No Owner of the Bonds or any Parity Bonds may compel the exercise of the taxing power by the District (except as pertains to the Special Taxes) or the City or the forfeiture of any of their property. The principal of and interest on the Bonds and any Parity Bonds and premiums upon the redemption thereof, if any, are not a debt of the City, the State of California or any of its political subdivisions within the meaning of any constitutional or statutory limitation or restriction. The Bonds and any Parity Bonds are not a legal or equitable pledge, charge, lien, or encumbrance upon any of the District's property, or upon any of its income, receipts or revenues, except the Net Special Taxes and other amounts in the Special Tax Fund which are, under the terms of this Indenture and the Act, set aside for the payment of the Bonds and interest thereon and neither the members of the legislative body of the District or the City Council nor any persons executing the Bonds are liable personally on the Bonds by reason of their issuance.

Notwithstanding anything to the contrary contained in this Indenture, the District shall not be required to advance any money derived from any source of income other than the Net Special Taxes for the payment of the interest on or the principal of or premium on the Bonds or any Parity Bonds, or for the performance of any covenants contained herein. The District may, however, advance funds for any such purpose, provided that such funds are derived from a source legally available for such purpose.

Section 2.3. Equality of Bonds and Parity Bonds and Pledge of Net Special Taxes.

Subject only to the provisions of this Indenture permitting the application thereof for the purposes and on the terms and conditions set forth herein, in order to secure the payment of the principal of and interest on the Bonds and any Parity Bonds in accordance with their terms, the provisions of this Indenture and the Act, the District hereby pledges to the Owners, and grants thereto a lien on and a

security interest in, all of the Net Special Taxes and any other amounts held in the Special Tax Fund. Said pledge shall constitute a first lien on and security interest in such assets, which shall immediately attach to such assets and be effective, binding and enforceable against the District, its successors, purchasers of any of such assets, creditors and all others asserting rights therein, to the extent set forth in, and in accordance with, this Indenture, irrespective of whether those parties have notice of the pledge of, lien on and security interest in such assets and without the need for any physical delivery, recordation, filing or further act. Pursuant to the Act and this Indenture, the Bonds and any Parity Bonds shall be equally payable from the Net Special Taxes and other amounts in the Special Tax Fund, without priority for number, date of the Bonds or Parity Bonds, date of sale, date of execution, or date of delivery, and the payment of the interest on and principal of the Bonds and any Parity Bonds and any premiums upon the redemption thereof, shall be exclusively paid from the Net Special Taxes and other amounts in the Special Tax Fund, which are hereby set aside for the payment of the Bonds and any Parity Bonds. Amounts in the Special Tax Fund shall constitute a trust fund held for the benefit of the Owners to be applied to the payment of the interest on and principal of the Bonds and any Parity Bonds and so long as any of the Bonds and any Parity Bonds or interest thereon remain Outstanding shall not be used for any other purpose, except as permitted by this Indenture or any Supplemental Indenture. Notwithstanding any provision contained in this Indenture to the contrary, Net Special Taxes deposited in the Surplus Fund shall no longer be considered to be pledged to the Bonds or any Parity Bonds, and none of the Surplus Fund or the Administrative Expense Fund shall be construed as a trust fund held for the benefit of the Owners.

Nothing in this Indenture or any Supplemental Indenture shall preclude; (a) subject to the limitations herein, the redemption prior to maturity of any Bonds or Parity Bonds subject to call and redemption and payment of said Bonds or Parity Bonds from proceeds of refunding bonds issued under the Act as the same now exists or as hereafter amended, or under any other law of the State of California; or (b) the issuance, subject to the limitations contained herein, of Parity Bonds which shall be payable from Net Special Taxes.

Section 2.4. Description of Bonds; Interest Rates. The Bonds and any Parity Bonds shall be issued in fully registered form in denominations of \$5,000 or any integral multiple thereof. The Bonds and any Parity Bonds of each issue shall be numbered as desired by the Trustee.

The Bonds shall be designated “CITY OF BEAUMONT COMMUNITY FACILITIES DISTRICT NO. 2023-1 (FAIRWAY CANYON) (IMPROVEMENT AREA NO. 1) 2025 SPECIAL TAX BONDS.” The Bonds shall be dated as of their Delivery Date and shall mature and be payable on September 1 in the years and in the aggregate principal amounts and shall be subject to and shall bear interest at the rates set forth in the table below payable on March 1, 2026 and each Interest Payment Date thereafter:

Maturity Date
(September 1)

Principal Amount

Interest Rate

Interest shall be payable on each Bond and Parity Bond from the date established in accordance with Section 2.5 below on each Interest Payment Date thereafter until the principal sum of that Bond or Parity Bond has been paid; provided, however, that if at the maturity date of any Bond funds are available for the payment or redemption thereof in full, in accordance with the terms of this Indenture, such Bonds and Parity Bonds shall then cease to bear interest. Interest due on the Bonds and Parity Bonds shall be calculated on the basis of a 360-day year comprised of twelve 30-day months.

Section 2.5. Place and Form of Payment. The Bonds and Parity Bonds shall be payable both as to principal and interest, and as to any premiums upon the redemption thereof, in lawful money of the United States of America. The principal of the Bonds and Parity Bonds and any premiums due upon the redemption thereof shall be payable upon presentation and surrender thereof at the Principal Office of the Trustee, or at the designated office of any successor Trustee; provided that so long as the Authority or the Authority Trustee on its behalf is the registered owner of all the Bonds, such presentment is not required. Interest on any Bond shall be payable from the Interest Payment Date next preceding the date of authentication of that Bond, unless (i) such date of authentication is an Interest Payment Date in which event interest shall be payable from such date of authentication, (ii) the date of authentication is after a Record Date but prior to the immediately succeeding Interest Payment Date, in which event interest shall be payable from the Interest Payment Date immediately succeeding the date of authentication, or (iii) the date of authentication is prior to the close of business on the first Record Date occurring after the issuance of such Bond or Parity Bond, in which event interest shall be payable from the dated date of such Bond or Parity Bond; provided, however, that if at the time of authentication of such Bond or Parity Bond, interest is in default, interest on that Bond or Parity Bond shall be payable from the last Interest Payment Date to which the interest has been paid or made available for payment or, if no interest has been paid or made available for payment on that Bond or Parity Bond, interest on that Bond or Parity Bond shall be payable from its dated date. Interest on any Bond or Parity Bond shall be paid to the person whose name shall appear in the Bond Register as the Owner of such Bond or Parity Bond as of the close of business on the Record Date. Such interest shall be paid by check of the Trustee mailed on the applicable Interest Payment Date by first class mail, postage prepaid, to such Bondowner at his or her address as it appears on the Bond Register. In addition, upon a request in writing received by the Trustee on or before the applicable Record Date from an Owner of \$1,000,000 or more in principal amount of the Bonds, payment shall be made on the Interest Payment Date by wire transfer in

immediately available funds to an account maintained in the United States designated by such Owner.

Section 2.6. Form of Bonds and Parity Bonds. The definitive Bonds shall be typewritten. The Bonds and the certificate of authentication shall be substantially in the form attached hereto as Exhibit A, which forms are hereby approved and adopted as the forms of such Bonds and any Parity Bonds and of the certificate of authentication.

Notwithstanding any provision in this Indenture to the contrary, the District may, in its sole discretion, elect to issue the Bonds and any Parity Bonds in book entry form.

Until definitive Bonds or Parity Bonds shall be prepared, the District may cause to be executed and delivered in lieu of such definitive Bonds or Parity Bonds temporary bonds in typed, printed, lithographed or engraved form and in fully registered form, subject to the same provisions, limitations and conditions as are applicable in the case of definitive Bonds or Parity Bonds, except that they may be in any denominations authorized by the District. Until exchanged for definitive Bonds or Parity Bonds, any temporary bond shall be entitled and subject to the same benefits and provisions of this Indenture as definitive Bonds and Parity Bonds. If the District issues temporary Bonds, it shall execute and furnish definitive Bonds or Parity Bonds, as applicable, without unnecessary delay and thereupon any temporary Bond or Parity Bond may be surrendered to the Trustee at its office, without expense to the Owner, in exchange for a definitive Bond or Parity Bond of the same issue, maturity, interest rate and principal amount in any authorized denomination. All temporary Bonds and Parity Bonds so surrendered shall be cancelled by the Trustee and shall not be reissued.

Section 2.7. Execution and Authentication. The Bonds and Parity Bonds shall be signed on behalf of the District by the manual or facsimile signature of the Mayor of the City and by the manual or facsimile signature of the City Clerk, or any duly appointed deputy clerk, in their capacity as officers of the District. In case any one or more of the officers who shall have signed or sealed any of the Bonds or Parity Bonds shall cease to be such officer before the Bonds or Parity Bonds so signed and sealed have been authenticated and delivered by the Trustee (including new Bonds or Parity Bonds delivered pursuant to the provisions hereof with reference to the transfer and exchange of Bonds or Parity Bonds or to lost, stolen, destroyed or mutilated Bonds), such Bonds or Parity Bonds shall nevertheless be valid and may be authenticated and delivered as herein provided, and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office.

Only the Bonds or Parity Bonds as shall bear thereon such certificate of authentication in the form set forth in Exhibit A attached hereto shall be entitled to any right or benefit under this Indenture, and no Bond or Parity Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee.

Section 2.8. Bond Register. The Trustee will keep or cause to be kept, at its office, sufficient books for the registration and transfer of the Bonds and any Parity Bonds which shall upon reasonable prior notice be open to inspection by the District during all regular business hours, and, subject to the limitations set forth in Section 2.9 below, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, with reasonable notice, register or transfer or cause to be transferred on said Bond Register, Bonds and any Parity Bonds as herein provided.

The District and the Trustee may treat the Owner of any Bond or Parity Bond whose name appears on the Bond Register as the absolute Owner of that Bond or Parity Bond for any and all purposes, and the District and the Trustee shall not be affected by any notice to the contrary. The District and the Trustee may rely on the address of the Bondowner as it appears in the Bond Register for any and all purposes. It shall be the duty of the Bondowner to give written notice to the Trustee of any change in the Bondowner's address so that the Bond Register may be revised accordingly.

Section 2.9. Registration of Exchange or Transfer. Subject to the limitations set forth in the following paragraph, the registration of any Bond or Parity Bond may, in accordance with its terms, be transferred upon the Bond Register by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Bond or Parity Bond for cancellation at the office of the Trustee, accompanied by delivery of written instrument of transfer in a form acceptable to the Trustee and duly executed by the Bondowner or his or her duly authorized attorney.

Bonds or Parity Bonds may be exchanged at the office of the Trustee for a like aggregate principal amount of Bonds or Parity Bonds for other authorized denominations of the same maturity and issue. The Trustee shall not collect from the Owner any charge for any new Bond or Parity Bond issued upon any exchange or transfer, but shall require the Bondowner requesting such exchange or transfer to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer or exchange shall be paid by the District. Whenever any Bonds or Parity Bonds shall be surrendered for registration of transfer or exchange, the District shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds or a new Parity Bond or Parity Bonds, as applicable, of the same issue and maturity, for a like aggregate principal amount; provided that the Trustee shall not be required to register transfers or make exchanges of (i) Bonds or Parity Bonds for a period of 15 days next preceding any selection of the Bonds or Parity Bonds to be redeemed, or (ii) any Bonds or Parity Bonds chosen for redemption.

Section 2.10. Mutilated, Lost, Destroyed or Stolen Bonds or Parity Bonds. If any Bond or Parity Bond shall become mutilated, the District shall execute, and the Trustee shall authenticate and deliver, a new Bond or Parity Bond of like tenor, date, issue and maturity in exchange and substitution for the Bond or Parity Bond so mutilated, but only upon surrender to the Trustee of the Bond or Parity Bond so mutilated. Every mutilated Bond or Parity Bond so surrendered to the Trustee shall be cancelled by the Trustee pursuant to Section 10.1 hereof. If any Bond or Parity Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence is satisfactory to the Trustee and, if any indemnity satisfactory to the Trustee shall be given, the District shall execute and the Trustee shall authenticate and deliver, a new Bond or Parity Bond, as applicable, of like tenor, maturity and issue, numbered and dated as the Trustee shall determine in lieu of and in substitution for the Bond or Parity Bond so lost, destroyed or stolen. Any Bond or Parity Bond issued in lieu of any Bond or Parity Bond alleged to be mutilated, lost, destroyed or stolen, shall be equally and proportionately entitled to the benefits hereof with all other Bonds or Parity Bonds issued hereunder. The Trustee shall not treat both the original Bond or Parity Bond and any replacement Bond or Parity Bond as being Outstanding for the purpose of determining the principal amount of Bonds or Parity Bonds which may be executed, authenticated and delivered hereunder or for the purpose of determining any percentage of Bonds or Parity Bonds Outstanding hereunder, but both the original and replacement Bond or Parity Bond shall be treated as one and the same. Notwithstanding any other provision of this Section, in lieu of delivering a new

Bond or Parity Bond which has been mutilated, lost, destroyed or stolen, and which has matured, the Trustee may make payment with respect to such Bonds or Parity Bonds

Section 2.11. Validity of Bonds and Parity Bonds. The validity of the authorization and issuance of the Bonds and any Parity Bonds shall not be affected in any way by any defect in any proceedings taken by the District for the financing of the Project, or by the invalidity, in whole or in part, of any contracts made by the District in connection therewith, and shall not be dependent upon the completion of the financing of the Project or upon the performance by any Person of his obligation with respect to the Project, and the recital contained in the Bonds or any Parity Bonds that the same are issued pursuant to the Act and other applicable laws of the State shall be conclusive evidence of their validity and of the regularity of their issuance.

Section 3.1. Creation of Funds; Application of Proceeds.

The amounts on deposit in the foregoing funds and accounts shall be held by the Trustee on behalf of the District and shall be invested and disbursed in accordance with the provisions of this Article 3. The investment earnings thereon shall be disbursed in accordance with the provisions of Section 3.9 hereof.

(a) Proceeds from the sale of the Bonds in the amount of \$_____ (which amount is net of \$_____ paid or retained by the Authority Trustee to pay the District’s share of the Costs of Issuance (as defined in the Authority Indenture and including underwriter’s discount), shall be received by the Trustee on behalf of the District and deposited in the Acquisition and Construction Fund.

The Trustee may, in its discretion, establish a temporary fund or account in its books and records to facilitate such deposits.

(b) The Trustee may, in its discretion, establish a temporary fund or account in its books and records to facilitate such transfers.

Section 3.2. Deposits to and Disbursements from Special Tax Fund.

(a) The Trustee shall deposit Gross Special Taxes representing Delinquency Proceeds as follows:

(1) the amount specified by the District as representing past due interest on the Bonds shall be deposited to the Interest Account of the Special Tax Fund; and

(2) the amount specified by the District as representing past due principal of the Bonds shall be deposited to the Principal Account of the Special Tax Fund.

(b) Except for the portion of any Prepayment to be deposited to the Redemption Account, the District shall, as soon as practicable transfer the Special Taxes received by the District to the Trustee for deposit in the Special Tax Fund to be held by the Trustee in trust for the Owners. The Trustee shall transfer the Special Taxes on deposit in the Special Tax Fund on the dates and in the amounts set forth in the following Sections, in the following order of priority, to:

(1) the Administrative Expense Fund an amount equal to the Administrative Expense Requirement or, if the Trustee receives written direction from the District to transfer a lesser amount, then such lesser amount, provided that not more than one-half of the Administrative Expense Requirement shall be so transferred in any Fiscal Year prior to the date on which the balance on deposit in the Interest Account of the Special Tax Fund is at least equal to the interest payable on the Bonds on March 1;

(2) the Interest Account of the Special Tax Fund the amount necessary to cause the balance on deposit therein to be equal to the interest on the Bonds and any Parity Bonds payable on the next succeeding Interest Payment Date;

(3) the Principal Account of the Special Tax Fund the amount necessary to cause the balance on deposit therein to be equal to the principal amount of the Bonds and any Parity Bonds and/or the Sinking Fund Payment payable on the next succeeding September 1; provided that not more than one-half of the principal amount and/or the Sinking Fund Payment payable on the next succeeding September 1 shall be deposited in the Principal Account prior to March 1 until (i) the balance on deposit in the Administrative Expense Fund equals the Administrative Expense Requirement, or such lesser amount directed by the District in writing to the Trustee, and (ii) the balance on deposit in the Interest Account equals the interest payable on the Bonds and any Parity Bonds through September 1;

(4) the Reserve Account the amounts necessary to fund and pay the amounts as set forth in Section 3.5 hereof and the Improvement Area No. 1 Reserve Account the amounts necessary to fund and maintain the Improvement Area No. 1 Reserve Account at the Proportionate Share;

(5) the Redemption Account of the Special Tax Fund; and

(6) the Surplus Fund.

At least ten (10) Business Days prior to each Interest Payment Date, the Trustee shall notify the District in writing the amount of Special Taxes required to pay the principal of and interest on the Bonds and any Parity Bonds on the next succeeding Interest Payment Date and the amount necessary to cause the balance on deposit in the Improvement Area No. 1 Reserve Account to equal the Proportionate Share and to cause the balance in the Reserve Account to equal the Reserve Requirement, if any. The Trustee shall notify the Authority Trustee at least five (5) Business Days prior to each Interest Payment Date if there is not on deposit with the Trustee, after making all of the transfers required hereunder, moneys sufficient to pay the principal of and interest on the Bonds and any Parity Bonds.

Section 3.3. Administrative Expense Fund. The Trustee shall transfer from the first available Special Taxes in the Special Tax Fund to the Administrative Expense Fund an amount such that the total amounts so transferred in any Bond Year do not exceed the Administrative Expense Requirement. In the event Administrative Expenses exceed the Administrative Expense Requirement in any Bond Year, the total amount transferred in a Bond Year shall not exceed the Administrative Expense Requirement until such time as there has been deposited to the Interest Account and the Principal Account an amount, together with any amounts already on deposit therein, that is sufficient to pay the interest and principal on all Bonds and Parity Bonds due in such Bond Year, to restore the Reserve Account to the Reserve Requirement and to restore the Improvement Area No. 1 Reserve Account to the Proportionate Share. Notwithstanding the foregoing, at the direction of the District, amounts in excess of the Administrative Expense Requirement may be transferred to the Administrative Expense Fund prior to the transfers to the Interest Account, the Principal Account and the Redemption Account pursuant to Sections 3.4 and 3.5 below to the extent necessary to collect delinquent Special Taxes. Following the required transfers pursuant to Sections 3.4 and 3.5 below of amounts sufficient to pay the interest and principal on all Bonds and Parity Bonds due in a Bond Year, to restore the Reserve Account to the Reserve Requirement and to restore the Improvement Area No. 1 Reserve Account to the Proportionate Share, an Authorized Representative of the City may direct the Trustee, in writing, to transfer additional amounts from the Special Tax Fund to the Administrative Expense Fund. Moneys in the Administrative Expense Fund may be held uninvested or invested in any Authorized Investments as instructed by the District.

Section 3.4. Interest Account and Principal Account of the Special Tax Fund. The principal of and interest due on the Bonds and any Parity Bonds until maturity, other than principal due upon redemption, shall be paid by the Trustee from the Principal Account and the Interest Account of the Special Tax Fund, respectively. For the purpose of assuring that the payment of principal of and interest on the Bonds and any Parity Bonds will be made when due, after making the transfer required by Section 3.3, at least five Business Days prior to each March 1 and September 1, the Trustee shall make the following transfers from the Special Tax Fund first to the Interest Account and then to the Principal Account; provided, however, that to the extent that deposits have been made in the Interest Account or the Principal Account from the proceeds of the sale of an issue of the Bonds, any Parity Bonds, or otherwise, the transfer from the Special Tax Fund need not be made. At least fifteen (15) days prior to an Interest Payment Date, the Trustee shall notify the Authority and the Authority Trustee if there are insufficient funds to provide for the payment of principal and interest due on the Bonds and any Parity Bonds on such Interest Payment Date.

Section 3.5. Reserve Account of the Special Tax Fund. After making the deposits required by Section 3.4 above, the Trustee shall next transfer to the Reserve Account the amount, if any, necessary to cause the amount in the Reserve Account, taking into account the amounts then on deposit in the Reserve Account, to be equal to the Reserve Requirement. If subsequent to the

issuance of the Bonds a Reserve Requirement is established by the District, thereafter there shall be maintained in the Reserve Account of the Special Tax Fund an amount equal to the Reserve Requirement to be applied as follows:

(a) Moneys in the Reserve Account shall be used solely for the purpose of paying the principal of, including Sinking Fund Payments, and interest on any Parity Bonds when due in the event that the moneys in the Interest Account and the Principal Account of the Special Tax Fund are insufficient therefor and for the purpose of making any required transfer to a rebate fund established in connection with the issuance of Parity Bonds upon written direction from the District. If the amounts in the Interest Account, the Principal Account of the Special Tax Fund are insufficient to pay the principal of, including Sinking Fund Payments, or interest on any Parity Bonds when due, or amounts in the Special Tax Fund are insufficient to make transfers to any rebate fund when required, the Trustee shall withdraw from the Reserve Account for deposit in the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund or a rebate fund, as applicable, moneys necessary for such purposes.

(b) Whenever moneys are withdrawn from the Reserve Account, after making the required transfers referred to in Section 3.4 above, the Trustee shall transfer to the Reserve Account from available moneys in the Special Tax Fund, or from any other legally available funds which the District elects to apply to such purpose, the amount needed to restore the amount of such Reserve Account to the Reserve Requirement. Moneys in the Special Tax Fund shall be deemed available for transfer to the Reserve Account only if the Trustee determines that such amounts will not be needed to make the deposits required to be made to the Interest Account or the Principal Account of the Special Tax Fund in accordance with Section 3.4 above. If amounts in the Special Tax Fund or otherwise transferred to replenish the Reserve Account are inadequate to restore the Reserve Account to the Reserve Requirement, then the District shall include the amount necessary to restore the Reserve Account to the Reserve Requirement in the next annual Special Tax levy to the extent of the maximum permitted Special Tax rates.

In connection with an optional redemption of Parity Bonds in accordance with any Supplemental Indenture, or a partial defeasance of Parity Bonds in accordance with Section 9.1 hereof, amounts in the Reserve Account may be applied to such optional redemption or partial defeasance so long as the amount on deposit in the Reserve Account following such optional redemption or partial defeasance equals the Reserve Requirement. To the extent that the Reserve Account is at the Reserve Requirement as of the first day of the final Bond Year for an issue of Parity Bonds, amounts in the Reserve Account may be applied to pay the principal of and interest due on an issue of Parity Bonds in the final Bond Year for such issue. Moneys in the Reserve Account in excess of the Reserve Requirement not transferred in accordance with the preceding provisions of this paragraph shall be withdrawn from the Reserve Account on the fifth Business Day before each March 1 and September 1 and transferred to (i) to the Acquisition and Construction Fund until the District has notified the Trustee in writing that there are no additional Project Costs which remain outstanding, then (ii) to the Interest Account of the Special Tax Fund.

Section 3.6. Redemption Account of the Special Tax Fund.

(a) After making the transfers and deposits required by Sections 3.4 and 3.5 above, and in accordance with the District's election to call Bonds for optional redemption as set forth in Section 4.1(a) hereof, or to call Parity Bonds for optional redemption as set forth in any Supplemental Indenture for Parity Bonds, the Trustee shall transfer from the Special Tax Fund and

deposit in the Redemption Account moneys available for the purpose and sufficient to pay the principal and the premiums, if any, payable on the Bonds or Parity Bonds called for optional redemption; provided, however, that amounts in the Special Tax Fund may be applied to optionally redeem Bonds and Parity Bonds only if immediately following such redemption the amount in the Reserve Account will equal the Reserve Requirement and the amount in the Improvement Area No. 1 Reserve Account will equal the Proportionate Share.

(b) Prepayments deposited to the Redemption Account shall be applied on the redemption date established pursuant to Section 4.1(c) hereof for the use of such Prepayments to the payment of the principal of, premium, and interest on the Bonds and Parity Bonds to be redeemed with such Prepayments.

(c) Moneys set aside in the Redemption Account shall be used solely for the purpose of redeeming Bonds and Parity Bonds and shall be applied on or after the redemption date to the payment of principal of and premium, if any, on the Bonds or Parity Bonds to be redeemed upon presentation and surrender of such Bonds or Parity Bonds and in the case of an optional redemption or an extraordinary redemption from Prepayments to pay the interest thereon; provided, however, that in lieu or partially in lieu of such call and redemption, moneys deposited in the Redemption Account, other than Prepayments, may be used to purchase Outstanding Bonds or Parity Bonds in the manner hereinafter provided. Purchases of Outstanding Bonds or Parity Bonds may be made by the District at public or private sale as and when and at such prices as the District may in its discretion determine but only at prices (including brokerage or other expenses) not more than par plus accrued interest, plus, in the case of moneys set aside for an optional redemption, the premium applicable at the next following call date according to the premium schedule established pursuant to Section 4.1(a) hereof, or in the case of Parity Bonds the premium established in any Supplemental Indenture. Any accrued interest payable upon the purchase of Bonds or Parity Bonds may be paid from the amount reserved in the Interest Account of the Special Tax Fund for the payment of interest on the next following Interest Payment Date.

Section 3.7. Surplus Fund. After making the transfers required by Sections 3.3, 3.4, 3.5 and 3.6 hereof, as soon as practicable after each September 1, and in any event prior to each October 1, the Trustee shall transfer all remaining amounts in the Special Tax Fund to the Surplus Fund, unless on or prior to such date, it has received a Certificate of an Authorized Representative directing that certain amounts be retained in the Special Tax Fund because the District has included such amounts as being available in the Special Tax Fund in calculating the amount of the levy of Special Taxes for such Fiscal Year pursuant to Section 5.2(b) hereof. Moneys deposited in the Surplus Fund will be transferred by the Trustee at the direction of an Authorized Representative of the City (i) to the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund to pay the principal of, including Sinking Fund Payments, premium, if any, and interest on the Bonds and any Parity Bonds when due in the event that moneys in the Special Tax Fund and the Reserve Account are insufficient therefor, (ii) to the Reserve Account in order to replenish the Reserve Account to the Reserve Requirement, (iii) to the Improvement Area No. 1 Reserve Account to restore the Improvement Area No. 1 Reserve Account to the Proportionate Share, (iv) to the Administrative Expense Fund to the extent that the amounts on deposit in the Administrative Expense Fund are insufficient to pay Administrative Expenses, (v) to the Acquisition and Construction Fund to pay Project Costs, if any, or (vi) after all Project Costs, if any, have been paid to the District for any other lawful purpose of the District.

The amounts in the Surplus Fund are not pledged to the repayment of the Bonds or the Parity Bonds and may be used by the District for any lawful purpose. In the event that the District reasonably expects to use any portion of the moneys in the Surplus Fund to pay debt service on any Outstanding Bonds or Parity Bonds, the District will notify the Trustee in a Certificate of an Authorized Representative and the Trustee will segregate such amount into a separate subaccount and the moneys on deposit in such subaccount of the Surplus Fund shall be invested at the written direction of the District in Authorized Investments the interest on which is excludable from gross income under Section 103 of the Code (other than bonds the interest on which is a tax preference item for purposes of computing the alternative minimum tax of individuals under the Code) or in Authorized Investments at a yield not in excess of the yield on the issue of Bonds or Parity Bonds to which such amounts are to be applied, unless, in the opinion of Bond Counsel, investment at a higher yield will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or any Parity Bonds which were issued on a tax-exempt basis for federal income tax purposes.

Section 3.8. Acquisition and Construction Fund.

(a) The moneys in the Project Account of the Acquisition and Construction Fund shall be applied exclusively to pay the Project Costs. Amounts for Project Costs shall be disbursed by the Trustee from the Project Account of the Acquisition and Construction Fund, as specified in a Request for Disbursement of Project Costs, substantially in the form of Exhibit B attached hereto, which the Trustee may conclusively rely upon, and which must be submitted in connection with each requested disbursement.

(b) Upon receipt of a Certificate of an Authorized Representative stating that all or a specified portion of the amount remaining in the Acquisition and Construction Fund is no longer needed to pay Project Costs, the Trustee shall transfer all or such specified portion, as applicable, of the moneys remaining on deposit in the Acquisition and Construction Fund to the Principal Account or Redemption Account of the Special Tax Fund or to the Surplus Fund, as directed in the Certificate, provided that in connection with any direction to transfer amounts to the Surplus Fund there shall have been delivered to the Trustee with such Certificate an opinion of Bond Counsel to the effect that such transfer to the Surplus Fund will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or any Parity Bonds which were issued on a tax-exempt basis for federal income tax purposes.

Section 3.9. Investments. Moneys held in any of the Accounts under this Indenture shall be invested by the Trustee or the District, as applicable, in accordance with the limitations set forth below only in Authorized Investments which shall be deemed at all times to be a part of such Accounts. Any loss resulting from such Authorized Investments shall be credited or charged to the Account from which such investment was made, and any investment earnings on amounts deposited in the Acquisition and Construction Fund, the Special Tax Fund and the Surplus Fund and each Account therein (other than the Reserve Account of the Special Tax Fund) shall be deposited in those respective Funds and Accounts. Moneys in the Accounts held under this Indenture may be invested by the District or the Trustee as directed in writing by the District, as applicable, from time to time, in Authorized Investments subject to the following restrictions:

(a) Moneys in the Acquisition and Construction Fund shall be invested in Authorized Investments which will by their terms mature, are available without penalty, as close as practicable to the date the District estimates the moneys represented by the particular investment will

be needed for withdrawal from the Acquisition and Construction Fund. Notwithstanding anything herein to the contrary, amounts in the Acquisition and Construction Fund three years after the Delivery Date for the Bonds and the proceeds of each issue of Parity Bonds issued on a tax-exempt basis which are remaining on deposit in the Acquisition and Construction Fund on the date which is three years following the date of issuance of such issue of Parity Bonds shall be invested by the District only in Authorized Investments the interest on which is excluded from gross income under Section 103 of the Code (other than bonds the interest on which is a tax preference item for purposes of computing the alternative minimum tax of individuals under the Code) or in Authorized Investments at a yield not in excess of the yield on the issue of Bonds or Parity Bonds from which such proceeds were derived, unless in the opinion of Bond Counsel such restriction is not necessary to prevent interest on the Bonds or any Parity Bonds which were issued on a tax-exempt basis for federal income tax purposes from being included in gross income for federal income tax purposes.

(b) Moneys in the Interest Account, the Principal Account and the Redemption Account of the Special Tax Fund shall be invested only in Authorized Investments which will by their terms mature, or are available for withdrawal without penalty, on such dates so as to ensure the payment of principal of, premium, if any, and interest on the Bonds as the same become due.

(c) In the absence of written directions from the District, the Trustee shall hold such moneys uninvested.

The District or the Trustee, as applicable, shall sell, or present for redemption, any Authorized Investment whenever it may be necessary to do so in order to provide moneys to meet any payment or transfer to such Accounts or from such Accounts to which such Authorized Investments is credited. For the purpose of determining at any given time the balance in any such Accounts, any such investments constituting a part of such Accounts shall be valued at the lower of the cost or the market value thereof, exclusive of accrued interest, at least semiannually. In making any valuations hereunder, the District or the Trustee, as applicable, may utilize such computerized securities pricing services as may be available to it, including, without limitation, those available through its regular accounting system, and conclusively rely thereon. Notwithstanding anything herein to the contrary, the District or the Trustee, as applicable, shall not be responsible for any loss from investments, sales or transfers undertaken in accordance with the provisions of this Indenture.

The Trustee or the District, as applicable, may act as principal or agent in the making or disposing of any investment. The Trustee or the District, as applicable, may sell, or present for redemption, any Authorized Investment so purchased whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund or account to which such Authorized Investment is credited, and, subject to the provisions of Section 7.4, the Trustee or the District, as applicable, shall not be liable or responsible for any loss resulting from such investment. For investment purposes, the Trustee or the District, as applicable, may commingle the funds and accounts established hereunder, but shall account for each separately.

The District acknowledges that, to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The District further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost and other trade confirmations may be obtained from the applicable broker. The Trustee will furnish the District periodic cash transaction statements which shall include detail for all

investment transactions made by the Trustee hereunder or brokers selected by the District. Upon the District's election, such statements will be delivered via the Trustee's online service and upon electing such service, paper statements will be provided only upon request. The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the holding, acquisition or disposition of any investment. The parties hereto acknowledge that the Trustee is not providing investment supervision, recommendations, or advice.

ARTICLE IV

REDEMPTION OF BONDS AND PARITY BONDS

Section 4.1. Redemption of Bonds.

(a) Optional Redemption.

The Bonds maturing on or after September 1, 20__ may be redeemed, at the option of the District from any source of funds on any Interest Payment Date on or after September 1, 20__, in whole, or in part from such maturities as are selected by the District and by lot within a maturity, at a redemption price equal to the principal amount to be redeemed, together with accrued interest to the date of redemption, without premium. For so long as the Authority is the Owner of the Bonds, in connection with the calculation of such redemption price, the District shall receive a credit from the Authority from the reduction in the District's Proportionate Share resulting from the redemption of the Bonds and the Authority Bonds so redeemed in connection therewith.

(b) Extraordinary Redemption.

The Bonds are subject to extraordinary redemption as a whole, or in part on a pro rata basis among maturities, on any Interest Payment Date, and shall be redeemed by the Trustee, from Prepayments deposited to the Redemption Account pursuant to Section 3.2 at the following redemption prices, expressed as a percentage of the principal amount to be redeemed, together with accrued interest to the redemption date:

<i>Redemption Dates</i>	<i>Redemption Prices</i>
Any Interest Payment Date through March 1, 20__	103%
September 1, 20__ and March 1, 20__	102
September 1, 20__ and March 1, 20__	101
September 1, 20__ and any Interest Payment Date thereafter	100

For so long as the Authority is the Owner of the Bonds, in connection with the calculation of such redemption price, the District shall receive a credit from the Authority from the reduction in the Proportionate Share of the Reserve Requirement resulting from the redemption of the Bonds and the Authority Bonds so redeemed in connection therewith.

(c) The redemption provisions for Parity Bonds shall be set forth in a Supplemental Indenture.

Section 4.2. Selection of Bonds and Parity Bonds for Redemption. If less than all of the Bonds or Parity Bonds Outstanding are to be redeemed, the portion of any Bond or Parity Bond of a denomination of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or

an integral multiple thereof. In selecting portions of such Bonds or Parity Bonds for redemption, the Trustee shall treat such Bonds or Parity Bonds, as applicable, as representing that number of Bonds or Parity Bonds of \$5,000 denominations which is obtained by dividing the principal amount of such Bonds or Parity Bonds to be redeemed in part by \$5,000. The procedure for the selection of Parity Bonds for redemption may be modified as set forth in the Supplemental Indenture for such Parity Bonds. The Trustee shall promptly notify the District, in writing, of the Bonds or Parity Bonds, or portions thereof, selected for redemption.

Section 4.3. Notice of Redemption. When Bonds or Parity Bonds are due for redemption under Section 4.1 above or under another redemption provision set forth in a Supplemental Indenture relating to any Parity Bonds, the Trustee shall give notice, in the name of the District, of the redemption of such Bonds or Parity Bonds; provided, however, that a notice of optional redemption may be conditioned on there being on deposit on the redemption date sufficient money to pay the redemption price of the Bonds or Parity Bonds to be redeemed. Such notice of redemption shall (a) specify the CUSIP numbers (if any), the bond numbers and the maturity date or dates of the Bonds or Parity Bonds selected for redemption, except that where all of the Bonds or all of an issue of Parity Bonds are subject to redemption, or all the Bonds or Parity Bonds of one maturity, are to be redeemed, the bond numbers of such issue need not be specified; (b) state the date fixed for redemption and surrender of the Bonds or Parity Bonds to be redeemed; (c) state the redemption price; (d) state the place or places where the Bonds or Parity Bonds are to be redeemed; (e) in the case of Bonds or Parity Bonds to be redeemed only in part, state the portion of such Bond or Parity Bond which is to be redeemed; (f) state the date of issue of the Bonds or Parity Bonds as originally issued; (g) state the rate of interest borne by each Bond or Parity Bond being redeemed; and (h) state any other descriptive information needed to identify accurately the Bonds or Parity Bonds being redeemed as shall be specified by the Trustee. Such notice shall further state that on the date fixed for redemption, there shall become due and payable on each Bond, Parity Bond or portion thereof called for redemption, the principal thereof, together with any premium, and interest accrued to the redemption date, and that from and after such date, interest thereon shall cease to accrue and be payable. At least 20 days but no more than 45 days prior to the redemption date, the Trustee shall send a copy of such notice to the respective Owners thereof at their addresses appearing on the Bond Register, and to the original purchaser of the Bonds or Parity Bonds, as applicable. The actual receipt by the Owner of any Bond or Parity Bond or the original purchaser of any Bond or Parity Bond of notice of such redemption shall not be a condition precedent to redemption, and neither the failure to receive nor any defect in such notice shall affect the validity of the proceedings for the redemption of such Bonds or Parity Bonds, or the cessation of interest on the redemption date. A certificate by the Trustee that notice of such redemption has been given as herein provided shall be conclusive as against all parties and the Owner shall not be entitled to show that he or she failed to receive notice of such redemption. Notwithstanding the foregoing, so long as the Authority or the Authority Trustee on the Authority's behalf is the registered owner of the Bonds, no such notices need be provided.

In addition to the foregoing notice, further notice shall be given by the Trustee as set out below if the Bonds or Parity Bonds are not owned by the Authority at the time the notice of redemption is given pursuant to this Section 4.3, provided that no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Each further notice of redemption shall be sent at least two days before notice of redemption is mailed to the Bondowners pursuant to the first paragraph of this Section by registered or certified

mail, overnight delivery service or any other means acceptable to the registered securities depository listed below and to any other registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and Parity Bonds as shall be specified by the Trustee and to any national information services that disseminate notice of redemption of obligations such as the Bonds and Parity Bonds as determined by the Trustee:

Registered Securities Depositories

The Depository Trust Company
55 Water Street
New York, New York 10041
Attention: Redemption Area
Telecopy: (212) 855-7232 or (212) 855-7233

Any notice of optional redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under this Indenture. The District and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent.

Upon the payment of the redemption price of any Bonds and Parity Bonds being redeemed, each check or other transfer of funds issued for such purpose shall to the extent practicable bear the CUSIP number identifying, by issue and maturity, the Bonds and Parity Bonds being redeemed with the proceeds of such check or other transfer.

Section 4.4. Partial Redemption of Bonds or Parity Bonds. Upon surrender of any Bond or Parity Bond to be redeemed in part only, the District shall execute and the Trustee shall authenticate and deliver to the Bondowner, at the expense of the District, a new Bond or Bonds or a new Parity Bond or Parity Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bonds surrendered, with the same interest rate and the same maturity or, in the case of surrender of a Parity Bond, a new Parity Bond or Parity Bonds subject to the foregoing limitations.

Section 4.5. Effect of Notice and Availability of Redemption Money. Notice of redemption having been duly given, as provided in Section 4.3 hereof, and the amount necessary for the redemption having been made available for that purpose and being available therefor on the date fixed for such redemption:

(a) The Bonds and Parity Bonds, or portions thereof, designated for redemption shall, on the date fixed for redemption, become due and payable at the redemption price thereof as provided in this Indenture or in any Supplemental Indenture with respect to any Parity Bonds, anything in this Indenture or in the Bonds or the Parity Bonds to the contrary notwithstanding;

(b) Upon presentation and surrender thereof at the office of the Trustee, the redemption price of such Bonds and Parity Bonds shall be paid to the Owners thereof; provided that so long as the Authority or the Authority Trustee on the Authority's behalf is the registered owner of the Bonds no such presentment is required;

(c) As of the redemption date the Bonds or the Parity Bonds, or portions thereof so designated for redemption shall be deemed to be no longer Outstanding and such Bonds or Parity Bonds, or portions thereof, shall cease to bear further interest; and

(d) As of the date fixed for redemption no Owner of any of the Bonds, Parity Bonds or portions thereof so designated for redemption shall be entitled to any of the benefits of this Indenture or any Supplemental Indenture, or to any other rights, except with respect to payment of the redemption price and interest accrued to the redemption date from the amounts so made available.

ARTICLE V

COVENANTS AND WARRANTY

Section 5.1. Warranty. The District shall preserve and protect the security pledged hereunder to the Bonds and any Parity Bonds against all claims and demands of all persons.

Section 5.2. Covenants. So long as any of the Bonds or Parity Bonds issued hereunder are Outstanding and unpaid, the District makes the following covenants with the Bondowners under the provisions of the Act and this Indenture (to be performed by the District or its proper officers, agents or employees), which covenants are necessary and desirable to secure the Bonds and Parity Bonds and tend to make them more marketable; provided, however, that said covenants do not require the District to expend any funds or moneys other than the Special Taxes and other amounts deposited to the Special Tax Fund:

(a) Punctual Payment; Against Encumbrances. The District covenants that it will receive all Special Taxes in trust for the Owners and will cause to be deposited all Special Taxes with the Trustee immediately upon their apportionment to the District, and the District shall have no beneficial right or interest in the amounts so deposited except as provided by this Indenture. All such Special Taxes shall be disbursed, allocated and applied solely to the uses and purposes set forth herein, and shall be accounted for separately and apart from all other money, funds, accounts or other resources of the District.

The District covenants that it will duly and punctually pay or cause to be paid the principal of and interest on every Bond and Parity Bond issued hereunder, together with the premium, if any, thereon on the date, at the place and in the manner set forth in the Bonds and the Parity Bonds and in accordance with this Indenture to the extent that Net Special Taxes and other amounts pledged hereunder are available therefor, and that the payments into the Funds and Accounts created hereunder will be made, all in strict conformity with the terms of the Bonds, any Parity Bonds, and this Indenture, and that it will faithfully observe and perform all of the conditions, covenants and requirements of this Indenture and all Supplemental Indentures and of the Bonds and any Parity Bonds issued hereunder.

The District will not mortgage or otherwise encumber, pledge or place any charge upon any of the Net Special Taxes except as provided in this Indenture, and will not issue any obligation or security having a lien or charge upon the Net Special Taxes superior to or on a parity with the Bonds, other than Parity Bonds. Nothing herein shall prevent the District from issuing or incurring indebtedness which is payable from a pledge of Net Special Taxes which is subordinate in all respects to the pledge of Net Special Taxes to repay the Bonds and the Parity Bonds.

(b) Levy of Special Tax. So long as any Bonds or Parity Bonds issued under this Indenture are Outstanding, the legislative body of the District covenants to levy the Special Tax in an amount sufficient, together with other amounts on deposit in the Special Tax Fund and available for such purpose, to pay (1) the principal of and interest on the Bonds and any Parity Bonds when due, (2) the Administrative Expenses, (3) any amounts required to maintain the Reserve Account of the Special Tax Fund at the Reserve Requirement, and (4) any amounts required to replenish the Improvement Area No. 1 Reserve Account to the Proportionate Share. The District further covenants that it will take no actions that would discontinue or cause the discontinuance of the Special Tax levy or the District's authority to levy the Special Tax for so long as the Bonds and any Parity Bonds are Outstanding.

(c) Commence Foreclosure Proceedings. The District covenants for the benefit of the Owners of the Bonds and any Parity Bonds that it will review the public records of the County of Riverside, California, in connection with the collection of the Special Tax not later than July 1 of each year to determine the amount of Special Tax collected in the prior Fiscal Year; and with respect to individual delinquencies within the Improvement Area, if the District determines that any single property owner subject to the Special Tax is delinquent in the payment of Special Taxes in the aggregate of \$2,500 or more or as to any single parcel the delinquent Special Taxes represent more than 5% of the aggregate Special Taxes within the Improvement Area, then the District will send or cause to be sent a notice of delinquency (and a demand for immediate payment thereof) to the property owner within 45 days of such determination, and (if the delinquency remains uncured) the District will cause judicial foreclosure proceedings to be filed in the Superior Court within ninety (90) days of such determination against all properties for which the Special Taxes remain delinquent; provided that, notwithstanding the foregoing, the District may elect to defer foreclosure proceedings on any parcel so long as the amount in the Reserve Account is at least equal to the Reserve Requirement and the amount in the Improvement Area No. 1 Reserve Account is at least equal to the District's Proportionate Share. The District may, but shall not be obligated to, advance funds from any source of legally available funds in order to maintain the Reserve Account and the Improvement Area No. 1 Reserve Account. The District may treat any delinquent Special Tax sold to an independent third-party or to any funds of the City for at least 100% of the delinquent amount as having been paid. Proceeds of any such sale up to 100% of the delinquent amount will be deposited in the Special Tax Fund.

The District covenants that it will deposit the net proceeds of any foreclosure and any other Delinquency Proceeds in the Special Tax Fund and will apply such proceeds remaining after the payment of Administrative Expenses to pay any delinquent installments of principal or interest due on the Bonds and any Parity Bonds, to make current payments of principal and interest on the Bonds and any Parity Bonds and to replenish any draw on the Reserve Account and the Improvement Area No. 1 Reserve Account.

The City Attorney is hereby authorized to employ counsel to conduct any such foreclosure proceedings. The fees and expenses of any such counsel and costs and expenses of the City Attorney (including a charge for City or District staff time) in conducting foreclosure proceedings shall be an Administrative Expense hereunder.

(d) Payment of Claims. The District will pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Net Special Taxes or other funds in the Special Tax Fund, or which might impair the security of the Bonds or any Parity Bonds then Outstanding; provided that nothing herein contained shall require the

District to make any such payments so long as the District in good faith shall contest the validity of any such claims.

(e) Books and Accounts. The District will keep proper books of records and accounts, separate from all other records and accounts of the District, in which complete and correct entries shall be made of all transactions relating to the levy of the Special Tax and the deposits to the Special Tax Fund. Such books of records and accounts shall at all times during business hours be subject to the inspection of the Trustee or of the Owners of not less than 10% of the principal amount of the Bonds or the Owners of not less than 10% of any issue of Parity Bonds then Outstanding or their representatives authorized in writing.

(f) Federal Tax Covenants. Notwithstanding any other provision of this Indenture, absent an opinion of Bond Counsel that the exclusion from gross income of interest on the Authority Bonds issued on a tax-exempt basis for federal income tax purposes will not be adversely affected for federal income tax purposes, the District covenants to comply with all applicable requirements of the Code necessary to preserve such exclusion from gross income and specifically covenants, without limiting the generality of the foregoing, as follows:

(1) Private Activity. The District will take no action or refrain from taking any action or make any use of the proceeds of the Bonds or any Parity Bonds or of any other moneys or property which would cause the Authority Bonds issued on a tax-exempt basis for federal income tax purposes to be “private activity bonds” within the meaning of Section 141 of the Code;

(2) Arbitrage. The District will make no use of the proceeds of the Bonds or any Parity Bonds or of any other amounts or property, regardless of the source, or take any action or refrain from taking any action which will cause the Authority Bonds issued on a tax-exempt basis for federal income tax purposes to be “arbitrage bonds” within the meaning of Section 148 of the Code;

(3) Federal Guaranty. The District will make no use of the proceeds of the Bonds or any Parity Bonds or take or omit to take any action that would cause the Authority Bonds issued on a tax-exempt basis for federal income tax purposes to be “federally guaranteed” within the meaning of Section 149(b) of the Code;

(4) Hedge Bonds. The District will make no use of the proceeds of the Bonds or any Parity Bonds or any other amounts or property, regardless of the source, or take any action or refrain from taking any action that would cause the Authority Bonds issued on a tax-exempt basis for federal income tax purposes to be considered “hedge bonds” within the meaning of Section 149(g) of the Code unless the District takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income for federal income tax purposes of interest on the Authority Bonds; and

(5) Other Tax Exempt Issues. The District will not use proceeds of other tax exempt securities to redeem any Bonds or Parity Bonds without first obtaining the written opinion of Bond Counsel that doing so will not impair the exclusion from gross income for federal income tax purposes of interest on the Authority Bonds issued on a tax-exempt basis.

(g) Reduction of Maximum Special Taxes. The District hereby finds and determines that, historically, delinquencies in the payment of special taxes authorized pursuant to the

Act in community facilities districts in Southern California have from time to time been at levels requiring the levy of special taxes at the maximum authorized rates in order to make timely payment of principal of and interest on the outstanding indebtedness of such community facilities districts. For this reason, the District hereby determines that a reduction in the maximum Special Tax rates authorized to be levied on parcels in the Improvement Area below the levels provided in this Section 5.2(g) would interfere with the timely retirement of the Bonds and Parity Bonds. The District determines it to be necessary in order to preserve the security for the Bonds and Parity Bonds to covenant, and, to the maximum extent that the law permits it to do so, the District hereby does covenant, that it shall not initiate proceedings to reduce the maximum Special Tax rates for the District, unless, in connection therewith, (i) the District receives a certificate from one or more Independent Financial Consultants which, when taken together, certify that, on the basis of the parcels of land and improvements existing in the Improvement Area as of the July 1 preceding the reduction, the maximum amount of the Special Tax which may be levied on then existing taxable property in each Bond Year for any Bonds and Parity Bonds Outstanding will equal at least the sum of the Priority Administrative Expenses for such Bond Year plus 110% of the gross debt service in such Bond Year on all Bonds and Parity Bonds to remain Outstanding after the reduction is approved, (ii) the District finds that any reduction made under such conditions will not adversely affect the interests of the Owners of the Bonds and Parity Bonds and (iii) the District is not delinquent in the payment of the principal of or interest on the Bonds or any Parity Bonds. For purposes of estimating Administrative Expenses for the foregoing calculation, the Independent Financial Consultants shall compute the Administrative Expenses for the current Fiscal Year and escalate that amount by two percent (2%) in each subsequent Fiscal Year.

(h) Covenants to Defend. The District covenants that, in the event that any initiative is adopted by the qualified electors in the Improvement Area which purports to reduce the minimum or the maximum Special Tax below the levels specified in Section 5.2(g) above or to limit the power of the District to levy the Special Taxes for the purposes set forth in Section 5.2(b) above, it will commence and pursue legal action in order to preserve its ability to comply with such covenants.

(i) Limitation on Right to Tender Bonds. The District hereby covenants that it will not adopt any policy pursuant to Section 53344.1 of the Act permitting the tender of Bonds or Parity Bonds in full payment or partial payment of any Special Taxes unless the District shall have first received a certificate from an Independent Financial Consultant that the acceptance of such a tender will not result in the Improvement Area having insufficient Special Tax revenues to pay the principal of and interest on the Bonds and Parity Bonds when due.

(j) Further Assurances. The District shall make, execute and deliver any and all such further agreements, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture and for the better assuring and confirming unto the Owners of the Bonds and any Parity Bonds of the rights and benefits provided in this Indenture.

(k) Subordinate Debt. Any indebtedness of the District evidenced by any subordinated debt and any renewals or extensions thereof (herein called "Subordinated Indebtedness"), shall at all times be wholly subordinate and junior in right of payment to any and all indebtedness of the District under this Indenture (herein called "Superior Indebtedness"). Following an event of default under this Indenture, no Subordinated Indebtedness shall be paid prior to any Superior Indebtedness in any fiscal year of the District. If the holder of the Subordinated

Indebtedness is a commercial bank, savings bank, savings and loan association or other financial institution which is authorized by law to accept and hold deposits of money or issue certificates of deposit, such holder must agree to waive any common law or statutory right of setoff with respect to any deposits of the District maintained with or held by such holder.

(l) Pledged Net Special Taxes. The District represents it has not heretofore made a pledge of, granted a lien on or security interest in, or made an assignment or sale of the Net Special Taxes that ranks on a parity with or prior to the pledge granted under this Indenture. The District, except as may be provided otherwise in this Indenture, shall not hereafter make any pledge or assignment of, lien on, or security interest in the Net Special Taxes payable senior to or on a parity with the pledge of Net Special Taxes established under this Indenture.

ARTICLE VI

AMENDMENTS TO INDENTURE

Section 6.1. Supplemental Indentures or Orders Not Requiring Bondowner Consent.

The District may from time to time, and at any time, without notice to or consent of any of the Bondowners, adopt Supplemental Indentures for any of the following purposes:

(a) to cure any ambiguity, to correct or supplement any provisions herein which may be inconsistent with any other provision herein, or to make any other provision with respect to matters or questions arising under this Indenture or in any additional resolution or order, provided that such action is not materially adverse to the interests of the Bondowners;

(b) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Indenture, other covenants, agreements, limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Indenture as theretofore in effect or which further secure Bond or Parity Bond payments;

(c) to provide for the issuance of any Parity Bonds, and to provide the terms and conditions under which such Parity Bonds may be issued, subject to and in accordance with the provisions of this Indenture;

(d) to modify, amend or supplement this Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, or to comply with the Code or regulations issued thereunder, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute, and which shall not materially adversely affect the interests of the Owners of the Bonds or any Parity Bonds then Outstanding; or

(e) to modify, alter or amend the rate and method of apportionment of the Special Taxes in any manner so long as such changes do not reduce the maximum Special Taxes that may be levied in each year on property within the Improvement Area to an amount which is less than 110% of the sum of estimated Administrative Expenses and principal and interest due in each corresponding future Bond Year with respect to the Bonds and Parity Bonds Outstanding as of the date of such amendment; or

(f) to modify, alter, amend or supplement this Indenture in any other respect which is not materially adverse to the Bondowners.

Section 6.2. Supplemental Indentures or Orders Requiring Bondowner Consent.

Exclusive of the Supplemental Indentures described in Section 6.1, the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding shall have the right to consent to and approve the adoption by the District of such Supplemental Indentures as shall be deemed necessary or desirable by the District, for the purpose of waiving, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture; provided, however, that nothing herein shall permit, or be construed as permitting, (a) an extension of the maturity date of the principal, or the payment date of interest on, any Bond or Parity Bond, (b) a reduction in the principal amount of, or redemption premium on, any Bond or Parity Bond or the rate of interest thereon, (c) a preference or priority of any Bond or Parity Bond over any other Bond or Parity Bond, or (d) a reduction in the aggregate principal amount of the Bonds and Parity Bonds the Owners of which are required to consent to such Supplemental Indenture, without the consent of the Owners of all Bonds and Parity Bonds then Outstanding.

If at any time the District shall desire to adopt a Supplemental Indenture, which pursuant to the terms of this Section shall require the consent of the Bondowners, the District shall so notify the Trustee and shall deliver to the Trustee a copy of the proposed Supplemental Indenture. The Trustee shall, at the expense of the District, cause notice of the proposed Supplemental Indenture to be mailed, by first class mail, postage prepaid, to all Bondowners at their addresses as they appear in the Bond Register (if the Authority or the Authority Trustee on the Authority's behalf is the owner of all the Bonds, such amendment may be delivered by other communication methods). Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that a copy thereof is on file at the office of the Trustee for inspection by all Bondowners. The failure of any Bondowners to receive such notice shall not affect the validity of such Supplemental Indenture when consented to and approved by the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding as required by this Section. Whenever at any time within one year after the date of the first mailing of such notice, the Trustee shall receive an instrument or instruments purporting to be executed by the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture described in such notice, and shall specifically consent to and approve the adoption thereof by the District substantially in the form of the copy referred to in such notice as on file with the Trustee, such proposed Supplemental Indenture, when duly adopted by the District, shall thereafter become a part of the proceedings for the issuance of the Bonds and any Parity Bonds. In determining whether the Owners of a majority of the aggregate principal amount of the Bonds and Parity Bonds have consented to the adoption of any Supplemental Indenture, Bonds or Parity Bonds which are owned by the District or by any person directly or indirectly controlling or controlled by or under the direct or indirect common control with the District, shall be disregarded and shall be treated as though they were not Outstanding for the purpose of any such determination.

Upon the adoption of any Supplemental Indenture and the receipt of consent to any such Supplemental Indenture from the Owners of not less than a majority in aggregate principal amount of the Outstanding Bonds and Parity Bonds in instances where such consent is required pursuant to the provisions of this section, this Indenture shall be, and shall be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the District and all Owners of Outstanding Bonds and Parity Bonds shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

The Trustee may in its discretion, but shall not be obligated to, enter into any such Supplemental Indenture authorized by Sections 6.1 and 6.2 which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 6.3. Notation of Bonds or Parity Bonds; Delivery of Amended Bonds or Parity Bonds. After the effective date of any action taken as hereinabove provided, the District may determine that the Bonds or any Parity Bonds may bear a notation, by endorsement in form approved by the District, as to such action, and in that case upon demand of the Owner of any Outstanding Bond or Parity Bond at such effective date and presentation of his Bond or Parity Bond for the purpose at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation as to such action shall be made on such Bonds or Parity Bonds. If the District shall so determine, new Bonds or Parity Bonds so modified as, in the opinion of the District, shall be necessary to conform to such action shall be prepared and executed, and in that case upon demand of the Owner of any Outstanding Bond or Parity Bond at such effective date such new Bonds or Parity Bonds shall be exchanged at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, without cost to each Owner of Outstanding Bonds or Parity Bonds, upon surrender of such Outstanding Bonds or Parity Bonds.

ARTICLE VII

TRUSTEE

Section 7.1. Trustee. Zions Bancorporation, National Association, shall be the Trustee for the Bonds and any Parity Bonds unless and until another Trustee is appointed by the District hereunder. The District may, at any time, appoint a successor Trustee satisfying the requirements of Section 7.2 below for the purpose of receiving all money which the District is required to deposit with the Trustee hereunder and to allocate, use and apply the same as provided in this Indenture; provided, however, that the Trustee shall be at all times the same entity as the Authority Trustee.

The Trustee is hereby authorized to and shall mail by first class mail, postage prepaid, or wire transfer in accordance with Section 2.5 above, interest payments to the Bondowners, to select Bonds and Parity Bonds for redemption, and to maintain the Bond Register. The Trustee is hereby authorized to pay the principal of and premium, if any, on the Bonds and Parity Bonds when the same are duly presented to it for payment at maturity or on call and redemption, to provide for the registration of transfer and exchange of Bonds and Parity Bonds presented to it for such purposes, to provide for the cancellation of Bonds and Parity Bonds all as provided in this Indenture, and to provide for the authentication of Bonds and Parity Bonds, and shall perform all other duties assigned to or imposed on it as provided in this Indenture. The Trustee shall keep accurate records of all funds administered by it and all Bonds and Parity Bonds paid, discharged and cancelled by it.

The Trustee is hereby authorized to redeem the Bonds and Parity Bonds when duly presented for payment at maturity, or on redemption prior to maturity. The Trustee shall cancel all Bonds and Parity Bonds upon payment thereof in accordance with the provisions of Section 10.1 hereof.

The District shall from time to time, subject to any agreement between the District and the Trustee then in force, pay to the Trustee compensation for its services, reimburse the Trustee for all its advances and expenditures, including, but not limited to, advances to and fees, costs and expenses of independent accountants or counsel employed by it in the exercise and performance of its powers and duties hereunder, and indemnify and save the Trustee, its officers, officials, directors, employees

and agents, harmless from and against any losses, costs, damages, claims, expenses and liabilities, including, without limitation fees, costs and expenses of its attorneys, not arising from its own negligence or willful misconduct which it may incur in the exercise and performance of its powers and duties hereunder. In no event shall the Trustee be responsible or liable for any consequential, punitive, indirect, incidental or special damages or loss of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action. The foregoing obligation of the District to indemnify the Trustee shall survive the removal or resignation of the Trustee and the discharge of the Bonds.

Section 7.2. Removal of Trustee. The District may at any time at its sole discretion remove the Trustee initially appointed, and any successor thereto, by delivering to the Trustee a written notice of its decision to remove the Trustee and may appoint a successor or successors thereto; provided that any such successor shall be a bank, association or trust company having a combined capital (exclusive of borrowed capital) and surplus of at least \$75,000,000, and subject to supervision or examination by federal or state authority. Any removal shall become effective only upon acceptance of appointment by the successor Trustee. If any bank, association or trust company appointed as a successor publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this section the combined capital and surplus of such bank, association or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Any removal of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee and notice being sent by the successor Trustee to the Bondowners of the successor Trustee's identity and address.

Section 7.3. Resignation of Trustee. The Trustee may at any time resign and discharged from its duties and obligations hereunder by giving written notice to the District and by giving to the Owners notice of such resignation, which notice shall be sent to the Owners at their addresses appearing in the registration books in the office of the Trustee. Upon receiving such notice of resignation, the District shall promptly appoint a successor Trustee satisfying the criteria in Section 7.2 above by an instrument in writing. Any resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within thirty (30) calendar days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of itself and all other Owners) may, at the sole expense of the District petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee.

Section 7.4. Liability of Trustee. The recitals of fact and all promises, covenants and agreements contained herein and in the Bonds and any Parity Bonds shall be taken as statements, promises, covenants and agreements of the District, and the Trustee assumes no responsibility for the correctness of the same and makes no representations as to the validity or sufficiency of this Indenture, the Bonds or any Parity Bonds, and shall incur no responsibility in respect thereof, other than in connection with its duties or obligations specifically set forth herein, in the Bonds and any Parity Bonds, or in the certificate of authentication assigned to or imposed upon the Trustee. The Trustee shall be under no responsibility or duty with respect to the issuance of the Bonds or any Parity Bonds for value. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee shall not be liable

for any action taken or omitted by it or any of its officers, employees or agents in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture. The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

The Trustee shall be entitled to request and receive written instructions from the District and/or Owners and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Trustee in accordance with the written direction of any such party. The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the written direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of an Owner and/or the District, pursuant to the provisions of this Indenture, unless such party shall have offered to the Trustee security or indemnity (satisfactory to the Trustee in its sole and absolute discretion) against the costs, expenses and liabilities which may be incurred by it in compliance with such request or direction.

Neither the Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the District or any of its directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Trustee may assume performance by all such persons of their respective obligations. The Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other person. The Trustee shall be conclusively protected in acting upon any notice, resolution, request, direction, consent, order, certificate, opinion, report, bond, debenture, note, other evidence of indebtedness (including any Bond or Parity Bond) or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper person or persons, not only as to due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained therein. The Trustee may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered hereunder in good faith and in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond or Parity Bond unless and until such Bond or Parity Bond is submitted for inspection, if required, and his title thereto satisfactorily established, if disputed.

Whenever in the administration of its duties under this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, be deemed to be conclusively proved and established by a written certificate of the District, and/or opinion of counsel, and such certificate or opinion shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

The Trustee shall have no duty or obligation whatsoever to enforce the collection of Special Taxes or other funds to be deposited with it hereunder, or as to the correctness of any amounts received, but its liability shall be limited to the proper accounting for such funds as it shall actually receive. No provision in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of its rights or powers.

The Trustee shall not be deemed to have knowledge of (A) any events of other information, or (B) any default or event of default until an officer at the Trustee's corporate trust officer responsible for the administration of its duties hereunder shall have actual knowledge thereof or the Trustee shall have received written notice thereof at its corporate trust office.

The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay ("unavoidable delay") in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, war, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, loss or malfunctions of utilities, computer (hardware or software) or communications service, accidents, labor disputes, the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the project, malicious mischief, condemnation, and unusually severe weather or delays of supplies or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

The Trustee shall have no responsibility or liability with respect to any information, statements or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds.

The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty or in any way expand or impliedly expand the scope of the Trustee's duties hereunder, and, with respect to such permissive rights, the Trustee shall not be answerable for other than its negligence or willful misconduct.

The Trustee shall be entitled to rely on and shall not be liable for any action taken or omitted to be taken by the Trustee in accordance with the advice of counsel or other professionals retained or consulted by the Trustee. The Trustee may execute any of the trusts or powers hereof and perform any of its duties through attorneys, agents and receivers and shall not be answerable for the conduct of the same if appointed by it with reasonable care.

The Trustee may become the Owner or pledgee of the Bonds and Parity Bonds with the same rights it would have if it were not Trustee.

The Trustee shall perform such duties and only such duties as are specifically set forth in this Indenture and no implied duties or obligations shall be read into this Indenture against the Trustee. These duties shall be deemed purely ministerial in nature, and the Trustee shall not be liable except for the performance of such duties, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Owners pursuant to the provisions of this Indenture unless such Owners shall have offered to the Trustee security or indemnity satisfactory to the Trustee in its sole and exclusive direction against the costs, expenses and liabilities which may be incurred therein or thereby.

The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

The Trustee agrees to accept and act upon facsimile or electronic transmission of written instructions and/or directions pursuant to this Indenture provided, however, that: (a) such originally executed instructions and/or directions shall be signed by a person as may be designated and authorized to sign for the party signing such instructions and/or directions, and (b) the Trustee shall have received a current incumbency certificate containing the specimen signature of such designated person. Any such instructions and directions furnished by electronic transmission shall be in the form of attachments in PDF format.

Notwithstanding anything to the contrary herein, the Trustee shall have no duty to prepare or file any Federal or state tax report or return with respect to any funds held pursuant to this Indenture or any income earned thereon, except for the delivery and filing of tax information reporting forms required to be delivered and filed with the Internal Revenue Service.

Section 7.5. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, shall be the successor to the Trustee without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding.

ARTICLE VIII

EVENTS OF DEFAULT; REMEDIES

Section 8.1. Events of Default. Any one or more of the following events shall constitute an “event of default”:

(a) Default in the due and punctual payment of the principal of or redemption premium, if any, on any Bond or Parity Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) Default in the due and punctual payment of the interest on any Bond or Parity Bond when and as the same shall become due and payable; or

(c) Except as described in (a) or (b), default shall be made by the District in the observance of any of the agreements, conditions or covenants on its part contained in this Indenture,

the Bonds or any Parity Bonds, and such default shall have continued for a period of 30 days after the District shall have been given notice in writing of such default by the Trustee or the Owners of 25% in aggregate principal amount of the Outstanding Bonds and Parity Bonds; provided, however, that if in the reasonable opinion of the District the default stated in the notice can be corrected, but not within such thirty (30) day period, and corrective action is instituted by the District within such thirty (30) day period and diligently pursued in good faith until the default is corrected, such default shall not be an Event of Default hereunder.

The Trustee agrees to give notice to the Owners immediately upon the occurrence of an event of default under (a) or (b) above and within 30 days of the Trustee's knowledge of an event of default under (c) above.

Section 8.2. Remedies of Owners. Upon the occurrence of an Event of Default, the Trustee may pursue any available remedy at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Outstanding Bonds and Parity Bonds, and to enforce any rights of the Trustee under or with respect to this Indenture, including:

(a) By mandamus or other suit or proceeding at law or in equity to enforce its rights against the District and any of the members, officers and employees of the District, and to compel the District or any such members, officers or employees to perform and carry out their duties under the Act and their agreements with the Owners as provided in this Indenture;

(b) By suit in equity to enjoin any actions or things which are unlawful or violate the rights of the Owners; or

(c) By a suit in equity to require the District and its members, officers and employees to account as the trustee of an express trust.

If an Event of Default shall have occurred and be continuing and if requested so to do by the Owners of at least twenty-five percent (25%) in aggregate principal amount Outstanding Bonds and Parity Bonds and is indemnified to its satisfaction, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article VIII, as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Owners of the Bonds and Parity Bonds.

No remedy herein conferred upon or reserved to the Trustee or to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law.

The Bonds and any Parity Bonds are not subject to acceleration prior to maturity.

Section 8.3. Application of Revenues and Other Funds After Default. All amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Indenture relating to the Bonds and Parity Bonds shall be applied by the Trustee in the following order upon presentation of the several Bonds and Parity Bonds:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in carrying out the provisions of this Article VIII, including reasonable

compensation to its agents, attorneys and counsel, and to the payment of all other outstanding fees and expenses of the Trustee; and

Second, to the payment of the whole amount of interest on and principal of the Bonds and Parity Bonds then due and unpaid, with interest on overdue installments of principal and interest to the extent permitted by law at the net effective rate of interest then borne by the Outstanding Bonds and Parity Bonds; provided, however, that in the event such amounts shall be insufficient to pay in full the full amount of such interest and principal, then such amounts shall be applied in the following order of priority:

(a) first to the payment of all installments of interest on the Bonds and Parity Bonds then due and unpaid on a pro rata basis based on the total amount then due and owing,

(b) second, to the payment of all installments of principal, including Sinking Fund Payments, of the Bonds and Parity Bonds then due and unpaid on a pro rata basis based on the total amount then due and owing, and

(c) third, to the payment of interest on overdue installments of principal and interest on the Bonds and Parity Bonds on a pro rata basis based on the total amount then due and owing.

Section 8.4. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of twenty-five percent (25%) in aggregate principal amount of the Bonds and Parity Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds and Parity Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in aggregate principal amount of the Outstanding Bonds and Parity Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other such litigation. Any suit, action or proceeding which any Owner of Bonds or Parity Bonds shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners of Bonds and Parity Bonds similarly situated and the Trustee is hereby appointed (and the successive respective Owners of the Bonds and Parity Bonds issued hereunder, by taking and holding the same, shall be conclusively deemed so to have appointed it) the true and lawful attorney in fact of the respective Owners of the Bonds and Parity Bonds for the purposes of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners of the Bonds and Parity Bonds as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact.

Section 8.5. Appointment of Receivers. Upon the occurrence of an Event of Default hereunder, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners of the Bonds and Parity Bonds under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Net Special Taxes and other amounts pledged hereunder, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 8.6. Non-Waiver. Nothing in this Article VIII or in any other provision of this Indenture, or in the Bonds or the Parity Bonds, shall affect or impair the obligation of the District, which is absolute and unconditional, to pay the interest on and principal of the Bonds and Parity Bonds to the respective Owners of the Bonds and Parity Bonds at the respective dates of maturity, as herein provided, out of the Net Special Taxes and other moneys herein pledged for such payment.

A waiver of any default or breach of duty or contract by the Trustee or any Owners shall not affect any subsequent default or breach of duty or contract, or impair any rights or remedies on any such subsequent default or breach. No delay or omission of the Trustee or any Owner of any of the Bonds or Parity Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy conferred upon the Trustee or the Owners by the Act or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee or the Owners, as the case may be.

Section 8.7. Limitations on Rights and Remedies of Owners. No Owner of any Bond or Parity Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds and Parity Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds and Parity Bonds of any remedy hereunder; it being understood and intended that no one or more Owners of Bonds and Parity Bonds shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds and Parity Bonds.

The right of any Owner of any Bond and Parity Bond to receive payment of the principal of and interest and premium (if any) on such Bond and Parity Bond as herein provided or to institute suit for the enforcement of any such payment, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.8. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case, the District, the Trustee and the Owners shall be restored to their former positions and rights hereunder, respectively, with regard to the property subject to this Indenture, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

ARTICLE IX

DEFEASANCE AND PARITY BONDS

Section 9.1. Defeasance. If the District shall pay or cause to be paid, or there shall otherwise be paid, to the Owner of an Outstanding Bond or Parity Bond the interest due thereon and the principal thereof, at the times and in the manner stipulated in this Indenture or any Supplemental Indenture, then the Owner of such Bond or Parity Bond shall cease to be entitled to the pledge of Net Special Taxes, and, other than as set forth below, all covenants, agreements and other obligations of the District to the Owner of such Bond or Parity Bond under this Indenture and any Supplemental Indenture relating to such Parity Bond shall thereupon cease, terminate and become void and be discharged and satisfied. In the event of a defeasance of all Outstanding Bonds and Parity Bonds pursuant to this Section, the Trustee shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the District's general fund all money or securities held by it pursuant to this Indenture which are not required for the payment of the principal of, premium, if any, and interest due on such Bonds and Parity Bonds.

Any Outstanding Bond or Parity Bond shall be deemed to have been paid within the meaning expressed in the first paragraph of this Section if such Bond or Parity Bond is paid in any one or more of the following ways:

(a) by paying or causing to be paid the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same become due and payable;

(b) by depositing with the Trustee, in trust, at or before maturity, money which, together with the amounts then on deposit in the Special Tax Fund (exclusive of the Administrative Expense Fund) and available for such purpose, is fully sufficient to pay the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same shall become due and payable on and prior to the maturity date or redemption date thereof, as applicable; or

(c) by depositing with the Trustee or another escrow bank appointed by the District, in trust, Defeasance Securities, in which the District may lawfully invest its money, in such amount as will be sufficient, together with the interest to accrue thereon and moneys then on deposit in the Special Tax Fund (exclusive of the Administrative Expense Fund) and available for such purpose, together with the interest to accrue thereon, to pay and discharge the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same shall become due and payable on and prior to the maturity date or redemption date thereof, as applicable;

then, at the election of the District, and notwithstanding that any Outstanding Bonds and Parity Bonds shall not have been surrendered for payment, all obligations of the District under this Indenture and any Supplemental Indenture with respect to such Bond or Parity Bond shall cease and terminate, except for the obligation of the Trustee to pay or cause to be paid to the Owners of any such Bond or Parity Bond not so surrendered and paid, all sums due thereon. Notice of such election shall be filed with the Trustee not less than ten days prior to the proposed defeasance date, or such shorter period of time as may be acceptable to the Trustee. In connection with a defeasance under (c) above, there shall be provided to the District a verification report from an independent nationally recognized certified public accountant, stating its opinion as to the sufficiency of the moneys or securities deposited with the Trustee or the escrow bank to pay and discharge the principal of,

premium, if any, and interest on all Outstanding Bonds and Parity Bonds to be defeased in accordance with this Section, as and when the same shall become due and payable, an escrow agreement with respect to the deposits under (b) and (c) above, and an opinion of Bond Counsel (which may rely upon the opinion of the certified public accountant) to the effect that the Bonds or Parity Bonds being defeased have been legally defeased in accordance with this Indenture and any applicable Supplemental Indenture.

The Bonds shall be deemed Outstanding under this Indenture unless and until they are in fact paid and retired or the above criteria are met.

Upon a defeasance, the Trustee, upon request of the District, shall release the rights of the Owners of such Bonds and Parity Bonds which have been defeased under this Indenture and any Supplemental Indenture and execute and deliver to the District all such instruments as may be desirable to evidence such release, discharge and satisfaction. In the case of a defeasance hereunder of all Outstanding Bonds and Parity Bonds, the Trustee shall pay over or deliver to the District any funds held by the Trustee at the time of a defeasance, which are not required for the purpose of paying and discharging the principal of or interest on the Bonds and Parity Bonds when due. The Trustee shall, at the written direction of the District, send a notice to the Bondowners whose Bonds or Parity Bonds have been defeased, in the form directed by the District, stating that the defeasance has occurred.

Section 9.2. Conditions for the Issuance of Parity Bonds and Other Additional Indebtedness. The District may at any time after the issuance and delivery of the Bonds hereunder issue Parity Bonds payable from the Net Taxes and other amounts deposited in the Special Tax Fund and secured by a lien and charge upon such amounts equal to the lien and charge securing the Outstanding Bonds and any other Parity Bonds theretofore issued hereunder or under any Supplemental Indenture; provided, however, that Parity Bonds may only be issued for the purpose of refunding all or a portion of the Bonds or Parity Bonds then Outstanding subject to the following specific conditions, which are hereby made conditions precedent to the issuance of any such Parity Bonds:

(a) The District shall be in compliance with all covenants set forth in this Indenture and any Supplemental Indenture then in effect and a certificate of the District to that effect shall have been filed with the Trustee; provided, however, that Parity Bonds may be issued notwithstanding that the District is not in compliance with all such covenants so long as immediately following the issuance of such Parity Bonds the District will be in compliance with all such covenants.

(b) The issuance of such Parity Bonds shall have been duly authorized pursuant to the Act and all applicable laws, and the issuance of such Parity Bonds shall have been provided for by a Supplemental Indenture duly adopted by the District which shall specify the following:

(1) the purpose for which such Parity Bonds are to be issued and the fund or funds into which the proceeds thereof are to be deposited;

(2) the authorized principal amount of such Parity Bonds;

(3) the date and the maturity date or dates of such Parity Bonds; provided that (i) each maturity date shall fall on a September 1, (ii) all such Parity Bonds of like maturity shall

be identical in all respects, except as to number, and (iii) fixed serial maturities or Sinking Fund Payments, or any combination thereof, shall be established to provide for the retirement of all such Parity Bonds on or before their respective maturity dates;

(4) the description of the Parity Bonds, the place of payment thereof and the procedure for execution and authentication;

(5) the denominations and method of numbering of such Parity Bonds;

(6) the amount and due date of each mandatory Sinking Fund Payment, if any, for such Parity Bonds;

(7) the amount, if any, to be deposited from the proceeds of such Parity Bonds in the Reserve Account to increase the amount therein to the Reserve Requirement or to the Improvement Area No. 1 Reserve Account to increase the amount therein to the Proportionate Share, provided that if the interest on such Parity Bonds is intended by the District to be excluded from the gross income of the recipients thereof for federal income tax purposes, such amount shall not exceed the maximum amount of proceeds that, in the opinion of Bond Counsel, can be so deposited without causing the interest on such Parity Bonds to be included in the gross income of the recipients thereof for federal income tax;

(8) the form of such Parity Bonds; and

(9) such other provisions as are necessary or appropriate and not inconsistent with this Indenture.

(c) The District shall have received the following documents or money or securities, all of such documents dated or certified, as the case may be, as of the date of delivery of such Parity Bonds by the Trustee (unless the Trustee shall accept any of such documents bearing a prior date):

(1) a certified copy of the Supplemental Indenture authorizing the issuance of such Parity Bonds;

(2) a written request of the District as to the delivery of such Parity Bonds;

(3) an opinion of Bond Counsel to the District to the effect that (i) the District has the right and power under the Act to adopt the Supplemental Indenture relating to such Parity Bonds, and the Supplemental Indenture has been duly and lawfully adopted by the District, is in full force and effect and is valid and binding upon the District and enforceable in accordance with its terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization and other similar laws relating to the enforcement of creditors' rights); (ii) the Indenture creates the valid pledge which it purports to create of the Net Special Taxes and other amounts as provided in the Indenture, subject to the application thereof to the purposes and on the conditions permitted by the Indenture; and (iii) such Parity Bonds are valid and binding limited obligations of the District, enforceable in accordance with their terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization and other similar laws relating to the enforcement of creditors' rights) and the terms of the Indenture and all Supplemental Indentures thereto and are entitled to the benefits of

the Indenture and all such Supplemental Indentures, and such Parity Bonds have been duly and validly authorized and issued in accordance with the Act (or other applicable laws) and the Indenture and all such Supplemental Indentures; and a further opinion of Bond Counsel to the effect that, assuming compliance by the District with certain tax covenants, the issuance of the Parity Bonds will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds and any Parity Bonds theretofore issued on a tax exempt basis, or the exemption from State of California personal income taxation of interest on any Outstanding Bonds and Parity Bonds theretofore issued;

(4) a certificate of the District containing such statements as may be reasonably necessary to show compliance with the requirements of this Indenture;

(5) a certificate of an Independent Financial Consultant certifying that in each Bond Year the Annual Debt Service on the Bonds and Parity Bonds to remain Outstanding following the issuance of the Parity Bonds proposed to be issued is less than the Annual Debt Service on the Bonds and Parity Bonds Outstanding prior to the issuance of such Parity Bonds; and

(6) Such further documents, money and securities as are required by the provisions of this Indenture and the Supplemental Indenture providing for the issuance of Parity Bonds.

ARTICLE X

All Bonds and Parity Bonds surrendered to the Trustee for payment upon maturity or for redemption shall be upon payment therefor, and any Bond or Parity Bond purchased by the District as authorized herein and delivered to the Trustee for such purpose shall be, cancelled forthwith and shall not be reissued. The Trustee shall destroy such Bonds and Parity Bonds, as provided by law, and furnish to the District a certificate of such destruction.

Section 10.2. Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by this Indenture to be signed or executed by Bondowners may be in any number of concurrent instruments of similar tenor may be signed or executed by such Owners in person or by their attorneys appointed by an instrument in writing for that purpose, or by the bank, trust company or other depository for such Bonds. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, and of the ownership of Bonds or Parity Bonds shall be sufficient for the purposes of this Indenture (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his or her attorney of any such instrument and of any instrument appointing any such attorney, may be proved by a signature guarantee of any bank or trust company located within the United States of America. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such signature guarantee shall also constitute sufficient proof of his authority.

(b) As to any Bond or Parity Bond, the person in whose name the same shall be registered in the Bond Register shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of any such Bond or Parity Bond, and the interest thereon, shall be made only to or upon the order of the registered Owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond or Parity Bond and the interest thereon to the extent of the sum or sums to be paid. Neither the District nor the Trustee shall be affected by any notice to the contrary.

Nothing contained in this Indenture shall be construed as limiting the Trustee or the District to such proof, it being intended that the Trustee or the District may accept any other evidence of the matters herein stated which the Trustee or the District may deem sufficient. Any request or consent of the Owner of any Bond or Parity Bond shall bind every future Owner of the same Bond or Parity Bond in respect of anything done or suffered to be done by the Trustee or the District in pursuance of such request or consent.

Section 10.3. Unclaimed Moneys. Except as otherwise provided in the Indenture, the principal of and premium, if any, on this Bond are payable to the Registered Owner hereof in lawful money of the United States of America upon presentation and surrender of this Bond at the Principal Office of the Trustee (as such term is defined in the Indenture), initially Zions Bancorporation, National Association (the "Trustee"). Interest on this Bond shall be paid by check of the Trustee mailed, by first class mail, postage prepaid, or in certain circumstances described in the Indenture by wire transfer to an account within the United States of America, to the Registered Owner hereof as of the close of business on the fifteenth day of the month preceding the month in which the Interest Payment Date occurs (the "Record Date") at such Registered Owner's address as it appears on the registration books maintained by the Trustee.

This Bond is one of a duly authorized issue of "City of Beaumont Community Facilities District No. 2023-1 (Fairway Canyon) (Improvement Area No. 1) 2025 Special Tax Bonds" (the "Bonds") issued in the aggregate principal amount of \$_____ pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, being Sections 53311, *et seq.*, of the California Government Code (the "Act") for the purpose of refinancing certain outstanding special tax bonds of the District and paying certain costs related to the issuance of the Bonds. The issuance of the Bonds and the terms and conditions thereof are provided for by a resolution adopted by the City Council of the City, acting in its capacity as the legislative body of the District (the "Legislative Body"), on _____, 2025, and a Bond Indenture, dated as of _____ 1, 2025, by and between the District and the Trustee, executed in connection therewith (the "Indenture"), and this reference incorporates the Indenture herein, and by acceptance hereof the Registered Owner of this Bond assents to said terms and conditions. The Indenture is adopted under and this Bond is issued under, and both are to be construed in accordance with, the laws of the State of California. Capitalized terms not defined herein shall have the meanings set forth in the Indenture.

Pursuant to the Act and the Indenture, the principal of, premium, if any, and interest on this Bond are payable solely from the portion (the "Net Special Taxes") of the annual special taxes authorized under the Act to be levied and collected within the Improvement Area (the "Special Taxes") and certain other amounts pledged to the repayment of the Bonds as set forth in the Indenture. Any amounts for the payment hereof shall be limited to the Net Special Taxes pledged and collected, which include foreclosure proceeds received following a default in payment of the Special Taxes and other amounts deposited to the Special Tax Fund established under the Indenture, except to the extent that other provision for payment has been made by the Legislative Body, as may be permitted by law. The District has covenanted for the benefit of the owners of the Bonds that under certain circumstances described in the Indenture it will commence and diligently pursue to completion appropriate foreclosure proceedings in the event of delinquencies of Special Tax installments levied for payment of principal and interest on the Bonds.

The Bonds maturing on or after September 1, 20__ may be redeemed, at the option of the District from any source of funds, on any Interest Payment Date on or after September 1, 20__, in whole, or in part from such maturities as are selected by the District and by lot within a maturity, at a redemption price equal to the principal amount to be redeemed, together with accrued interest to the date of redemption, without premium.

The Bonds are subject to extraordinary redemption as a whole, or in part on a pro rata basis among maturities, on any Interest Payment Date, and shall be redeemed by the Trustee, from Prepayments deposited to the Redemption Account at the following redemption prices, expressed as

a percentage of the principal amount to be redeemed, together with accrued interest to the redemption date:

<i>Redemption Dates</i>	<i>Redemption Prices</i>
Any Interest Payment Date through March 1, 20__	103%
September 1, 20__ and March 1, 20__	102
September 1, 20__ and March 1, 20__	101
September 1, 20__ and any Interest Payment Date thereafter	100

Notice of redemption with respect to the Bonds to be redeemed shall be mailed to the registered owners thereof not less than 20 nor more than 45 days prior to the redemption date by first class mail, postage prepaid, to the addresses set forth in the registration books. Notwithstanding the foregoing, so long as the Authority or the Authority Trustee on the Authority's behalf is the registered owner of the Bonds, no such notices need be provided. Neither a failure of the Registered Owner hereof to receive such notice nor any defect therein will affect the validity of the proceedings for redemption. All Bonds or portions thereof so called for redemption will cease to accrue interest on the specified redemption date; provided that funds for the redemption are on deposit with the Trustee on the redemption date. Thereafter, the registered owners of such Bonds shall have no rights except to receive payment of the redemption price upon the surrender of the Bonds.

This Bond shall be registered in the name of the Registered Owner hereof, as to both principal and interest, and the District and the Trustee may treat the Registered Owner hereof as the absolute owner for all purposes and shall not be affected by any notice to the contrary.

The Bonds are issuable only in fully registered form in the denomination of \$5,000 or any integral multiple thereof and may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same issue and maturity, all as more fully set forth in the Indenture. This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Principal Office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, upon surrender and cancellation of this Bond. Upon such transfer, a new registered Bond of authorized denomination or denominations for the same aggregate principal amount of the same issue and maturity will be issued to the transferee in exchange therefor.

The Trustee shall not be required to register transfers or make exchanges of (i) any Bonds for a period of 15 days next preceding any selection of the Bonds to be redeemed, or (ii) any Bonds chosen for redemption.

The rights and obligations of the District and of the registered owners of the Bonds may be amended at any time, and in certain cases without notice to or the consent of the registered owners, to the extent and upon the terms provided in the Indenture.

THE BONDS DO NOT CONSTITUTE OBLIGATIONS OF THE CITY OF BEAUMONT OR OF THE DISTRICT FOR WHICH THE CITY OF BEAUMONT OR THE DISTRICT IS OBLIGATED TO LEVY OR PLEDGE, OR HAS LEVIED OR PLEDGED, GENERAL OR SPECIAL TAXES, OTHER THAN THE SPECIAL TAXES REFERENCED HEREIN. THE BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE FROM THE PORTION OF THE SPECIAL TAXES AND OTHER AMOUNTS PLEDGED UNDER THE INDENTURE

BUT ARE NOT A DEBT OF THE CITY OF BEAUMONT, THE STATE OF CALIFORNIA OR ANY OF ITS POLITICAL SUBDIVISIONS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION OR RESTRICTION.

This Bond shall not become valid or obligatory for any purpose until the certificate of authentication and registration hereon endorsed shall have been dated and signed by the Trustee.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the District, does not exceed any debt limit prescribed by the laws or Constitution of the State of California.
