SEPTEMBER 2025

CITY MANAGER'S MONTHLY REPORT

Report to the City Council & Community

CITY MANAGER'S WELCOME

I am pleased to present the City Manager's monthly report highlighting the City of Beaumont's key activities and accomplishments for the month of September. Our departments have remained focused on delivering exceptional services to our community while advancing the City Council's strategic priorities.

Highlights from September include:

- Infrastructure & Capital Projects: Progress continued on several major streets, including ongoing improvements to 2nd Street and progress towards starting the Sports Park Renovations.
- Community Development and Business Growth: Major milestones have been reached, such as the annexation of Beaumont Pointe, developments at Oak Valley Village, and the upcoming grand opening of the Pass Area BizHub, each reflecting the city's continued growth and economic vitality.
- Parks, Recreation & Events: We hosted many special events, including National Senior Center Month and our Hispanic Heritage Celebration.
- Organizational Excellence: Staff continued to pursue efficiency initiatives and grant opportunities to maximize resources while maintaining the City's strong fiscal position.

As always, I want to recognize and thank our dedicated staff for their hard work and commitment to excellence. Their efforts ensure that Beaumont continues to thrive as a vibrant, welcoming community.

Thank you for your continued leadership and support as we work together to advance the City's mission and serve our residents.

Sincerely,

Elizabeth Gibbs

COMMUNICATION

Fire Station 66's Push-In Ceremony

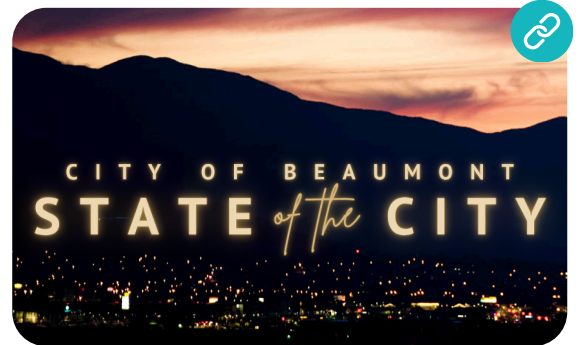

On September 3, coverage was coordinated to capture the Push-in Ceremony for Fire Station 66's new 2025 Spartan Smeal Type I Fire Engine.

This event provides an official, ceremonial welcome for the unit as it enters service and honors firefighting history.

2025 State of the City

Working alongside the committee, the Public Information Officer led strategies across video production, speech, design, and event logistics to ensure a unified message that highlighted the City's priorities.

Collaboration with AV Props also supported the live delivery and recording of Mayor Lara's State of the City address. Residents are encouraged to view a recap of the livestream on the City's YouTube channel.

Pass Area BizHub - Grand Opening Support

Staff has supported the outreach efforts for the Pass Area Biz Hub's grand opening, scheduled for Fall 2025. This upcoming event marks a significant step in offering education and skills for business and workforce development.

COMMUNICATION

Website Assistance

Website assistance was provided to automate processes for the following departments:

- **Police Department** - Seeking a self-registration tool for users to schedule appointments for Live Scans, allowing office staff to dedicate more time in responding to other non-emergency calls.
- **Community Development** - Incorporating frequently asked questions as trained responses within the website's Chatbot system to provide timely responses for residents and other stakeholders.

Critical Mention

Critical Mention was integrated as a new software tool to provide real-time media monitoring and analysis across many digital platforms - including online news sources and social media. This software will allow staff to monitor feedback by using keywords across different media types and specific markets.

Staff Recognition

Following a successful internship and a WRCOG fellowship with the City, **Princess Cunanan** was selected to continue their work as the department's new Communications Specialist.

This role will support graphic design, videography, and community outreach efforts.

POLICE

Promotions and Assignments

YESENIA BARRIOLA – SERGEANT

Sergeant Barriola brings 17 years of law enforcement experience and five years of supervisory experience as a Corporal with Beaumont and her previous agency. She has worked in a variety of assignments, including Detective, Field Training Officer, and School Resource Officer. Sgt. Barriola consistently represents the values of our department, serving as a great role model within the organization while also volunteering her time with community programs, including her roles as Police Explorer Advisor and CVP Coordinator.

ZACH TAYLOR – CORPORAL

Corporal Taylor has 17 years of law enforcement experience and holds an associate's degree. He brings extensive expertise through assignments across two agencies. He has worked in the K-9 Unit, PACT, RSO Burglary Suppression Unit, and RSO Special Enforcement Team. Cpl. Taylor is widely recognized for his consistently positive and grounded outlook, willingness to assist his teammates, and his ability to avoid internal drama, all of which embody the core values of our organization.

INVESTIGATIONS DIVISION

Officers Aiden Christopherson and Jacob Cristobol were assigned to the Investigations Division as Detectives.

POLICE

ACCOMPLISHMENTS

A department restructure occurred. The department completed a comprehensive review of our staffing model and organizational structure to ensure alignment with best practices and the recent California POST Management Study. The analysis identified an opportunity to realign Public Safety Dispatching from the Support Division to the Operations Division. As dispatch operates 24/7 alongside patrol, this change created an opportunity to add a second dispatch supervisor to the team to provide seven-day-a-week supervisory oversight to improve operational coordination and ensure the division structure accurately reflects the emergency response nature of dispatch operations.

PUBLIC WORKS

Milestones & Key Updates

On September 24, the City kicked off the **Downtown Beaumont Revitalization Project** with GHD Engineering, starting the studies—traffic, drainage, pedestrian walkability, and more—needed for the Preliminary Design Report.

In September, curbs, center medians, and street-level storm drainage were installed as part of the **Second Street Extension Project**. Construction is ahead of schedule, and the project is nearing completion. The contractor anticipates finishing by the end of **October**.

On September 4, the City held the Pre-Construction Meeting with the contractor for the **Sports Park Expansion Project**. Construction is expected to begin around mid-November due to extended lead times on key equipment, with the contractor scheduling work around the delivery of these items.

PUBLIC WORKS

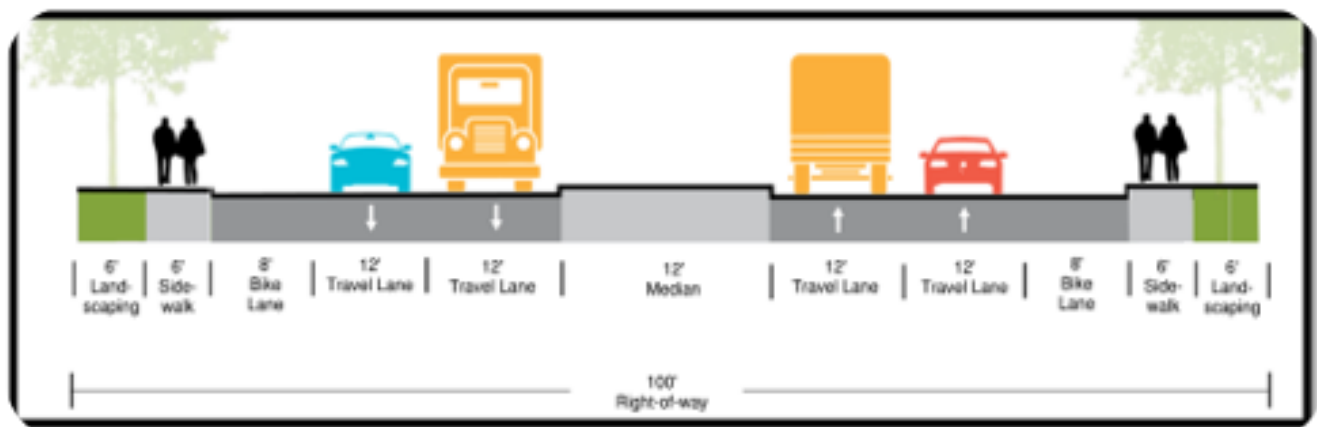

Milestones & Key Updates

On September 23, the City completed the **feasibility study** and 30% design for new sidewalks on the south side of 8th Street (Xenia Ave to Allegheny St), providing a safer route for children walking to school. Next steps include coordinating right-of-way, utility pole relocation, and realigning this street segment.

The westbound right-turn pocket lane on **Oak Valley Parkway onto northbound Cherry Avenue** has been converted into a through lane, following a traffic study that identified this as the best use for improving flow.

The City completed the **1st Street Widening Feasibility Study** and presented it to the City Council on September 2. The study outlines the engineering and environmental impacts of widening 1st Street into a four-lane road.
