NOW, THEREFORE, BE IT RESOLVED, by the Planning Commission of the City of Beaumont as follows:

Section 1. Recitals

The above recitals are hereby incorporated herein by this reference.

- (c) All environmental documents, including but not limited to, the Environmental Impact Report (“EIR”), public comments in response to the EIR, and final EIR;

Further, the Repeal of the Specific Plan Amendment is exempt from the provisions of the California Environmental Quality Act (CEQA), pursuant to CEQA Guidelines Section 15061(b)(3), because it can be seen with certainty that the proposed action will not have any effect or any substantial effect on the environment. The proposed Repeal returns the development standards that were previously existing prior to the adoption of NCVSP as amended. No new

changes to the development standards in these areas would be made. The return of these standards to those previously existing or thereafter amended will not have an environmental impact.

Section 4. Findings for Specific Plan.

The Planning Commission has considered all of the evidence submitted into the administrative record for the proposed repeal of the Noble Creek Vistas Specific Plan and in accordance with 17.03.140 of the Beaumont, California – Code of Ordinances, bases its recommendation of repeal of the NCVSP on the following findings.

- (a) The subject property is no longer physically suitable for the land use designation(s) and the anticipated land use development(s) identified in the NCVSP;
- (b) The NCVSP is now outdated and no longer feasible for development. Repeal of the NCVSP will not adversely affect surrounding properties in that it will return to its previous state, which was previously compatible with the surrounding neighborhood;
- (c) Repeal of the NCVSP will not affect the public interest, health, safety, convenience, or welfare of the City.

Section 5. Repeal of Specific Plan

The Planning Commission recommends that the City Council repeal the Noble Creek Vistas Specific Plan.
