

Proclamation

National Community Planning Month

WHEREAS, sound planning and proactive community development are essential for creating sustainable, vibrant, and prosperous communities in Beaumont; and

WHEREAS, the Beaumont Community Development Department, Planning Division, along with countless residents, volunteers, commissioners, and stakeholders, work tirelessly to shape the future of our city through thoughtful design and responsible growth; and

WHEREAS, effective planning addresses complex challenges related to housing affordability, environmental sustainability, economic development, public health, and transportation; and

WHEREAS, celebrating planning raises public awareness about the benefits of well-planned communities and encourages greater civic participation in shaping our shared future.

THEREFORE BE IT PROCLAIMED that the month of October 2025, be recognized as “Community Planning Month” and call citizens to join in celebrating the importance of the planning field and to thank the dedicated professionals and volunteers who help build a better community for us all.

ATTEST:

Mayor

Deputy City Clerk
