District, in trust, federal securities described in subparagraph (1) of the definition of Authorized Investments, in which the District may lawfully invest its money, in such amount as will be sufficient, together with the interest to accrue thereon and moneys then on deposit in the Special Tax Fund (exclusive of the Administrative Expense Account) and available for such purpose, together with the interest to accrue thereon, to pay and discharge the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same shall become due and payable.

If paid as provided above, then, at the election of the District, and notwithstanding that any Outstanding Bonds and Parity Bonds shall not have been surrendered for payment, all obligations of the District under this Indenture and any Supplemental Indenture with respect to such Bond or Parity Bond shall cease and terminate, except for the obligation of the Trustee to pay or cause to be paid to the Owners of any such Bond or Parity Bond not so surrendered and paid all sums due thereon, and except for the covenants of the District contained in Section 5.2(f) or any covenants in a Supplemental Indenture relating to compliance with the Code. Notice of such election shall be filed with the Trustee not less than ten days prior to the proposed defeasance date, or such shorter period of time as may be acceptable to the Trustee. In connection with a defeasance under (c) above, there shall be provided to the District a verification report from an independent nationally recognized certified public accountant stating its opinion as to the sufficiency of the moneys or securities deposited with the Trustee or the escrow bank to pay and discharge the principal of, premium, if any, and interest on all Outstanding Bonds and Parity Bonds to be defeased in accordance with this Section, as and when the same shall become due and payable, and an opinion of Bond Counsel (which may rely upon the opinion of the certified public accountant) to the effect that the Bonds or Parity Bonds being defeased have been legally defeased in accordance with this Indenture and any applicable Supplemental Indenture.

Upon a defeasance, the Trustee, upon request of the District, shall release the rights of the Owners of such Bonds and Parity Bonds which have been defeased under this Indenture and any Supplemental Indenture and execute and deliver to the District all such instruments as may be desirable to evidence such release, discharge and satisfaction. In the case of a defeasance hereunder of all Outstanding Bonds and Parity Bonds, the Trustee shall pay over or deliver to the District any funds held by the Trustee at the time of a defeasance, which are not required for the purpose of paying and discharging the principal of or interest on the Bonds and Parity Bonds when due. The Trustee shall, at the written direction of the District, mail, first class, postage prepaid, a notice to the Owners whose Bonds or Parity Bonds have been defeased, in the form directed by the District, stating that the defeasance has occurred.

Section 9.2. Conditions for the Issuance of Parity Bonds and Other Additional Indebtedness. The District may at any time after the issuance and delivery of the Bonds hereunder issue Parity Bonds payable from the Net Taxes and other amounts deposited in the Special Tax Fund (other than in the Administrative Expense Account therein) and secured by a lien and charge upon such amounts equal to the lien and charge securing the Outstanding Bonds and any other Parity Bonds theretofore issued hereunder or under any Supplemental Indenture; provided, however, that Parity Bonds may only be issued for the purpose of refunding all or a portion of the Bonds or Parity

Bonds then Outstanding subject to the following specific conditions, which are hereby made conditions precedent to the issuance of any such Parity Bonds:

(a) The District shall be in compliance with all covenants set forth in this Indenture and any Supplemental Indenture then in effect and a certificate of the District to that effect shall have been filed with the Trustee; provided, however, that Parity Bonds may be issued notwithstanding that the District is not in compliance with all such covenants so long as immediately following the issuance of such Parity Bonds the District will be in compliance with all such covenants.

(b) The issuance of such Parity Bonds shall have been duly authorized pursuant to the Act and all applicable laws, and the issuance of such Parity Bonds shall have been provided for by a Supplemental Indenture duly adopted by the District which shall specify the following:

(1) the purpose for which such Parity Bonds are to be issued and the fund or funds into which the proceeds thereof are to be deposited;

(2) the authorized principal amount of such Parity Bonds;

(3) the date and the maturity date or dates of such Parity Bonds; provided that: (i) each maturity date shall fall on a September 1; (ii) all such Parity Bonds of like maturity shall be identical in all respects, except as to number; (iii) fixed serial maturities or Sinking Fund Payments, or any combination thereof, shall be established to provide for the retirement of all such Parity Bonds on or before their respective maturity dates; and (iv) the maturity of such Parity Bonds shall not exceed the maturity of the Bonds being refunded;

(4) the description of the Parity Bonds, the place of payment thereof and the procedure for execution and authentication;

(5) the denominations and method of numbering of such Parity Bonds;

(6) the amount and due date of each mandatory Sinking Fund Payment, if any, for such Parity Bonds;

(7) the amount, if any, to be deposited from the proceeds of such Parity Bonds in the Reserve Account of the Special Tax Fund to increase the amount therein to the Reserve Requirement;

(8) the form of such Parity Bonds; and

(9) such other provisions as are necessary or appropriate and not inconsistent with this Indenture.

(c) The District shall have received the following documents or money or securities, all of such documents dated or certified, as the case may be, as of the date of delivery of such Parity Bonds by the Trustee (unless the Trustee shall be directed by the District to accept any of such documents bearing a prior date):

(1) a certified resolution of the City Council, acting as the legislative body of the District, authorizing the issuance of such Parity Bonds;

(2) a written request of the District as to the delivery of such Parity Bonds;

(3) an opinion of Bond Counsel and/or general counsel to the District to the effect that: (i) the District has the right and power under the Act to execute and deliver the Supplemental Indenture relating to such Parity Bonds, and such Supplemental Indenture has been duly and lawfully executed by the District, and the Indenture and such Supplemental Indenture are in full force and effect and are valid and binding upon the District and enforceable in accordance with their terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization and other similar laws relating to the enforcement of creditors' rights); (ii) this Indenture creates the valid pledge which it purports to create of the Net Taxes and other amounts as provided in this Indenture, subject to the application thereof to the purposes and on the conditions permitted by this Indenture; and (iii) such Parity Bonds are valid and binding limited obligations of the District, enforceable in accordance with their terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization and other similar laws relating to the enforcement of creditors' rights) and the terms of this Indenture and the Supplemental Indenture executed and delivered in connection with such Parity Bonds and are entitled to the benefits of this Indenture and such Supplemental Indenture, and such Parity Bonds have been duly and validly authorized and issued in accordance with the Act (or other applicable laws) and this Indenture and such Supplemental Indenture;

(4) a certificate of the District containing such statements as may be reasonably necessary to show compliance with the requirements of this Indenture;

(5) a certificate of an Independent Financial Consultant certifying that in each Bond Year the Annual Debt Service on the Bonds and Parity Bonds to remain Outstanding following the issuance of the Parity Bonds proposed to be issued is less than the Annual Debt Service on the Bonds and Parity Bonds Outstanding prior to the issuance of such Parity Bonds; and

(6) such further documents, money and securities as are required by the provisions of this Indenture and the Supplemental Indenture providing for the issuance of such Parity Bonds.

ARTICLE X

MISCELLANEOUS

Section 10.1. Cancellation of Bonds and Parity Bonds. All Bonds and Parity Bonds surrendered to the Trustee for payment upon maturity or for redemption shall be upon payment therefor, and any Bond or Parity Bond purchased by the District as authorized herein and delivered to the Trustee for such purpose shall be, cancelled forthwith and shall not be reissued. The Trustee shall destroy such Bonds and Parity Bonds, as provided by law, and, upon request of the District, furnish to the District a certificate of such destruction.

Section 10.2. Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by this Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Owners in person or by their attorneys appointed by an instrument in writing for that purpose, or by the bank, trust company or other depository for such Bonds. Proof of the execution of any such instrument, or of any instrument appointing any such

attorney, and of the ownership of Bonds or Parity Bonds shall be sufficient for the purposes of this Indenture (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his or her attorney of any such instrument, and of any instrument appointing any such attorney, may be proved by a signature guarantee of any bank or trust company located within the United States of America. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such signature guarantee shall also constitute sufficient proof of his authority.

(b) As to any Bond or Parity Bond, the person in whose name the same shall be registered in the Bond Register shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of any such Bond or Parity Bond, and the interest thereon, shall be made only to or upon the order of the registered Owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond or Parity Bond and the interest thereon to the extent of the sum or sums to be paid. Neither the District nor the Trustee shall be affected by any notice to the contrary.

Nothing contained in this Indenture shall be construed as limiting the Trustee or the District to such proof, it being intended that the Trustee or the District may accept any other evidence of the matters herein stated which the Trustee or the District may deem sufficient. Any request or consent of the Owner of any Bond or Parity Bond shall bind every future Owner of the same Bond or Parity Bond in respect of anything done or suffered to be done by the Trustee or the District in pursuance of such request or consent.

Section 10.3. Unclaimed Moneys. Anything in this Indenture to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of any of the Outstanding Bonds and Parity Bonds which remain unclaimed for two years after the date when such Outstanding Bonds or Parity Bonds have become due and payable, if such money was held by the Trustee at such date, or for two years after the date of deposit of such money if deposited with the Trustee after the date when such Outstanding Bonds or Parity Bonds become due and payable, shall be repaid by the Trustee to the District, as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Outstanding Bonds or Parity Bonds; provided, however, that, before being required to make any such payment to the District, the Trustee, at the expense of the District, shall cause to be mailed by first-class mail, postage prepaid, to the registered Owners of such Outstanding Bonds or Parity Bonds at their addresses as they appear on the registration books of the Trustee a notice that said money remains unclaimed and that, after a date named in said notice, which date shall not be less than 30 days after the date of the mailing of such notice, the balance of such money then unclaimed will be returned to the District.

Section 10.4. Provisions Constitute Contract; Governing Law. The provisions of this Indenture shall constitute a contract between the District and the Owners and the provisions hereof shall be governed by and construed in accordance with the laws of the State of California.

In case any suit, action or proceeding to enforce any right or exercise any remedy shall be brought or taken and, should said suit, action or proceeding be abandoned, or be determined adversely to the Owners or the Trustee, then the District, the Trustee and the Owners shall be

restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

After the issuance and delivery of the Bonds, this Indenture shall be irrevocable, but shall be subject to modifications to the extent and in the manner provided in this Indenture, but to no greater extent and in no other manner.

Section 10.5. Future Contracts. Nothing herein contained shall be deemed to restrict or prohibit the District from making contracts or creating bonded or other indebtedness payable from a pledge of the Net Taxes which is subordinate to the pledge hereunder, or which is payable from the general fund of the District or from taxes or any source other than the Net Taxes and other amounts pledged hereunder.

Section 10.6. Further Assurances. The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the Bonds or any Parity Bonds the rights and benefits provided in this Indenture.

Section 10.7. Entire Agreement; Severability. This Indenture and the exhibits hereto set forth the entire agreement and understanding of the parties related to this transaction and supersedes all prior agreements and understandings, oral or written. If any covenant, agreement or provision, or any portion thereof, contained in this Indenture, or the application thereof to any person or circumstance, is held to be unconstitutional, invalid or unenforceable, the remainder of this Indenture and the application of any such covenant, agreement or provision, or portion thereof, to other persons or circumstances, shall be deemed severable and shall not be affected thereby, and this Indenture, the Bonds and any Parity Bonds issued pursuant hereto shall remain valid and the Owners shall retain all valid rights and benefits accorded to them under the laws of the State of California.

shall be payable from the last Interest Payment Date to which the interest has been paid or made available for payment or, if no interest has been paid or made available for payment, interest on this Bond shall be payable from the Dated Date set forth above. Interest will be paid semiannually on March 1, 2025 and each March 1 and September 1 thereafter (each an “Interest Payment Date”), at the Interest Rate set forth above, until the Principal Amount hereof is paid or made available for payment.

The principal of and premium, if any, on this Bond are payable to the Owner hereof in lawful money of the United States of America upon presentation and surrender of this Bond at the Principal Office of the Trustee (as such term is defined in the Indenture), initially Zions Bancorporation, National Association (the “Trustee”). Interest on this Bond shall be paid by check of the Trustee mailed, by first class mail, postage prepaid, or in certain circumstances described in the Indenture by wire transfer to an account within the United States of America, to the Owner hereof as of the close of business on the fifteenth day of the month preceding the month in which the Interest Payment Date occurs (the “Record Date”) at such Owner’s address as it appears on the registration books maintained by the Trustee.

This Bond is one of a duly authorized issue of the “City of Beaumont Community Facilities District No. 93-1 (Improvement Area No. 17D) Special Tax Bonds, Series 2024” (the “Bonds”) issued in the aggregate principal amount of \$_____ pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, being Section 53311 *et seq.* of the California Government Code (the “Act”) for the purpose of financing public improvements, funding a reserve account, funding capitalized interest on the Bonds and paying certain costs related to the issuance of the Bonds. The issuance of the Bonds and the terms and conditions thereof are provided for by a resolution adopted by the City Council of the City, acting in its capacity as the legislative body of the District (the “Legislative Body”), on _____, 2024, and a Bond Indenture executed in connection therewith dated as of _____ 1, 2024 (the “Indenture”), by and between the District and the Trustee, and this reference incorporates the Indenture herein, and by acceptance hereof the Owner of this Bond assents to said terms and conditions. The Indenture is adopted under and this Bond is issued under, and both are to be construed in accordance with, the laws of the State of California.

Pursuant to the Act and the Indenture, the principal of, premium, if any, and interest on this Bond are payable solely from the portion of the annual special taxes authorized under the Act to be levied and collected within Improvement Area No. 17D of the District (the “Special Taxes”) and certain other amounts pledged to the repayment of the Bonds as set forth in the Indenture. Any amounts for the payment hereof shall be limited to the Net Taxes pledged and collected or foreclosure proceeds received following a default in payment of the Special Taxes and other amounts deposited to the Special Tax Fund (other than the Administrative Expense Account therein) established under the Indenture, except to the extent that other provision for payment has been made by the Legislative Body, as may be permitted by law. The District has covenanted for the benefit of the owners of the Bonds that under certain circumstances described in the Indenture it will commence and diligently pursue to completion appropriate foreclosure proceedings in the event of delinquencies of Special Tax installments levied for payment of principal and interest on the Bonds.

The Bonds may be redeemed at the option of the District from any source of funds on any Interest Payment Date on and after September 1, 20__, in whole or in part, from such maturities as are selected by the District and by lot within a maturity, at the following redemption prices, expressed as a percentage of the principal amount to be redeemed, together with accrued interest to the date of redemption:
