

Legislative Update

Presented by: Dr. Darron Usher, Principal Management Analyst
City Manager's Office

Key Dates for Legislation

- May 2nd:** Last day for Policy Committees to hear and report fiscal bills
- May 9th:** Last day for Policy Committees to hear and report non-fiscal bills.
- May 23rd:** Last day for fiscal committees to hear and report to the floor bills introduced in their house. Last day for fiscal committees to meet before June 9

City of Beaumont 2025 Legislative Platform*

Guiding Principles

- I. Preserve Local Control
- II. Promote Fiscal Stability
- III. Support Funding Opportunities
- IV. Enhance Quality of Life Through Adequate Public Safety

**Adopted by City Council on February 4, 2025*

Key Legislation to Review

[AB 400 \(Pacheco\)](#)

Topic: Law Enforcement – Police Canines

Summary: Mandate a canine program policy that aligns with POST by 2027.

Status: 04/09/2025 last hearing on the item

Implication: Would require the City to update canine policy. Could increase costs to the City based on training and policy implementation.

[AB 451 \(Petrie-Norris\)](#)

Topic: Law Enforcement Policies on Restraining Orders

Summary: Requires local law enforcement agencies to develop and implement policies with restraining orders that include firearm restrictions.

Status: 4/9/2025 – Assembly Appropriations

Implication: Would require the City to develop policies to comply by 2027. May require additional training for officers.

Key Legislation to Review

[AB 247\(Bryan\)](#)

Topic: Incarcerated Crew Members: Wages

Summary: Mandates an hourly wage of \$19/hr. and credit reduction for incarcerated persons who were assigned to fire incidents.

Status: Pending legislative review in the Assembly

Implication: Budget increases for the County, which could be passed on to contracted cities.

[AB 306 \(Shulz, Rivas\)](#)

Topic: Moratorium on code updates

Summary: It would establish a six-year moratorium on any city code updates.

Status: 4/23 Re-referred to committees on housing.

Implication: Would have an impact on the City as we are currently going through a zoning code update.

Key Legislation to Review

[SB 415 \(Reyes\)](#)

Topic: Planning & Logistics Bill

Summary: Aims to enhance land use planning concerns for logistics (AB 98 clean-up bill) for clearer definitions for logistics.

Status: 4/25 Rereferred to committees for review

Implication: The city would need to update land use policies and transportation plans. (PLUS Policy).

[AB 1060 \(Avila Farias\)](#)

Summary: Requires invoices from city attorneys made available without redaction.

Status: 3/10 Still within Assembly committees

Implication: Could impact the privacy of legal matters before they are settled if details are provided in invoices.

Key Legislation to Review

[AB 735 \(Carillo\)](#)

Topic: Planning and Logistics Bill

Summary: Changes to logistics development standards, air quality monitoring, and truck routing plans.

Status: 4/30: Scheduled for hearing in assembly

Implication: We may have to evaluate our PLUS Policy if significant changes are made with these bills.
