Request for Extension – Cooperative Agreement for Right-of-Way Encroachments & Pavement Restoration

Dear Mr. Vestal,

Pursuant to Section 2.3 and 2.4 of the 2024 Cooperative Agreement between the City of Beaumont and the Beaumont-Cherry Valley Water District (BCVWD), this letter serves as BCVWD's formal request for a one-year extension of the Agreement beyond the Initial Term ending September 3, 2025.

Throughout the proving period, BCVWD has:

- Complied with the restoration requirements of California Water Code §22431.
- Followed the BCVWD Paving Restoration & Trench Repair Standard Attachment 3 of the Agreement).
- Maintained required insurance, provided timely notifications, and implemented traffic control measures consistent with MUTCD/WATCH guidelines.
- Completed restoration work within the required timeframes and addressed any warranty-related issues promptly.

We believe the Agreement has effectively met the mutual objectives of protecting the City's street infrastructure, facilitating timely water system repairs, and ensuring public safety.

We respectfully request that the City Council formally consider and approve a one-year Renewal Term as provided under Section 2.4, with the City Manager executing the extension. BCVWD looks forward to continuing our cooperative partnership with the City of Beaumont.

Dan Jagers, General Manager

Beaumont-Cherry Valley Water District
