

Staff Report

TO: City Council
FROM: Robert Vestal, Public Works Director
DATE December 17, 2024
SUBJECT: Accept Public Improvements and Exonerate Maintenance Bond

Description Maintenance bond exoneration for street improvements associated with Cherry Ave from Oak Valley Parkway to Cougar Way (Sundance) and Traffic Signal improvements associated with Parcel Map No. 36426.

Background and Analysis:

The City requires all developers to provide construction security for public improvements consisting of, but not limited to, street improvements, sewer improvements, storm drain improvements, and survey monumentation. After the improvements are constructed, City staff verifies that no liens have been filed, that the improvements are completed in accordance with the project's conditions of approval, design standards, and City requirements, and that all punch list items have been addressed. Once verified, City Council may exonerate the construction security and accept a one-year maintenance security.

During the one-year maintenance period, the developer maintains all associated improvements. After the one-year term has elapsed, the developer may petition the City Council to accept the improvements into the publicly maintained system and exonerate the maintenance security.

After the petition is received by the Public Works Department, City staff verifies that the previously constructed improvements have been maintained in accordance with City standards. Maintenance includes replacing defective materials, repairing defective craftsmanship, replacing missing components, repairing or replacing damaged finishes and surfaces, and repairing any other deficiencies.

The principal is requesting that the public improvements listed in Table No. 1 be accepted and respective maintenance bonds exonerated.

Table No. 1 – Bond Summary

Project	Maintenance Bond Number	Improvement Value	File Number	Improvement	Principal
Cherry Ave from Oak Valley to Cougar Way (Sundance)	929598708-M	\$72,352.71	2028	Street Improvements	Pardee Homes
Parcel Map No. 36426	107736393	\$21,530.00	3321	Traffic Signal Improvements	MPLD II Inland Empire LLC

Fiscal Impact:

The cost of preparing the staff report is estimated to be \$350.

The approximate value of general government assets being accepted is \$93,882.71 for street improvements and traffic signal improvements. The cost to maintain these facilities will be covered through the existing Public Works operating budget. The one-year maintenance period will terminate with this acceptance.

Recommended Action:

Accept the public improvements, authorize the Mayor to sign the Certificate of Acceptance, and authorize staff to issue a bond exoneration letter for maintenance bonds for (Project / Bond Number / Improvement):

- Cherry Ave from Oak Valley to Cougar Way (Sundance) / 929598708-M / Street
