**SUBJECT:** Amendment #2 to Provide Senior Advisory Services for the Evaluation of Outside Sales of Recycled Water or Potential Transfers

Dear Ms. Gibbs,

Dopudja & Wells Consulting (Dopudja & Wells) has been supporting the City of Beaumont (City) in developing full beneficial use of the recycled water generated at the City's Wastewater Treatment Plant (WWTP). Support activities originally focused on a broad assessment of market opportunities for the recycled water. Based upon the results of this assessment, activities have recently focused on developing an agreement with the Beaumont Cherry Valley Water District (BCVWD) for use of the recycled water in its non-potable water system, and on developing supplemental uses for the recycled water that cannot be put to beneficial use in BCVWD's non-potable water system. The supplemental uses being explored involve other uses such as groundwater banking with BCVWD, as well as other uses with the San Geronio Pass Water Agency (SGPWA) and the Morongo Band of Mission Indians (MBMI) as examples. Dopudja & Wells is pleased with the progress that has been made in negotiations with BCVWD, and is submitting this Amendment #2 for Phase 2 services to continue support for the development of beneficial uses for the City's recycled water.

## Scope of Work – Phase 2

The results of the work done to date indicate that it is unlikely that the City will be able to enter into a single take-or-pay agreement that will utilize all of the recycled water for beneficial use. More likely is an outcome for which a portion of the recycled water is utilized in BCVWD's non-potable water system via agreement between the City and BCVWD, and the remaining portion is utilized via potential agreements with other agencies. These potential other agreements may take advantage of both the volume of recycled water available from the City as well as the high quality of the recycled water, both of which could provide value to potential agreement partners. To support these outcomes for the City, the following major task areas have been identified for the Phase 2 Scope of Work:

### Task 1. Continued Negotiation With BCVWD

During Phase 1 of this process, Dopudja & Wells implemented a structured negotiation process between the City and BCVWD. This structured process includes an exchange of negotiating parameters via matrix, and is designed to focus negotiation on substantive issues. The process has advanced successfully to the point that the last remaining major point of negotiation is the price of the recycled water, in addition to several smaller points.

Dopudja & Wells anticipates continuing this negotiation process until negotiation points are agreed upon sufficiently to allow for the development of a Term Sheet between the City and BCVWD for the use of the City's recycled water in the BCVWD non-potable water system.

---

***Task 1 Summary: This task will include multiple meetings internally with City staff and City elected officials, and multiple meetings with representatives of BCVWD. The deliverable for this task will be a completed negotiation matrix.***

---

## Task 2. Development of Term Sheet and Agreement for Recycled Water Sale between City and BCVWD

Based upon the agreements achieved in the negotiation matrix in Task 1, Dopudja & Wells will assist the City Attorney to develop a Term Sheet for the exchange of recycled water between City and BCVWD. Based upon the negotiations to date, it is anticipated that the Term Sheet will encompass an agreement under which BCVWD will use some portion of the City's available recycled water in BCVWD's non-potable system and will potentially convey the remaining portion of the recycled water for recharge or use by another agency. This combination of uses for the City's recycled water is described in the negotiation process as a "hybrid solution."

Dopudja & Wells will assist the City Attorney in developing a Preliminary Term Sheet for review by City Staff and BCVWD staff. It is anticipated that minor negotiation will be required between the two agencies to achieve technical agreement on the Preliminary Term Sheet. After this technical agreement, a Draft Term Sheet will be provided to the City and BCVWD for a final review.

When the Final Term Sheet is approved, Dopudja & Wells will continue to work with City legal staff to produce a Recycled Water Agreement between the City and BCVWD. It is assumed that City legal staff will lead the effort to produce the Term Sheet and Recycled Water Agreement, with Dopudja & Wells assisting and reviewing the documents for technical conformance to the Final Term Sheet.

---

***Task 2 Summary: Deliverables for Task 2 will include a Final Term Sheet and a Recycled Water Agreement that conforms to the Final Term Sheet. Multiple meetings will be held internally and externally to achieve these deliverables. It is anticipated that Dopudja & Wells will be in a support role for the drafting and finalization of agreements.***

---

## Task 3. Coordination, Negotiations and Meetings with SGPWA, MBMI, and Other Potential Partners for Recycled Water Use

As described above, the current status of negotiations indicates that full beneficial use of the City's recycled water will take place using a hybrid solution, under which a portion of the recycled water is used in BCVWD's non-potable water system, and the remaining portion is used by another partner, or is recharged for later use. Dopudja & Wells will coordinate and negotiate with other potential partners for recycled water use, including SGPWA, MBMI, the City of Banning, and others as identified. These activities will include internal and external meetings and workshops as appropriate.

---

***Task 3 Summary: Deliverables will include report-outs from meetings and negotiations. If appropriate, a Memorandum of Understanding will be developed between potential recycled water partners and the City.***

---

#### Task 4. Evaluation of Conceptual Infrastructure Alternatives for Recycled Water Utilization

During Phase 1, Dopudja & Wells reconciled projections for recycled water availability. The projections included near-term (next five years) through ultimate values.

During Phase 2, Dopudja & Wells will develop conceptual layouts reflecting the reuse and recharge concepts, and the required recycled water infrastructure for each of the three service options to BCVWD, SGPWA, and/or MBMI. The refined conceptual layouts will be based upon previous efforts to the extent possible and updated where appropriate.

---

***Task 4 Summary: Recycled water availability and conceptual infrastructure projections will be updated and developed in figure and table format. The figures and tables will be integrated into the internal communications described in Task 2.***

---

#### Task 5. Financial Evaluation of Recycled Water Utilization Alternatives

Following the conceptual layouts, Dopudja & Wells will evaluate the cost and benefits of the proposed infrastructure alternatives with the preliminary water reuse policy that is being developed. The Cost Benefit Analysis will help guide the discussions regarding the highest and best use of the City's treated effluent. Cost projections are anticipated to be at the conceptual level in terms of dollars invested compared to acre-feet of yield. Industry standard cost assumptions will be used where no specific data is available for the City's options.

---

***Task 5 Summary: Cost Benefit Analysis in figure and table format will be provided for review and comment by City staff and/or Council Subcommittee members.***

---

#### Task 6. Coordination and Collaboration with City Stakeholders

As with Phase 1, the activities in Task 1 through Task 5 for Phase 2 will require extensive coordination with City stakeholders, including leadership staff, technical staff, legal counsel, and elected officials. Dopudja & Wells will provide extensive coordination and collaboration with these City stakeholders, including report-out emails, calls, virtual meetings and workshops, in-person meetings and workshops, and public meetings as required.

---

***Task 6 Summary: Deliverables from coordination activities will be provided as required.***

---

### Task 7. Project Management

Project control activities include internal coordination, management of internal project support team, monitoring of schedule and budget, and internal review of work products (QA/QC).

### Proposed Fee, Schedule and Hourly Rates

The tasks under Phase 2 can be challenging to fully estimate due to the fluidity of topics and issues to resolve. Dopudja & Wells has made its best effort to estimate the scope of work. The tasks in the Phase 2 Scope of Work described above will be performed on a time and materials basis, with the total fee not to exceed \$75,112, without prior authorization. The proposed budget is for the entire engagement and all or part of the budget may be shifted by Dopudja & Wells among tasks as the project progresses.

Hourly rates for consultant support are shown in Table 2. It is our understanding that the work will be conducted principally by Dopudja & Wells' Principal, Stephen Dopudja, P.E., Jon Wells, P.E., Jason Pivovarovoff, P.E. with support from Paul D. Jones II, on an as-needed basis.

### A. COVERAGES

#### 1. Business Liability Coverage (Bodily Injury, Property Damage, Personal And Advertising Injury) Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury", "property damage" or "personal and advertising injury" to which this insurance does not apply.

We may, at our discretion, investigate any "occurrence" or offense and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section D. Liability And Medical Expenses Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments, settlements or medical expenses to which this insurance applies.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Coverage Extension - Supplementary Payments.

- b. This insurance applies:

- (1) To "bodily injury" and "property damage" only if:

- (a) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

- (b) The "bodily injury" or "property damage" occurs during the policy period; and

- (c) Prior to the policy period, no insured listed under Paragraph 1. of Section C. Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- (2) To "personal and advertising injury" caused by an offense arising out of your business, but only if the offense was committed in the "coverage territory" during the policy period.

- c. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section C. Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
  - d. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".
  - e. **Incidental Medical Malpractice**
    - (1) "Bodily injury" arising out of the rendering of or failure to render professional health care services as a physician, dentist, nurse, emergency medical technician or paramedic shall be deemed to be caused by an "occurrence", but only if:
      - (a) The physician, dentist, nurse, emergency medical technician or paramedic is employed by you to provide such services; and
      - (b) You are not engaged in the business or occupation of providing such services.
    - (2) For the purpose of determining the limits of insurance for incidental medical malpractice, any act or omission together with all related acts or omissions in the furnishing of these services to any one person will be considered one "occurrence".
- 2. Medical Expenses**
- Insuring Agreement**
- a. We will pay medical expenses as described below for "bodily injury" caused by an accident:
    - (1) On premises you own or rent;
    - (2) On ways next to premises you own or rent; or
    - (3) Because of your operations;provided that:
    - (1) The accident takes place in the "coverage territory" and during the policy period;
    - (2) The expenses are incurred and reported to us within three years of the date of the accident; and
    - (3) The injured person submits to examination, at our expense, by physicians of our choice as often as we reasonably require.
  - b. We will make these payments regardless of fault. These payments will not exceed the applicable limit of insurance. We will pay reasonable expenses for:
    - (1) First aid administered at the time of an accident;
    - (2) Necessary medical, surgical, x-ray and dental services, including prosthetic devices; and
    - (3) Necessary ambulance, hospital, professional nursing and funeral services.
- 3. Coverage Extension - Supplementary Payments**
- a. We will pay, with respect to any claim we investigate or settle, or any "suit" against an insured we defend:
    - (1) All expenses we incur.
    - (2) Up to \$1,000 for the cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which Business Liability Coverage for "bodily injury" applies. We do not have to furnish these bonds.
    - (3) The cost of appeal bonds or bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish, finance, arrange for, guarantee, or collateralize these bonds, whether the collateralization is characterized as premium or not.
    - (4) All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to \$500 a day because of time off from work.
    - (5) All court costs taxed against the insured in the "suit". However, such costs do not include attorneys' fees, attorneys' expenses, witness or expert fees, or any other expenses of a party taxed against the insured.
    - (6) Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.

(7) All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

Any amounts paid under (1) through (7) above will not reduce the Limits of Insurance.

b. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

(1) The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";

(2) This insurance applies to such liability assumed by the insured;

(3) The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";

(4) The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interest of the indemnitee;

(5) The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and

(6) The indemnitee:

(a) Agrees in writing to:

(i) Cooperate with us in the investigation, settlement or defense of the "suit";

(ii) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "suit";

(iii) Notify any other insurer whose coverage is available to the indemnitee; and

(iv) Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and

(b) Provides us with written authorization to:

(i) Obtain records and other information related to the "suit"; and

(ii) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments.

Notwithstanding the provisions of Paragraph 1.b.(b) of Section B. Exclusions, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the Limits of Insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:

(1) We have used up the applicable limit of insurance in the payment of judgments or settlements; or

(2) The conditions set forth above, or the terms of the agreement described in Paragraph (6) above, are no longer met.

## B. EXCLUSIONS

### 1. Applicable To Business Liability Coverage

This insurance does not apply to:

#### a. Expected Or Intended Injury

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving, or furnishing alcoholic beverages.

This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

  - (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

#### **D. LIABILITY AND MEDICAL EXPENSES LIMITS OF INSURANCE**

##### **1. The Most We Will Pay**

The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

- a. Insureds;
- b. Claims made or "suits" brought; or
- c. Persons or organizations making claims or bringing "suits".

##### **2. Aggregate Limits**

The most we will pay for:

- a. Damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard" is the Products-Completed Operations Aggregate Limit shown in the Declarations.
- b. Damages because of all other "bodily injury", "property damage" or "personal and advertising injury", including medical expenses, is the General Aggregate Limit shown in the Declarations.

This General Aggregate limit does not apply to "property damage" to premises while rented to you or temporarily occupied by you with permission of the owner, arising out of fire, lightning or explosion.

##### **3. Each Occurrence Limit**

Subject to 2.a. or 2.b. above, whichever applies, the most we will pay for the sum of all damages because of all "bodily injury", "property damage" and medical expenses arising out of any one "occurrence" is the Liability and Medical Expenses Limit shown in the Declarations.

The most we will pay for all medical expenses because of "bodily injury" sustained by any one person is the Medical Expenses Limit shown in the Declarations.

##### **4. Personal And Advertising Injury Limit**

In the case of damage by fire, lightning or explosion, the Damage to Premises Rented To You Limit applies to all damage proximately caused by the same event, whether such damage results from fire, lightning or explosion or any combination of these.

##### **6. How Limits Apply To Additional Insureds**

The most we will pay on behalf of a person or organization who is an additional insured under this Coverage Part is the lesser of:

- a. The limits of insurance required in a written contract, written agreement or permit; or
- b. The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to the Limits of Insurance shown in the Declarations and described in this Section.

If more than one limit of insurance under this Policy and any endorsements attached thereto applies to any claim or "suit", the most we will pay under this Policy and the endorsements is the single highest limit of liability of all

coverages applicable to such claim or "suit". However, this paragraph does not apply to the Medical Expenses limit set forth in Paragraph 3. above.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

## **E. LIABILITY AND MEDICAL EXPENSES GENERAL CONDITIONS**

### **1. Bankruptcy**

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

### **2. Duties In The Event Of Occurrence, Offense, Claim Or Suit**

#### **a. Notice Of Occurrence Or Offense**

You or any additional insured under this Coverage Part must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

#### **b. Notice Of Claim**

If a claim is made or "suit" is brought against any insured, you or any additional insured under this Coverage Part must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You or any additional insured under this Coverage Part must see to it that we receive a written notice of the claim or "suit" as soon as practicable.

#### **c. Assistance And Cooperation Of The Insured**

You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation, settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization that may be liable to the insured because of injury or damage to which this insurance may also apply.

#### **d. Obligations At The Insured's Own Cost**

No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

#### **e. Additional Insured's Other Insurance**

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured under this Coverage Part, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with such additional insured's own insurance.

#### **f. Knowledge Of An Occurrence, Offense, Claim Or Suit**

Paragraphs a. and b. apply to you or to any additional insured under this Coverage Part only when such "occurrence", offense, claim or "suit" is known to:

- (1) You or any additional insured under this Coverage Part that is an individual;
- (2) Any partner, if you or an additional insured under this Coverage Part is a partnership;
- (3) Any manager, if you or an additional insured under this Coverage Part is a limited liability company;
- (4) Any "executive officer" or insurance manager, if you or an additional insured under this Coverage Part is a corporation;
- (5) Any trustee, if you or an additional insured under this Coverage Part is a trust; or
- (6) Any elected or appointed official, if you or an additional insured under this Coverage Part is a political subdivision or public entity.

This Paragraph f. applies separately to you and any additional insured under this Coverage Part.

### 3. Legal action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this insurance or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

### 4. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Policy to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom a claim is made or "suit" is brought.

### 5. Representations

#### a. When You Accept This Policy

By accepting this Policy, you agree:

- (1) The statements in the Declarations are accurate and complete;
- (2) Those statements are based upon representations you made to us; and
- (3) We have issued this Policy in reliance upon your representations.

#### b. Unintentional Failure To Disclose Hazards

If unintentionally you should fail to disclose all hazards relating to the conduct of your business at the inception date of this Coverage Part, we shall not deny any coverage under this Coverage Part because of such failure.

### 6. Other Insurance

If other valid and collectible insurance is available for a loss we cover under this Coverage Part, our obligations are limited as follows:

#### a. Primary Insurance

This insurance is primary except when b. below applies. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

#### b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

##### (1) Your Work

That is Fire, Extended Coverage, Builder's Risk, Installation Risk, Owner Controlled Insurance Program or OCIP, Contractor Controlled Insurance Program or CCIP, Wrap Up Insurance or similar coverage for "your work";

**(2) Premises Rented To You**

That is fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

**(3) Tenant Liability**

That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

**(4) Aircraft, Auto Or Watercraft**

If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section B. Exclusions.

**(5) Property Damage To Borrowed Equipment Or Use Of Elevators**

If the loss arises out of "property damage" to borrowed equipment or the use of elevators to the extent not subject to Exclusion k. of Section B. Exclusions.

**(6) When You Are Added As An Additional Insured To Other Insurance**

That is other insurance available to you covering liability for damages arising out of the premises or operations, or products and completed operations, for which you have been added as an additional insured by that insurance; or

**(7) When You Add Others As An Additional Insured To This Insurance**

That is other insurance available to an additional insured.

However, the following provisions apply to other insurance available to any person or organization who is an additional insured under this Coverage Part:

**(a) Primary Insurance When Required By Contract**

This insurance is primary if you have agreed in a written contract, written agreement or permit that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

**(b) Primary And Non-Contributory To Other Insurance When Required By Contract**

If you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs (a) and (b) do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty under this Coverage Part to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

**c. Method Of Sharing**

If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

#### 7. Transfer Of Rights Of Recovery Against Others To Us

##### a. Transfer Of Rights Of Recovery

If the insured has rights to recover all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Expenses Coverage.

##### b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.
